### EDITOR'S MAIL

Bit—What might have resulted in a serious accident or something worse, happened at Kensington Thursday evening, Nov. 3rd. As the Express train from Summerside was pulling into the station an intoxicated man on horseback drove on the station platform among the passengers who were there to take the train and faced his horse towards the train. Only that a bystander caught the horse and turned him away it is very hard to say what the outcome might have been. This man should have been arrested there and then. What is worse, he was there to take the train and faced the horse towards the train. Drunkenness is certainly on the increase here, worst for years, and something should be done and at once to check it.

## HAD KIDNEY TROUBLE.

COULD NOT CROSS THE FLOOR PAIN WAS SO GREAT.

Miss Hazel Hess, Winchester Springs, Ont., writes: "I was troubled with my kidneys for five years. They were so bad, at times, I could not cross the floor for the pain. The doctor could not do me any good and a friend advised me to use Doan's Kidney Pills. I bought six boxes and now I have been cured for over four years. I will recommend them to every sufferer."

Doan's Kidney Pills are a purely vegetable medicine, realizing quick, permanent relief, without any after ill effects. A medicine that will absolutely cure backache and all forms of kidney and bladder trouble.

The Willis Piano is Canada's pride  A Willis piano was selected by The Guardian as a Grand Prize in their contest, they were looking for the best and were not satisfied with anything inferior. The Willis has a tone that delights all and entralls and captivates the musician, it has a handsome finish that will please the eye and for thorough honest work it is the best that modern skill can make. No trouble or money is spared in making the Willis a superior instrument. It makes a good impression on first acquaintance, but it's on long and continued use that the Willis proves its worth.
