### WIPES KAISER'S NAME OFF STREET.

TORONTO, Nov. 16.—"Wilhelm" as identified with the Kaiser is not considered a suitable name for a Toronto street. To-day a citizen took down the name plate of Wilhelm avenue from the street corner, and presented it to a civic committee together with an emphatic protest. The committee recognized the validity of the objection and promptly changed the name of the street to Sydney avenue, in honor of the Australian cruiser which disposed of the German warship Emden.

**TOWN IMPROVEMENTS.**—Mr. Robt. Moore, Crapaud, has moved into his new residence, situated next to Mr. O. B. Wadman's. This dwelling adds greatly to the appearance of this already fine street, on which several new buildings have been erected in the last year or two. Light will soon be placed on this street near the Crapaud Creamery Co's buildings.

**SUCCESSFUL AFFAIR.**—The ladies of New London Presbyterian Congregation held a very successful supper and entertainment in the hall on Oct. 21st, when the sum of \$71.50 was realized. The sum, less \$3.59 expenses, has been used to purchase a supply of underwear, hosiery, caps, sweaters, flannel, groceries, etc., and with a bale of second-hand clothing donated has been forwarded to the Belgian Relief Fund committee. The ladies of New London are famed for their entertainments and one may expect more of those social gatherings before the winter is over.

**ISLAND OFFERS.**—A Calgary exchange says:—Major E. F. Mason, 103rd Calgary Rifles, has been offered the provisional appointment of second in command of the all Alberta battalion of infantry for the expeditionary army. Major W. H. Hewitt, of Edmonton has been offered the other vacancy as major and it is anticipated he will accept same. He is a most capable officer, having been orderly to the D. O. C., at the annual training during the past two years. Major P. A. Moore of the 15th Light Horse has been offered a captaincy to the adjutant of the regiment. Major Moore has been brigade major for the cavalry brigade at annual training for the past three years. Captain Reginald Stewart, 103rd Calgary Rifles, formerly of Charlottetown, P. E. I., has also been offered a captaincy.

**WEDDING BELLS.**—On Sunday evening, November 1st, a very pretty event took place at St. Ann's Church, when Mrs. Mary Ann Pineaue was united to Mr. Pineaue in the holy bonds of matrimony. Rev. J. A. Gaudet officiated. After the ceremony the wedding party repaired to the home of the bride where a sumptuous supper had been prepared for them. After all had partaken of the well filled supper table, a very appropriate address to the newly married couple was read and was accompanied by a substantial gift. The happy couple, about seven o'clock Sunday evening, left for Charlottetown, where they intend to reside for some time. The Guardian joins with their many friends in wishing Mr. and Mrs. Pineaue a long and pleasant journey through life.

**ST. ANN'S.**—Mr. Frank Peter's, St. Mary's Road, left a few days ago for the United States, where he intends to spend the winter. The condition of Mr. Theophilus Gallant, of Toronto, who is at present laid up with a sore throat, is greatly improved. His friends expect to see him out again in a few days. Mr. and Mrs. Benoit Buote and baby, and also Miss Judith Buote, have recently returned from St. John, N. B., and intend to pass the winter at their old home. Mr. Wilfred Doucette, Rusico, left recently for Rumford, Maine, where he intends to spend the winter. Mr. Frank Peters, of Toronto, has again started butchering. He retained two carcasses last week. The bazaar, held in Rustico hall on November 4th and 5th by the Sisters of Rustico Convent proved a grand success. It is understood that over two hundred dollars was realized. This money goes towards the upkeep of the Convent.

**FIRST METHODIST CHURCH JUBILEE.**—Fifty years ago the Methodist Brick Church on Prince Street was opened for worship and Jubilee Services will be held on Sunday, the preachers for the day being Rev. G. M. Campbell, D. D. of Sackville, in the morning, and Rev. A. B. Simpson, of New York, in the evening. Special music will be rendered by the choir. Mr. Simpson will also deliver a lecture on Monday night, his subject being "A Year of Jubilee." Before the lecture begins, Prof. Thompson will give an organ recital on the big organ from 7.30 till 8 o'clock. Admission is free to the recital and lecture, but a silver collection will be taken after the lecture is over. With reference to Rev. A. B. Simpson, the following opinion by a banker will be of interest: The writer was sitting in the office of the Montana National Bank conversing with the banker when the Rev. J. L. C. Presbyterian Minister entered and addressing himself to the banker said: "The Rev. A. B. Simpson, of New York, has gone to California by the Southern Pacific to lecture and will return by the Northern Pacific to lecture in Minneapolis or St. Paul. If we can stop him here we can fill the largest hall at \$2 or \$3 per head. The banker paused a moment and replied: "The Rev. A. B. Simpson is too big a man to be stopped by a city of 7,000. Helena could not stop him and they have 70,000. Simpson cannot be stopped by any city between California and Minnesota." The case was abandoned. Such was the opinion of a level-headed banker and it shows how fortunate Charlottetown has been in securing the services of such a wonderful man. It honors Charlottetown.

