Stresses Value In Inter-Province Teacher Exchange

OTTAWA, Aug. 9.—(CP)—An inter-provincial exchange of teachers was described tonight by Dr. D.C. Munroe of Ormstown, Que., as one means of helping Canada's teachers develop "national unity."

In a speech prepared for delivery at a dinner meeting which officially opened the Canadian Teachers Federation convention Dr. Munroe, C.T.F. president, urged the lifting of "barriers" which prevent teachers from moving from one Province to permanent positions in another.

"We need men and women in our class-rooms who can interpret Canadian life by drawing from the wealth of personal experience," he told the more than 100 delegates. "I think every Canadian teacher should travel from coast to coast."

He suggested a "Canadian teacher certificate" which would meet the highest requirements in force in any of the Provinces, and "would be acceptable anywhere in the Dominion."

Noting that "one in seven or eight" of the persons now teaching is without minimum qualifications, Dr. Munroe said that proper training of teachers should be one of the first concerns.

He had been "greatly encouraged" by the recently announced federal-provincial health program.

"But while we know that the prevailing shortage of doctors and nurses is serious, I am by no means convinced that it is more serious than the prevailing shortage of teachers."

Others who spoke during the session included Defence Minister Clixton, who brought greetings from the Government. Recalling that the C.T.F. had 55,000 members in its organization, Mr. Clixton paid tribute to the Federation for the "amazing job" it had been doing.

John Bracken, retiring leader of the Progressive-Conservative Party, also spoke briefly. He said that education should have financial support from the Federal Government.

WOOD-WORKERS STRIKE
OWEN SOUND, Ont., Aug. 9.—(CP)—The International Woodworkers of America (I.W.O.A.) went on strike for higher wages today when the Harris Furniture and Chair Company Ltd. here. About 100 workers are involved.

Coming Events
"Ice Cream and Dance, Woods Mill, August 12th."
"Pie Social, Dance, Souris Line Road, South School, August 13th."
"Dance, Kinkora Hall Tuesday, August 10th, Summerside Orchestra."
"Come to St. John's Church picnic, Crapaud, Wednesday, Aug. 18th."
"Dance in Howe's Hall, Brackley Beach, Wednesday, August 11th."
"Movies, Hunter River Tuesday, North Wiltshire Wednesday, "Sunbonnet Sue."

"Hospital Dance, McLean's Warehouse, Souris, Wednesday, August 4th. Modern and Old Time. Bus leaves Holy Name Hall at 7:30."
"King of the Wild Horses" playing Macdonald Bros. Theatre, tonight. Don't miss this great horse show.

"Zone Heavy Duty Roof Coating gives you a new roof at 1/4 the cost. The Representative of Zone Roof Coating, W. L. H. Essery, will be at the Exhibition Grounds during Old Home Week."
"Beginning at noon Wednesday, Aug. 11, our store will be closed for one week, to give our staff a well-earned holiday. Open for business on Thursday morning, Aug. 12. R. L. Dickinson."

"We are moving heaven and earth to prevent the disease spreading further," he said. It has been active in Fukien Province for 30 years, but until the war was not known in Kiangsi or Chekiang.

U.S. Boosts Interest On Short-term Bonds

WASHINGTON, August 9.—(AP)—The United States Government, already preparing to clamp a 15-month limit on easy-payment credit, today boosted the interest rate on short-term Government bonds "as a further anti-inflationary measure."

Treasury Secretary John Snyder announced the interest boost yesterday morning at Ellerslie Village in Prince County.

She had been visiting her grandparents, Mr. and Mrs. Arnold Burleigh and had driven to the village with them on a truck wagon which was pulled by a team of horses. They stopped at MacCaull's store and the two older people alighted. As they were getting some articles out of the wagon the horses suddenly took fright and bolted with the little girl on the wagon. After they galloped about two hundred yards the wagon overturned pinning the child beneath. Mr. R. R. Loe and Mr. Richard Found who were present administered first aid and then rushed the child to the Prince County Hospital but she was dead on arrival. Examination showed that she had a fractured skull and a broken spine.

Col. D. F. Davis of the Summerside detachment R.C.M.P. investigated the accident and the coroner Dr. Austin Delaney of Summerside decided that an inquest was not necessary.—S.

Keen Competition In Livestock Exhibits

Keen competition in the various classes of livestock at the Provincial Exhibition is predicted this year as a result of the large and representative list of entries. While horses and cattle are slightly fewer in numbers than last year, there is a record-breaking entry of livestock in other classes.

In addition to leading exhibitors of other years there are a great many new exhibitors who have come forward with promising entries of pure bred stock.

The judging of standard bred horses, registered and roadsters will commence this morning at 9 a.m. which will be the first classes in the horse judging. In the cattle division, Guernseys, Ayrshires, Herford's, and Angus will come before the judges, commencing at the same hour.

