

Christmas 1909.

at the Island's Leading Store. In the fewest words possible we must tell our story. We realize that this is a busy season with every one. What will I buy for Christmas is the cry to-day? May we assist you? May our store, our staff, our goods, our Experience be of service to you? If so consider them at your disposal now. We have been planning, and preparing for this event. We expect the biggest Christmas trade in the history of our Store. We have put thought, time and money into it. Large Express parcels are being received from day to day from the large centers of Commerce. The latest include a large assortment of Ladies' Hand Satchels, Bags, of every description. Every lady and gentleman should see them. A very pretty line of Ladies' Lace Collars and Belts made by one of the leading New York Manufacturers received to-day.

FURS

For the Christmas trade we secured some of the nicest and most complete showing of furs ever made by us and what is best the prices are Rock Bottom for the next two weeks. Do not be misled by glaring discounts, it is value that counts and not discounts.

Gentlemen's Neck Wear

A most complete assortment came to hand a day or two ago including all the new and most up-to-date Christmas Novelties. The most superb showing ever made in the City.

Ladies' Waists, in Net and Lace

To-day we received a shipment of these goods. New and fresh direct from the manufacturers. They are to be had to-day at a small advance on the manufacturers' prices.

Ladies' and Gentlemen's Gloves

Is there anything more appreciated at this time of the year by either a lady or a gentleman than a pair of Kid Gloves. Our showing is most complete.

Men's Fancy Knit Vests

Direct from Germany, they are beyond doubt one of the grandest showings ever attempted in this City. The patterns the style and the general appearance all excel anything ever shown here. They are an exclusive showing.

To give a description of the many lines we handle would require several editions of the newspaper. For the benefit of our customers we have prepared a list of many of the many lines we handle. We trust that they will be made use of during the next few days.

UNDER THE STARS.

(A Christmas Carol.)

Under the stars, one holy night
A little babe was born;
Over his head a star shone bright,
And glistened till the morn.
And wise men came from far away,
And shepherds wandered where he lay
Upon his lowly bed of hay,
Under the stars one night.

Under the stars, one blessed night,
The Christ-child came to earth,
And through the darkness broke the light
Of morning at his birth,
And sweet hosannas filled the air,
And guardian angels watched him where
The Virgin Mother knelt in prayer,
Under the stars one night.

Under the stars, this happy night,
We wait for Him once more,
And seem to see the wondrous sight,
The shepherds saw of yore,
O Babe born in Bethlehem,
Come to us with love's diadem,
And crown us with the stars to-night,
Under the stars to-night.

KING LEOPOLD OF BELGIUM WHO IS SAID TO BE IN A CRITICAL STATE OF HEALTH.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

OF INTEREST TO TOWN AND COUNTRY.

Holly, mistletoe and Xmas decorations. Last season many were disappointed, they came at the eleventh hour, like onto the virgins of old, seeking oil for their lamps, and behold there was none for them.

We have the holly, we have the green vines, and other holiday decorations, way not secure some now.

Holly per lb 40c; for 5 lbs 35c per lb, for 10 lbs 30c per lb no reduction on those prices.

The holiday season most everyone wants some celery, (or should want it) in many places in the country and small towns, celery is not procurable, and for such we are packing up nice

(\$1.00 one dollar boxes of celery shipped to any address desirable—(send cash please with order.)

There are also hundreds of rich farmers that have not the time or inclination to grow vegetables, indeed it would not pay them to do so—more money in pork, milk, produce and stock &c for them. To such we would say, just call at our daily market and see what a dollar will buy in the vegetable line. The health of your family demand it.

We have still left from our immense importations of onions about 2 1/2 tons of the choicest stock. For the balance of this month they go at 10 lbs for 30c. Choice hand picked beans are high but 10 lbs go for 45c.

Tea—we handle only the famous Haszard's Brahmin tea if you have not received the genuine Haszard's, (we have been fooled ourselves) You are sure of it here. In the vegetable department we have many lines including celery, beets, carrots, parsnips, onions, squash, pumpkins sprouts, potatoes, turnips and many others not mentioned. Our canned goods include peas, corn, tomatoes, salmon, table syrup, green beans, etc. Some of our own growth and picking of ripe tomatoes left at 85c per doz cans.
