At the suggestion of the secretary, Mr. Layton Profit, it was decided that each week a different member take notes on the results of the discussion. Mr. LeRoy Campbell was appointed for the current meeting. Layton Profit invited the members for the next meeting. Mrs. MacLeod served an attractive lunch at the close of the meeting.

—INJURED BOY IMPROVING—The condition of ten-year-old Garth Harris of Summerside, who was injured in the Prince County Hospital with concussion of the brain, was reported last evening as good. The young lad, who is a son of Mr. and Mrs. Allison Harris, Cedar Avenue, and is recovering with some bumps on the head, was discharged on Wednesday afternoon about the residence of Mr. H. T. Holman on Beaver Street. He attempted to climb a drain pipe to a second story balcony and had almost reached it when he lost his hold and fell, striking his head on the cement drain-off below. He was immediately rushed to the Prince County Hospital for treatment.

—HOME BEREAVED—The death of Augustine Lecky of Mischoke on October 31st was a cause of sorrow to relatives and neighbors. He was 61 years of age, a widower. He was the son of the late David Lecky and Mary Jane McNeill. He lived all his life in Mischoke and was one of its most prosperous and up-to-date farmers. Every activity that benefited either church or community found in him one who was interested and helpful. His word was as good as his bond. His parents both died some years ago but two brothers survive: Kenneth at Lot 46 and Linus at home. There are also three sisters: Mrs. Albert Kincaid of Mischoke; Ellen at home and one who lives in Washington, D.C. His funeral on November 3 followed the custom in which he was cremated. The Rev. Martin Monaghan celebrated the funeral Mass and Rev. D. K. Kelly officiated at the grave.

—CONFERENCE APPRECIATED—Mrs. F.R. Nauss represented the Kensington branch at the Maritime Conference of the Home and School Association, held at the Brunswick Hotel, Moncton on Friday and Saturday. Only three other delegates attended from this province, Mrs. J.P. Lantz, in whose car the party traveled; Mrs. W.E. Scantlebury and Mrs. Julian Herring, all of Charlottetown. The three provinces sent 42 delegates, who were introduced to the others by their respective leaders, Dr. W.E. Shaw of P.E. Island, Professor L.A. DeWolfe for Nova Scotia, and Mrs. A.B. Connell, president of the New Brunswick federation. The choice of Mrs. Nauss, as delegate to this conference, was an excellent one for child study has been one of her favorite hobbies, for the past 30 years and her mind was fertile soil for impressions planted by the informal, but deep and far-reaching discussions, crowded into the hours at Moncton. She describes the conference as a "complete short course in education" and the outstanding feature she found to be the idea of the school as the community centre, quoting the word of an authority on the

subject, she said, "To give the community the new look, make the school the community centre." Mrs. Nauss is deeply grateful to Mrs. Lantz and the other Charlottetown delegates for including her and for the very fine way in which they accepted her as one of their group. Enroute, they visited Port Elgin's new Regional High School and found it so modern, as to seem by comparison old standards, almost phenomenal. Mrs. Nauss said she "could write pages" describing the various departments of the school which is up-to-date to the last degree. Especially striking was the pride of the teachers in showing all parts of the building, without reservation, to the visitors. The party returned to the island on Saturday evening.

—DANCE A SUCCESS—The masquerade dance at Burlington on Monday evening was well patronized and a number of characters such as "devils," "officers" and "oldtimers" made an interesting scene on the dance floor. The judges who were Mrs. Fred Profit, Miss F. Bryant, Mr. Harold Champion and Mr. Roy Bryant found it difficult to decide on the winners. Mrs. Gordon Bryant was a "devil" and Mrs. Herdson Mann as a "bride" tied for first prize, with Mrs. Bryant winning the draw. Mr. Leonard Reeves was a prize winner with a good characterization of "grandpa."

—PERSONALS—Mr. and Mrs. James H. Andrews and sons Robert and Jimmie, Hunter River, visited Mr. and Mrs. Borden Campbell and Mr. and Mrs. Robert Stavert, Burlington on Sunday.

—Mrs. William Cousins, Burlington, returned to her home on Wednesday after spending the past two weeks with her daughter and son-in-law, Mr. and Mrs. Rex Kieley, Charlottetown.

—Mrs. Justin McIvor has left on return to her home in St. John, N. B., after spending the summer months at the home of her parents, Mr. and Mrs. Ollie McCarville, in Pictouville. She was accompanied by her two children, Paul Justin and Elmer.

—Mr. T. E. Hickey, C.A., president of the Board presided at the meeting.

At the regular monthly meeting of the Summerside Board of Trade, held last evening, His Worship Mayor J. F. Arnett stated that at the present time negotiations are going on regarding an exchange of the property known as the Saunders property and the lot of land known as the Allen lot south of the public gardens. Mayor Arnett said that Federal authorities were much interested in the proposed exchange as it was their opinion that the Saunders property was especially striking in the view of the teachers in showing all parts of the building, without reservation, to the visitors.
