MADAME BONVINI

The well-known Prima Donna Soprano, Speaks of her Cure of Nervousness by the use of Milburn's Heart and Nerve Pills.

Madame Palmira Bonvini, whose residence is 401 Jarvis St., Toronto, Ont., is well known as an operatic singer and teacher of vocal music and voice culture.

Before coming to Canada she was a most successful teacher in Liverpool, Eng., for fourteen years. Here are a couple of clippings from the press of that city.

"In the 'Miserere Scene' Madame Palmira Bonvini was particularly successful, such troubles, and determined to give a trial—with what success you will see from the following account she gives of her cure.

"I take much pleasure in recommending Milburn's Heart and Nerve Pills as a cure for neuralgia and nervousness. For a considerable time I could not attend to the duties of my profession properly in consequence of these troubles.

After using Milburn's Heart and Nerve Pills for a short time I experienced a change for the better. I felt that my nerves were being toned and strengthened, and I was able to sleep soundly and get up early in the morning. Now I am in excellent health and spirits, and every trace of neuralgia and nervousness has completely disappeared.

Milburn's Heart and Nerve Pills cure the troubles that afflict Madame Bonvini, but are also a most valuable remedy for palpitation of the heart, indigestion and smothering feelings, headache and feet, dizzy and faint spells, nervousness, nervousness, anemia, pale complexion, weakness, run-down system, St. Vitus' dance, partial paralysis, general debility.

They are also invaluable for strengthening their system, and correcting all irregularities. Nursing mothers will find them of benefit in keeping their blood pure and maintaining their strength. Women who are at the "turn of life" need something to help them over this trying time, and there is nothing better for this purpose than Milburn's Heart and Nerve Pills. They strengthen the nerves and relieve those feelings of dizziness, flushes, pin-and-needles in the hands and feet, which are often the forerunners of paralysis.

Milburn's Heart and Nerve Pills are sold by all druggists at 50c. a box or 10 boxes for \$1.25, or sent by mail on receipt of payment by addressing T. Milburn & Co., Toronto, Ont.

That Hang-on Cough

only needs to be attended to in a proper and thorough manner to be eradicated entirely from your system. Lintiment rubbing and flannel wraps about the chest and throat are good enough; but they are not sufficient, they don't go deep enough. The root of the disorder is pulmonary weakness—build that up—strengthen it with Adamson's Balsam and your Cough is Cured.

PEOPLE USED TO SAY TO THE DENTIST

"I WANT A SET OF TEETH." And no thought was given to the arrangement, contour, etc. Now it is different. The comfort, health and appearance depend upon dental skill in constructing and properly fitting an artful substitute for the natural teeth.

To determine the most desirable material for the base or plate in each case the Dentist's skill is called upon to advise. In fitting and constructing the highest mechanical art only can effect the most thorough efficiency and comfort in all the offices that teeth must perform. Our experience in this work. Our superior mechanical facilities. The fact of this branch of our business being in charge of an expert justify the assertion that we can replace the natural teeth as nearly as it is possible for skill to accomplish. All who contemplate wearing artificial plates desire to know something of their manufacture. We are always glad to talk about our work and show examples of many of our interesting cases.
