TORTURING SCIATICA.

A Severe Case Cured by Dr. Williams' Pink Pills.

Fierce darting pains—pains like red hot needles being driven through the flesh—in the thigh; perhaps down the legs to the ankles—that's sciatica. None but the victim can realize the torture. But the sufferer need not grow discouraged for there is a cure—a sure cure in Dr. Williams Pink Pills. These pills make new blood, this new blood feeds and strengthens the nerves and frees them from pain. The pain is banished to stay banished—the cure is complete. Mr. Chas. B. Maclean, a prosperous farmer near Brockville, Ont., has being cured of a severe case of sciatica and wishes other sufferers to hear of his cure that they may benefit by his experience. He says:—For upwards of five years I was a periodical sufferer from sciatica. In the morning while getting up I would be seized with agonizing pains in my hips. Sometimes these pains extended down one leg, sometimes down the other; often down both. The pain was terrible, imagine the agony caused by a red hot spike being driven through the flesh. That was just my feeling when the sciatica was at its worst. Often while carrying water to the horses the pain became so acute I had to drop the pail in the middle of the yard. I followed doctor's treatment but with slight relief. I then tried rheumatic plasters and liniments but these did not help me at all. Then I decided to give Dr. Williams Pink Pills a trial. At first they did not help me but as they had been so highly recommended I persisted in the treatment and gradually noticed a change in my condition. The pain became less severe, I felt stronger and my appetite improved. I think I used the pills about four or five months before I was completely cured, but though that was two years ago I have not since had the slightest return of sciatica. I think Dr. Williams Pink Pills are a marvelous medicine and so does my wife who used them as a blood builder. She says they have no equal and never wearies of praising them to her friends." Good blood is the secret of health—Dr. Williams Pink Pills the secret of good blood. That is why they cure sciatica, rheumatism, St Vitus dance, heart palpitation, indigestion and the ailments common to women and growing girls. Sold by medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from The Dr Williams Medicine Co, Brockville Ont.

THE KING'S COUNTY GUARDIAN

Branch Offices in Montague, Souris and Georgetown

Archibald and Mrs. McKenna, Pictou, are registered at the Revere Hotel, Georgetown.

The Stanley's cargo from Georgetown to Pictou this morning includes one car hay, 50 bags oats, four cars way freight and one horse.

His many friends will regret to learn of the serious illness of Captain D. McKinnon of the Dominion Government Steamship Brant.

Professor Sinclair, who has spent nearly four years studying in Germany, arrived in Montague on Thursday to visit his parents, Rev. R. G. and Mrs. Sinclair.

The Stanley arrived at Georgetown from Pictou yesterday at 10:30 a. m. with 25 passengers, 2 cars way freight and 1 car lumber for the Prince Edward Island Railway.

Mrs. (Prof.) Hamilton, New Glasgow, N.S. crossed to Georgetown by the Stanley on Wednesday, to visit her brother Harold Peardon, Montague, who has been seriously ill.

There will be a series of races in the Montague Skating Rink, on Monday, Jan 28th, under the auspices of the Montague Brass Band consisting of team race, four races; girls' race, five laps; blindfold race three laps; speed race, half mile; obstacle race, sail and barrels; hurdle race, over six hurdles; blindfold catch, for two coins; and irregular post race, three laps. There will be an hour's skating at the close of program with the band in attendance. Doors open at 7.30. Admission 20c.

The residence of Mrs Uriah Matthews, Souris, was the scene of a very pretty wedding at half past eleven Thursday morning, when her daughter, Miss Ella, became the wife of Fred S McDonald, V S. The ceremony was performed by Rev Mr Johnson, Methodist clergyman, in the presence of the near relatives of the bride and groom. The bride was attired in a costume of grey silk with picture hat and carried a bouquet of white roses and maiden hair ferns. Her travelling suit was of blue broadcloth. Mr. and Mrs. MacDonald left by the Minto yesterday on a honeymoon trip to Ottawa and other cities. There were many handsome and valuable wedding presents, including a Morris chair to the groom from his fellow members of the choir of the Presbyterian Church.

The Guardian's correspondent in the east writes: Another of our old landmarks has joined the great majority. On the evening of the 21st, there suddenly passed away, Daniel Munn, aged eighty-nine years and five months; many days past man's allotted span, leaving a new generation, new ideas and new actors on the stage where he once played his part. He was a son of the late George Munn, one of the immigrants from Perthshire Scotland, in the early years of the last century. His two brothers John and Captain Archibald predeceased him many years ago. Archibald having died at sea, is buried at Port Royal,, South Carolina. One sister Mary is also dead, and two survive, Isabelle at home, Mrs. Bell at Stanley Bridge.—Some drifting ice is now around East Point.—High winds have piled the snow in banks in some places and bared ground in others, leaving poor roads for business or pleasure.—Our fishermen are still catching some smelts.—Theodore Stewart has moved up to fish on South Lake, and is meeting with a fair share of success.—The farm of the late Alexander Beaton at the extreme Bas Point, has been purchased by Laughlin McDonald, Prospect Hill.

Your Every Drug Want can be supplied by us. "Just out", is seldom heard around this store. We keep our stock complet by frequent renewals. Every article is as represented or money back. "The two Mac's," MacDonald & MacKinnon, druggist, Cor. Gr. Geo. and Kt. Sts.

THE VALUE OF CHARCOAL.

Few People Know How Useful It Is in Preserving Health and Beauty.

Costs Nothing To Try:

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing purpose.

Charcoal is a remedy that the more you take of it the better, it is not a drug, at all, but simply absorbs the gases and impurities always present to the stomach and intestines and carries them out of the system.

Charcoal sweetens the breath after smoking, drinking or after eating onions and other odorous vegetables.

Charcoal effectually clears and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe cathartic.

It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the poison of catarrh.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Charcoal Lozenges; they are composed of the finest powdered Willow charcoal, and other harmless antiseptics in tablet form or rather in the form of large, pleasant tasting lozenges, the charcoal being mixed with honey.

The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the beauty of it is, that no possible harm can result from their continued use, but, on the contrary, great benefit.

A Buffalo physician, in speaking of the benefits of charcoal, says: "I advise Stuart's Charcoal Lozenges to all patients suffering from gas in stomach and bowels, and to clear the complexion and purify the breath, mouth and throat; I also believe the liver is greatly benefited by the daily use of them; they cost but twenty-five cents a box at drug stores, and although in some sense a patent preparation, yet I believe I get more and better charcoal in Stuart's Charcoal Lozenges than in any of the ordinary charcoal tablets."

Send your name and address to-day for a free trial package and see for yourself. F. A. Stuart Co., 56 Stuart Bldg., Marshall Mich.

"I find that writing-in-sight distracts the operator's attention from the notes, and I prefer the Smith Premier method as the one adapted to the greatest speed, efficiency and convenience." A. Milne Fraser, 157 Hollis St. Halifax, N. S. 1-24d3i

Through an error Messrs. Moore & McLeod were made to announce in a recent ad. that they proposed holding a remnant sale "every Friday." Much as they would like to duplicate the enormous business done yesterday—they report that a weekly remnant sale is out of the question—as there are limits to the number of remnants accumulated even in a store as busy as theirs. Messrs. Moore & McLeod ask us to make this explanation on account of the large number of Guardian readers who were unintentionally misled by the statement referred to. 1 26d1i

This is a Stock Reducing Ad.

During the next month or so we will give the closest prices on druggists' sundries such as combs, hair brushes, tooth brushes soaps, sponges etc. New stock hot water bottles and other rubber goods just opened, included in this sale.
