CATHOLICS ARE IN SESSION IN MONTREAL.

MONTREAL, Feb. 8—All the Archbishops of Canada are assembled here to meet Mgr. Stagni, the Papal delegate to the Dominion, who reached here to keep his appointment with the hierarchy of the Catholic Church.

Ottawa believes that the purpose of the gathering is to discuss the school question which arises out of the proposed extension of the boundary of Manitoba.

The Manitoqa School question was a difficulty which arose during the last days of the previous Conservative administration and was afterwards treated by tae Laurier Government.

The decision reached has at no time been satisfactory to the Catholic authorities, who believe that they lost considerably under the provision of the Act.

What is desired by the Catholics is a separate school organization similar to that of the Provinces of Quebec.

The gathering is the largest and most important of its kind held since the Council of Quebec, which took place in the latter city previous to the Eucharistic Congress,

The question of the Decree Ne Temere will not be discussed at this gathering as the hierarchy consider this is a matter concerning the members of the Catholic Church alone.

"All sheetings and pillow cottons bought at the White Goods Sale will be hemmed free. Moore & McLeod. 2-12dtf.
