

### HEART HUMBUG.

It is fashionable to day to have a few heart scares every 24 hours. The commonest symptoms of dyspepsia or nerve trouble, such as palpitation, weak spells, loss of appetite and poor circulation, are magnified and distorted into serious signs of heart trouble, with the object of frightening the public into taking this or that heart remedy. If a hundredth part of the heart trouble we hear about were real, the cemeteries would be filled in a month. A wrong construction is put upon common ailments in order to humbug the people into the belief that heart disease is prevalent, where as real heart trouble, which is so sadly and suddenly fatal when it does occur, is a rare disease. Lopsided arguments cannot convince an intelligent people. Iron is a vital element of the blood. Too little iron means weakness, lack of spirits, pallid cheeks, shortness of breath, sleeplessness, nervousness, loss of vitality, force, ending in general break down. The iron in Dr. Ward's Blood and Nerve Pills is in the soluble form you need, in combination with other curative agents in such a manner that disease can't resist their action. You feel yourself getting well when you take Dr. Ward's Blood and Nerve Pills.

I can confidently recommend this Ointment to all similarly afflicted, and believe that it will do everything that is claimed for it. I tried many hair vigors and other preparations but none did me any good."

### S'SIDE AND PRINCE CO.

Mr. W. A. STEWART, left yesterday for a visit to Boston and New York. Mr. ASHER BURROWS has arrived home from Missouri to visit his home and friends.

Mr. ASHER BURROWS, who has been in Kansas for some time past and left for home on learning of his mother's death arrived home yesterday morning.

The week of prayer meetings now being held are very largely attended. A stirring address is given each evening by one of the pastors. The closing meeting will be held this evening in Baptist Church.

Red Cross movement in Summerside Mrs. Beairto and Mrs. Goullie who have generously interested themselves in behalf of the Red Cross movement here, have met with very encouraging success. Although owing to the short time at their disposal, but little soliciting was possible, the following contributions have been handed in and doubtless more will follow. The ladies directing the movement here inform THE GUARDIAN, that many of the contributions came unsolicited and that almost invariably where ever the opportunity was presented the willingness was shown to remember "The Boys."

### HIS TIME HAD COME.

So Thought a Quebec Man Until Dodd's Kidney Pills Cured Him of Bright's Disease. QUEBEC, Jan. 9.—Narcisse Mangy, of 109 St. Ann Street, this city, considers himself an extremely fortunate man. He has come through the ordeal of Bright's Disease alive. Bright's Disease is an extremely fatal disease of the Kidneys. The sufferer lingers on, growing weaker and weaker, slowly and miserably dying. Once it fastens itself upon a victim, there is only one hope to save him—Dodd's Kidney Pills. But they never fail. Narcisse Mangy says: "I have endured Bright's Disease for over five years. Doctors told me I would never get well. I thought my time had come. A friend told me to try Dodd's Kidney Pills. I have just finished the fourth box and am cured."

"And you bet I called him down," he said in telling about it afterward. "Ah," she returned pleasantly, "he was up stairs, then."

C. C. Richards & Co. Dear Sir.—Your MINARD'S LINIMENT is our remedy for sore throat, colds all ordinary ailments. It never fails to relieve and cure promptly. CHARLES WHITTEN. Port Margrave.

### CHEQUE LOST.

Cheque No. 117 drawn by John S. Cousins, Merchants Bank of P. E. Island for \$36. Finder will please return to drawer. The public is warned against cashing above cheque.

### FRIED ONIONS.

Indirectly caused the Death of the World's Greatest General.

It is a matter of history that Napoleon was a gourmand, and inordinate lover of the good things at the table, and history further records that his favorite dish was fried onions; his death from cancer of stomach it is claimed also, was probably caused from his excessive indulgence in this fondness for the odoriferous vegetable.

The onion is undoubtedly a wholesome article of food, it fact has many medicinal qualities of value, but to find a more indigestible article than fried onions, and to many people they are simply poison, but the onion does not stand alone in this respect. Any article of food that is not thoroughly become a source of disease and discomfort whether it be fried onions or beef steak.

The reason why any wholesome food is not promptly digested is because the stomach lacks some important element of digestion, some stomachs lack pepsine, others are deficient in gastric juice, still others lack Hydro chloric acid.

The one thing necessary to do in any case of poor digestion is to supply those elements of digestion which the stomach lacks, and nothing does this so thoroughly and safely as Stuart's Dyspepsia Tablets.

Dr. Richardson in writing a thesis on treatment of dyspepsia and indigestion, closes his remarks by saying, "for those suffering from acid dyspepsia, shown by sour, watery risings, or for flatulent dyspepsia shown by gas on stomach, causing heart trouble and difficult breathing, as well as for all other forms of stomach trouble, the safest treatment is to take one or two of Stuart's Dyspepsia Tablets after each meal. I advise them because they contain no harmful drugs, but are composed of valuable digestives, which act promptly upon the food eaten. I never knew a case of indigestion or even chronic dyspepsia which Stuart's Tablets would not reach."

Cheap cathartic medicines claiming to cure dyspepsia and indigestion can have no effect whatever in actively digesting the food and to call any cathartic medicine a cure for indigestion is a misnomer.

Every druggist in the United States and Canada sells Stuart's Dyspepsia Tablets, and they are not only the safest and most successful but the most scientific of any treatment for indigestion and stomach troubles.

### Week of Prayer.

### A BOON TO CATARRH VICTIMS.

We offer to the readers of this paper a never failing remedy for Catarrh, Bronchitis, Irritable Throat and kindred affections in Catarrh zone. There is no mystery about it but the effect is magical. Ointments, washes and snuffs have proved worse than useless because they cannot reach the seat of the disease; but Catarrh zone is carried by the only vehicle (the air you breathe) nature allows to enter into the lungs or bronchial tubes, directly to the seat of the disease, where it kills the germ life that causes Catarrh, and at the same time heals all the effected parts. It cures by inhalation, and is both pleasant and safe to use. For sale at all druggists or by mail, price \$1.00. For trial outfit send 10c in stamps to N. C. POLSON & CO., Box 539 Kingston, Ont.

### Milk And Brandy.

La Presse, of Montreal, is responsible for the following: Mr. Hilarie Vien, 70 years of age, and employed in E. B. Eddy's pail factory, in Hull., has not eaten any solid food for seven years, and is to-day in good health. Fifteen years ago, Mr. Vien suffered intensely from dyspepsia and spent several thousands dollars in buying medicines.

Twelve years ago he began a diet which consisted solely in drinking milk strengthened with a few drops of brandy. After five years of this regime he broke the fast and partook of solid food, but as it did not agree with him, he again resumed the milk and brandy diet, and has ever since continued taking the concoction. Every day at meal times he takes four or five glasses of milk and brandy. That is his nourishment. Mr. Vien, despite his 70 years, is in good health and at tends to his daily duties at the factory. During his seven years fast Mr. Vien has increased his weight by 33 pounds. He had twelve children, eight of which are still living.

### MISCELLANEOUS ITEMS.

Life appears too short to spend in nursing animosity or registering wrong.

About a year ago I had an eruption on my face which was of a very itching, burning nature and inclined to spread. I used 2 bottles of Burdock Blood Bitters which cured me completely and permanently. Annie E. Ratter, Peermania, Ont.
