DAIRY PRODUCTS ARE HEALTH INSURANCE. THE PURE MILK CO., LTD. ESTABLISHED 20 YEARS. A continuous tradition of care, skill and consideration for their product through 20 years of service to the citizens of Charlottetown and district is the record of which THE PURE MILK CO., LTD., is justly proud. It is the policy of this concern to not only produce milk and cream that will meet with specified requirements, but high-quality dairy products that only modern machinery and consideration for their product can produce. The PURE MILK CO. LTD. under the management of the president, Mr. C. M. Cox, is a local establishment which is clean and sanitary throughout and it has always been their endeavour to give the people the best that can be had in dairy products. Their well-known brand of "Garden City" dairy products are clarified and pasteurized, and for this they have strictly modern machinery. "A bottle of milk is a bottle of health" is an expression of today that is quite in order. Food experts are especially recommending dairy diets today. Everywhere school and health authorities are encouraging that milk be served at schools to the children. Serve milk at meal times and between meals, too, to the entire family. Milk constantly used builds health and vigor in the frailest bodies. Order extra milk today from THE PURE MILK CO. LTD. FENNELL & CHANDLER Operating Real Hardware Business. The hardware merchant of today is a community distributor of utility merchandise and has displaced the old time dealer who was primarily a mechanic's headquarters. Not many years ago only men who made their living with tools and machines found what they needed at the hardware store. But the hardware business, like all else in a modern world, has changed as a result of keeping step with the times. Today very nearly 50 per cent of hardware merchants' customers are women. To stock all the innumerable items required pertaining to hardware, calls for experienced buying and requires large expenditures. Just stop in at FENNELL AND CHANDLER'S HARDWARE, 153 Queen St., in Charlottetown, and start counting the various items found there. You will see that the number is amazing and the task of counting them almost an impossible one. They have everything in the hardware line that could be needed in Charlottetown and surrounding district. FENNELL AND CHANDLER are a well-known establishment, being founded in 1892 by the late Robert Fennell and Charles H. Chandler, who at the age of 84 still takes an active interest in the business. The present manager, M. R. Chandler, has a great deal of experience in the hardware business. This advantage is passed on to the customer. They have just about everything in cutlery, tools, shelf hardware, paints, oils, varnishes, garden tools and supplies.
