Importance of Keeping Your Blood Purified.

Does your head feel heavy and ache? Your throat dry, nose stopped up and hot, no appetite, little chilly feelings creep along the spine, hands hot, feet cold, tongue furred, eyes burn, you feel sick all over? Ever felt this way before? You won't need any more; they will cure you in a night. Don't wait till you get down on your back, then it will take longer, but even then, these pills will cure in a short time. They promptly remove the congestion of the circulation and drive out the bilious accumulations, restoring harmonious action to the digestive organs, stomach, liver and bowels. Just one day's use of Smith's Pineapple and Butternut Pills will ward off and cure any bilious attack, warm up your spinal nerves, restore the appetite and free the blood of any impurities. SMITH'S BUCHU LITHIA PILLS A POSITIVE CURE FOR RHEUMATISM AND ALL FORMS OF KIDNEY AND BLADDER ILLS. AT ALL DEALERS—25 CENTS. A CURE AT THE PEOPLES PRICE.

FRESH EMULSION

Our Emulsion of Cod Liver Oil with Hypophosphites is the one to buy whenever an emulsion is needed, because it is always fresh. Freshness is important, because a fresh emulsion is more palatable and more acceptable to the stomach. A stale emulsion is also one that has undergone chemical changes that impair its value. For chronic coughs, bronchial troubles, incipient consumption or any other debilitated condition Jamieson's Emulsion is the best possible remedy. For children after whooping cough or the grip we highly commend it. Costs less than foreigners charge.

"BOBS" PRAISES GEN. STOEESSEL

The Distinguished British Commander Calls It "Magnificent Defence"

LONDON, Jan. 4.—General Stoessel's defence of Port Arthur has excited the admiration of Earl Roberts, Commander-in-Chief of the British Forces. "It has been a magnificent defence," said the veteran fighter, enthusiastically. "What a splendid fellow he is, to be sure. How all the world must admire him."

Field Marshal Viscount Wolseley and Major-General Baden-Powell also pay enthusiastic tributes to General Stoessel, General Baden-Powell saying: "It is an honorable surrender after a splendid defence. Major-General Sir Alfred Turner thinks that in the face of such a great blow to her prestige, Russia, to re-stellate herself, will turn her attention to the north-western frontier of India."

The sympathies of the British Press naturally follow Japan, but nothing could exceed the generosity of the tribute paid to General Stoessel's magnificent defence. There is considerable difference as to the lessons to be learned. But most of the writers think the defence was a tactical error, and that the fortress exercised a fatal fascination for the Russian army and fleet, and that had Russia abandoned Port Arthur at the outset she would probably have been enabled to crush the Japanese advance in Manchuria.

On the other hand it is agreed that its enormous strength compelled the Japanese to waste their energies for many months and prevented them from employing their full forces against Kuropatkin, and that immediate effect will be to revolutionize European ideas of the value of the art of permanent fortresses.

Another point exciting keen interest is the status of Wei-Hai-Wei, which according to the treaty, was only to be held so long as Russia remained in possession of Port Arthur. The idea is, however, that Great Britain will continue as Admiral Sir Cyriac Bridge holds this view, and thinks there is nothing to prevent Great Britain from making a fresh convention with China.

NEW YORK "PARTY" AND MRS. CHADWICK

CLEVELAND, Ohio, January 4.—Creditors of Mrs. Chadwick, filed an amendment to their original petition in bankruptcy against her today in the United States District court. It is averred that Mrs. Chadwick committed several acts of bankruptcy shortly after the beginning of her financial troubles. The first of these acts to be complained of was the granting to the savings and deposit bank of Elyria, Ohio, a \$10,000 chattel mortgage on the contents of the Chadwick household. It is further declared that Mrs. Chadwick rented a safety deposit box at a Cleveland bank in the name of Daniel Pine her brother-in-law. It is claimed that at that time she placed a package of valuable securities in the box, and on December 1st, the package was sent to her in New York. This act is complained of on the ground that it was done for the purpose of "concealing and removing a part of her assets with intent to defraud her creditors."

Mrs. Cassie L. Chadwick said today that a formal statement relative to her affairs and financial transactions is in possession of a private "party" in New York City and that it is not to be given to the public until Mrs. Chadwick gives her consent. This action was determined upon, she said, before she left New York. Mrs. Chadwick denied the stories that have been published that she had purchased an \$8,000 automobile and given it away and that she had bought \$1,200 worth of handkerchiefs at one time. The instant effect of her statement now held by the "party" in New York, Mrs. Chadwick said, would be to clear her of all charges.

of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitators have none or they wouldn't imitate. So they trade on the reputation of Dodd's Kidney Pills. Do not be deceived. Can't Afford Ill Health

Cure is Cheap at Any Price—Benefit Certain if You Use

Only the wealthy can afford to be invalids.

They alone can bear the expense of constant attendance by doctors and high salaried nurses.

Your time is your capital, and, whether your daily task is in the home or abroad, you must make every day count or prove a burden to yourself and friends.

Weakness is the greatest source of ill health. Weakness of the blood and nerves, weakness of action of the heart, lungs and digestive organs.

Dr. Chase's Nerve Food is well suited to the needs of a multitude of people because it overcomes weakness, first weakness of the blood and nerves, and through them on the weakness of the organs of the body. It may require a dozen or more boxes of Dr. Chase's Nerve Food to make you strong and well and send the thrill of health through your shrivelled arteries and wasted nerves.

Because Dr. Chase's Nerve Food is a creator of blood and nerve force you can be positive that each box of it is at least doing you some good. Prove this by noting your increase in weight as new, firm flesh and tissue is being added to the body.

Mr. James G. Clark, Fosterville, York County, N. B., writes: "I have been a great sufferer from what the doctors said was neuralgia of the heart. The pain started in the back of the neck and worked down into the region of the heart. Though I had taken a lot of medicine of one kind and another, I could not get anything to help me until I used Dr. Chase's Nerve Food."

"When I began this treatment I could not rest in bed, except by sitting upright, on account of the dreadful pains about the heart and the quick loud beating. The change which Dr. Chase's Nerve Food has made in my condition is wonderful. It has entirely overcome these symptoms and is making me strong and well. If this statement will help to relieve the suffering of others, you are at liberty to use it."

Dr. Chase's Nerve Food, 50 cents a box, at all dealers, or Edmanston, Bates & Co., Toronto. Portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.
