

WILLIE'S PROPELLER GAVE THE MINISTER A QUICK ROLL

Dear Tommy: This is a diagram of a contrivance to help you roll. It runs almost twenty minutes

I was having a lot of fun in front of the house, when Papa and the Minister came out

The Minister used to be a fine skater, and Papa dared him to try it.

So he put the skates on and started. But I must have wound it up too tight,

As it did all kinds of stunts with him

And kept right on running after he fell down.

Yours, Willie.