Mr. Albert Greig of Ormstown, Ont., will be the official judge of horses, while Mr. Joseph Easton of Unionville, Ont., will judge the Shorthorns, Angus and Herford's in the beef cattle classes. In the dairy breeds, Mr. A. F. Kains, London, Ont., will judge the Ayrshire class, Mr. Hume Gladstone, Troquois, Ont., the Jersey class, Mr. Walter Dickie, Truro, N.S., the Holstein class, and Mr. William Milligan, Truro, N.S., will be judge of the Gurnsey class.

Mr. J.W. Graham, Moncton, N.B., will be judge of sheep and swine and Mr. N.W. Chespeusick, Moncton, N.B., will judge the sheep and swine "market" classes on the stall. Messrs F.M. Nash, Fredrick Driscoll, and Charles Scanlon, Charlottetown, will be poultry judges, while Mr. E.A. Hall, land, City, will do the judging of the western zone.

Some of the leading exhibitors in the horse classes show are W.H. Hogue, Milton Station, Pulten Mills, North River, Harrison Green, Clyde River, Omer Nell, Milton, and Cecil J. Stewart and Sons, Hampshire.

In the cattle division, John Du Pasquier, St. Peter's Bay, A. H. Boswell, and Son, Marshfield, Hayden Brothers, Cherry Valley, Fulton Sanderson, North River, and others are prominent.

Threat Of Black Death Again Looms For Chinese

By JOHN RODERICK
SEANGHAI, Aug. 9.—(AP)—Chinese and World Health Organization doctors are fighting a grim battle with spreading plague the "black death" that has killed more people than all the world's wars.

The disease spread to Kiangsi and Chekiang Provinces during the Japanese war, says Dr. Robert Pollitzer of the W.H.O. In 1947, he reported, Nanchang, Kiangsi, had 31 cases and 16 deaths; Lanchow, Chekiang, 28 cases and 11 deaths.

"We are moving heaven and earth to prevent the disease spreading further," he said. It has been active in Fukien Province for 30 years, but until the war was not known in Kiangsi or Chekiang.

Big Central Fish Drying Plant To Be In Operation Here Within A Few Weeks

Dwelling Burned At Cambridge

The home of Mrs. Jane Giddings, Cambridge Road, a settlement eight miles north-east of Murray River, was burned to the ground Sunday night.

The fire, reported to be of unknown origin, occurred about 10 o'clock. Neighbors rushed to the scene but by the time they had arrived, the fire had so developed that but little of the furniture could be saved.

Strenuous efforts were successful, however, in saving the barn and other out buildings.

No Tenders For Bus Terminal Had Been Expected To Blow Whole

WASHINGTON, Aug. 9.—(CP)—What was described in advance as a disappointing session of the House of Representatives on-American Committee investigation of espionage activities today was rained out under a cloudburst of refusals to answer.

Alexander Koral of Brooklyn, engineer for the New York City Board of Education, refused to answer any question—even "have you ever been in Washington?"

He had been announced by a committee member as the "mystery witness" who would blow the whole spy case wide open.

He replied "I decline to answer on the grounds that it might incriminate me," to questions concerning his connection with Communists.

Cabinet Asks Justice Dept. For Ruling

WINNIPEG, Aug. 9.—(CP)—Transport Minister Chevrier intimated tonight that a Royal Commission to investigate the whole railway freight rate structure is likely to be appointed unless legal difficulties bar the way.

He said in an interview—emphasizing that he was speaking only for himself—that, even if the Commission could not legally be appointed, he thought the government might still amend the Freight Rates Act.

The interview followed Ottawa reports that the Federal Cabinet has asked the Justice Department for a ruling concerning legality of a commission.

OTTAWA, Aug. 9.—(CP)—The Government has taken a step toward meeting the wishes of Provinces demanding a royal commission on railways, it was learned today.

HALIFAX, Aug. 9.—(CP)—Official inland forecasts issued by the Dominion Public Weather office here tonight and valid until midnight Tuesday.

Synopsis: There were scattered thunderstorms in the Maritimes today. For the most part the weather was fine and afternoon temperatures were in the seventies. However, somewhat cooler air from Labrador began to push into the district ahead of it patches of cloud developed. Some of these clouds grew tall enough to give showers or even thunderstorm activity. By mid evening the leading edge of the fresh air had crossed Prince Edward Island and was moving into Nova Scotia. By moving it will have covered the entire district. Bright sunshine will cause the temperatures to rise again so that much the same weather can be expected. The weather in all regions should be fine with only afternoon clouds on Tuesday.

Forecast: Prince Edward Island: Clear during the night. Tuesday clear except for some afternoon cloudiness. Temperatures continuing near normal. Light winds. Low early Tuesday morning and high in the afternoon at Charlottetown 55 and 72.

High tide this morning at 2:30 and this afternoon at 2:49. Sun sets this evening at 7:15 and rises tomorrow morning at 4:56. First quarter moon August 11th 3:40 P.M.

Summerside tide eighteen minutes later than Charlottetown.
