

# FILEM darkens teeth

## Remove it daily

Film discolors teeth and then destroys them. Dentists urge a special way to remove it.

FOR years thousands thought their teeth naturally discolored and dull. Then they made a simple test that brought a glorious surprise.

A film was found to absorb stains from food and smoking and turn white teeth dull. It clings to teeth, gets into crevices and stays. It is the chief cause of the common tooth and gum disorders.

Film hardens into tartar. Germs by the millions breed in it. They, with tartar, are the chief cause of pyorrhea. Film must be removed each day. Ordinary brushing fails to do it successfully. So dentists urge the special film-removing dentifrice called Pepsodent.

## A Cash Business

Commencing Monday, the 6th day of May, 1929, our business will be conducted on a cash basis, and all credit accounts will be discontinued, with the exception of accounts of institutions, of persons who pay every month, and others who may make special arrangements. We have always endeavored to give our customers the lowest possible prices consistent with the quality of the merchandise sold and services rendered. The expense of carrying and collecting accounts, together with occasional losses from bad debts, added considerably to our cost of doing business, and elimination of these items from our overhead will enable us to give our customers the benefit in lower prices.

- The following are samples of our cash prices:
- Filled Curtains, per pair ..... 75c
  - Wall Paper, per single roll ..... 06c
  - 34 inch Unbleached Cotton, per yard ..... 10c
  - 32 inch good quality Gingham, per yard ..... 17c

MARIE WOMEN'S INSTITUTE regular monthly meeting of Women's Institute was held at the home of Miss Carrie Sanderson, on Wednesday evening, April 10th, with an attendance of ten members and one visitor. The meeting opened by singing Institute Ode, followed by reading of minutes of last meeting. The roll call was answered with suggestions on making our meetings more interesting. The program consisted of two very interesting papers, one on the "Training of the Child, and another on "Uses of Borax" read by Mrs. V. K. Sanderson and a Flower Contest carried out by Mrs. Cullen, in which all the members took part. The prize was won by Miss A. Townshend, who had the most correct answers. A dainty luncheon was served by the hostess and her assistants, Mrs. Jay and Mrs. Cullen. The May meeting is invited to the home of Mrs. E. Mobbs. Meeting closed by singing the National Anthem.

SOCIAL GATHERING — The Dramatic Club held a social evening in St. James Hall, Georgetown on Wednesday, April 24th. The whist prizes were won by Mrs. James Condon and Ernest Fairchild, the consolation prizes were won by Mrs. James Boudreau, and Clarry David. Luncheon was served by the following ladies: Mrs. Donovan, Mrs. Sampson, Mrs. James Condon, Mrs. Temple Goggin, Mrs. H. Lavander, Miss Gertrude Kiggins and Miss Mary Macdonald. Complimentary speeches by Rev. O. Kiggins and Mr. P. A. Scully, M. P. and others. One of the pleasing features was an address of appreciation to Miss Rose Fairchild. Choice musical selections by the orchestra, accompanied by Mrs. Fairchild, songs, games, etc., were indulged in. The National Anthem brought a very enjoyable evening to a close.—To Miss Rose Fairchild, Georgetown, P. E. I. Dear Miss Fairchild—it is indeed with feelings of the greatest pleasure that we are assembled here to enjoy a social evening and to extend to you the grateful appreciation and the hearty thanks of your confederates in the Dramatic Club, together with thanks of our good pastor and the members of St. James Parish for the splendid service you rendered us in presenting our play on St. Patrick's Day last. Although inexperienced in work of this kind you willingly consented to become a member of our club and although the part assigned to you was without doubt the most difficult role in the play, requiring the most difficult acting, both comic and sentimental, your interpretation of this part has won for you a prominent place in the sphere of amateur dramatics. Your willingness to help along the good work in every way, your punctual attendance at practice and the many amusements and pleasures which you gave up to attend our many rehearsals, the cheerful way in which you submitted to our coaching and hard drilling in the short time at our disposal, was most gratifying indeed. Our Georgetown Dramatic Club by its careful selections of plays by its strenuous rehearsals and by the willingness and painstaking co-operation of its members to present them in the best possible manner, has won for the club a reputation that we have every reason to be proud of. We are therefore glad to welcome you to our ranks and to feel as we do, that your splendid effort in our last performance has brought fresh laurels to our name. We would therefore ask you to kindly accept this small gift as a token of our appreciation and good will and we trust we shall have the pleasure of your association and membership in our Dramatic Club for many years to come. Signed on behalf of St. James Parish, O. Kiggins, P. P.; signed on behalf of Dramatic Club, P. A. Scully, Miss Fairchild, although taken by surprise replied in a very fitting and capable manner.—A
