

Moncton Hawks Shut Out Saint John 6-0 To Lead Series 3-0

MONCTON, N.B., March 3 — (CP)—Moncton Hawks, defending the Maritime hockey crown they won last year, tonight took a strangle-hold on the Maritime Senior Hockey League championship by blanking Saint John 6-0.

Tonight's win gave Hawks a 3-0 lead in the best-of-seven series. A win for Hawks at Saint John tomorrow night would give them the title.

Outkated, outshot and outplayed by the inspired Hawks, the Saint John squad tonight was a poor match for Les Ramsay's fleet-footed young Moncton team. When they did manage to work into scoring position their hearts were broken by the sensational work of Hughie MacDonald in Hawks goal.

Hawks scored a pair of goals in each period while holding their rivals scoreless.

Beavers were a far cry from the snappy squad that defeated Truro Beavers in three straight games

Souris Team Tangle With Abbies At Forum Tonight

Souris Legionaires tangle with the Intermediate Abegweits at the Forum tonight in the second and final game of the King's-Queen's County playoffs to decide the team that will meet Summerside All-Stars for the provincial title.

Despite the fact that they trail the locals by five goals, supporters of the Souris team are confident that their squad can give the Abbies quite a tussle and as a mark of that confidence a large number are expected to travel by special train for the setto.

The game is scheduled to start at 8 o'clock sharp and fans are advised that the game will start at that time as the special train from Souris will arrive in the City in plenty of time.

Midget Abbies Beat Summerside Team 8-2

Midget Abegweits, champions of the local City Midget League, last night took a big step towards the Island title when they defeated Summerside Midget 8-2 in the opening game of a two-game local-goal series. Abbies will carry their six goal margin into the second game at Summerside Friday night and judging by their performance last night should be able to come through.

The winners took a 2-1 lead in the first period, increased it to 6-1 throughout the middle stanza and then wound up their scoring display by again heading their rivals 2-1 in the final twenty minutes of play.

Witnessed by a fair-sized crowd of spectators the kids put on a good display with the losers fighting to the last ditch in game efforts to overtake their faster skating opponents.

Stellarton Royals To Play Abbies Here

Stellarton Royals, winners of the APC Hockey League and co-querors of the Moncton Hawks in an exhibition game this season will play the Abegweits an exhibition game at the Forum the night of Saturday, March 13th, it was learned here last night.

The game, proceeds of which will go to the Charlottetown Fire Department Fund, should attract plenty of interest locally. It is through the efforts of the local firemen that the visit of the fast Nova Scotia squad has been made possible and it is confidently expected that a capacity crowd will watch the fast Nova Scotians in action.

Included in the lineup is Cliff Jackson, Charlottetown boy, who has been going great guns since joining the club and their goalie Prozenzer is said to be one of the ablest in the seaside provinces.

The team is coached by Bobby Beaton a brother of Joey Beaton who performed here with the Abegweits in the Big Four League

P.W.C. And Saints Win Hoop Games

Prince of Wales and Saint Dunstan's last night advanced into a tie for second place in the standing of the City Basketball League when they came through with victories over Navy and Rays in two of the closest, and fastest games played all through the league schedule. It was the final game of the league but the final standings won't be known, nor the disposition of the playoffs until finally Navy pulled into a five point lead at the halfway mark.

Gradually through the second half Prince of Wales whittled in to the lead to get up on even terms with five minutes to go; in that five minutes the lead changed several times but with 50 seconds to go Navy on the strength of Michelson's basket from centre floor took the lead. Donnie McLean of Prince of Wales whipped through with the tying basket seconds later and then George McLennan, leading scorer of the game with 22 points potted the winner with seconds remaining.

East Royalty Wins

The East Royalty Royals last night defeated Milton 3-1 to even a hockey playoff series at two games apiece. The game was played at Milton. Deciding game 3 scheduled for East Royalty on Monday.

out of the picture. For at least half the game they were better than the Summerside team but must have weakened in the closing stages. Saturday night, the date of the second and final game, when playing before a home crowd and on home ice the squad should perform better and although the task is a difficult one there is still plenty of hope left in their ranks and if aggressiveness can turn the tide, along with their hockey ability, they may tilt the scales in their favor.

Good Racing Witnessed On Harbor Ice