**ARE YOU ENTERPRISING?** There is no travelling cinematograph in Prince Edward Island at present at a time when people are dying to see the "movies." There is a fortune to any enterprising individual who enters this field. Terms for a complete cinematograph outfit with all particulars about its operation, etc., may be obtained by application to the Guardian office. 6158.

**A PROFITABLE BUSINESS.**—There is no more profitable business at the present time than the cinematograph business. Everyone wants to see moving pictures of current events, of the war, of the drama, and so on. At present there is not a single cinematograph travelling the country districts in Prince Edward Island, while the people in the country are crying for entertainment. Any enterprising individual wishing to enter this business and reap a rich harvest can do so for an initial outlay of \$150. A complete cinematograph equipment for use in town or country may be obtained for that amount. Particulars may be obtained by application at the Guardian Office. 6157.

**CRAPAUD.**—It is understood that the Commissioner of Public Works has assured the people that a new steel bridge will very soon be erected on the North side wide enough to permit two teams to pass on it. Everyone will be much pleased to hear this assured as the old one now is unsafe to travel on. A few days ago, Mr. William Albeck, butcher of Crapaud, killed a nice figure of a pig in Charlottetown. Some time ago electric lights were installed in the Methodist Church here which have given perfect satisfaction and reflects great credit on George E. Leard and Son, who operate the electric plant. Mr. Robert Moore killed a pig last week which was only about six months old and weighed three hundred and twenty three pounds (223 lbs.). Who can beat this? All the fox companies here have paid fine dividends this fall notwithstanding the war and more new fox companies have been formed here and in vicinity this fall and summer.

**PASTOR RESIGNS.**—The following clipping is from a Philadelphia exchange and Mr. Champion referred to is a brother of Dr. J. B. Champion Tyne Valley, and visited this Province last summer: The Rev. Mr. Champion presented his resignation to the trustees of the church last night, and it was accepted with regret. As a farewell gift to Dr. Champion the trustees and congregation presented him with \$500 in gold. The resignation will take effect December 15 and

**WEDDING BELLS.**—An interesting event took place in Mont Carmel Church on Tuesday, Nov. 3rd, when Mr. Jerry Downing, of Boston, Mass., son of Mr. Joseph Downing of St. Timothy was united in the holy bonds of matrimony to Miss Emma Gallant, daughter of Mr. Antoine Gallant of Cape Egmont, Rev. P. P. Aresnault officiated. The groom was supported by Mr. Sylvain Gallant, brother of the bride, and Miss Lucy May Downing acted as bridesmaid. After the ceremony the bridal party proceeded to the home of Mr. Peter Downing, brother of the groom, where they partook of a delicious dinner. Late in the afternoon the happy couple accompanied by many friends and relatives went to the home of the bride and after sharing of the delicious bride proceeded to enjoy the evening in a most suitable way. The music played was varied and of an entrancing nature. Songs and choruses were sung by the youths who displayed great musical ability. The bride and groom were the recipients of many worthy and beautiful presents. The happy couple after a few days stay

with their friends and relatives in Mont Carmel, took their departure for Boston amid wishes of a happy life and an enjoyable trip across the border where they will be greeted by their friends.—R.

**A SPLENDID GIFT.**—Readers of The Guardian will no doubt be surprised and pleased to note the philanthropy of Messrs. Miller Brothers, music dealers of this City. This firm has presented the Patriotic Fund Committee with one of the latest model Louis design Karn-Morris Pianos. They were also insistent upon the Committee electing some one to select and examine the instrument before the announcement was officially made, for fear some might misconstrue the liberality of their offer. Prof. Frank T. Watkins, Organist of St. James Presbyterian Church, City, was selected as one who is eminently qualified to represent the Committee. Upon visiting Miller Brothers' show room, Mr. Allan Forsyth of that firm gave him permission to select the best instrument of the above manufacture. Mr. Watkins unhesitatingly recommended piano number 15,195. His letter to the Committee eulogizes Miller Brothers for promoting the offer, and pronounces the instrument presented to the Patriotic Fund Committee as "being a really splendid example of a modern type of piano." His letter in The Guardian and the announcement made by the Committee should be followed with interest by everyone. The Committee has decided that the best way to dispose of this piano would be to advertise it at auction, the highest bidder securing the instrument, the money realized by the sale to be added to the Patriotic Fund. Every per-
