DALVEY BY THE SEA

To Be Opened On June 15th As A First Class Summer Resort

From early last Fall right up to the present, carpenters, painters and men working on approaches have been busy getting one of the most beautiful of all Summer hotel situations into shape for the opening on the 15th. The Building has been gone over thoroughly and remodelled. It has now thirty bedrooms, with six baths, running water, electric lights, large dining rooms and a spacious place for dancing. It has been talked of many years as to the prospects of Dalvey becoming a Summer Hotel and at last someone has shown enough enterprise in adding another well equipped place for people to go to in Summer. Pages could be written describing the site, the beach, the bathing. The beach may be well known as the Daytona of Prince Edward Island because many will remember speed contests of automobiles at low tide in the past when cars traveled as fast as thirty miles an hour. The management have completed a new road close to the old one and also roads accessible to the hotel and beach. Dalvey has been the scene of many fashionable festivities in the past and again it is going to be a place of enjoyment. Capt. Dicks, the new proprietor has had much experience in this work and states that there is no limit as to what improvements he will make next season if the hotel "goes over" well this season.

WE THE UNDERSIGNED blacksmiths will close Wednesday afternoon at 12.30 during summer months: P. J. Sentner, H. E. Ford, R. G. Acorn, Proud and Moreside, Peter Gallant, Gallant Bros. 5165-6-10

GET READY FOR EXHIBITION, August 17th to 21st. Arrangements are being made for the biggest show on record. Get new prize list and commence fitting your stock. J. W. Boulter, Secretary, Charlottetown, P. E. I.

Has Equipment for Dyeing Shoes

Equipment for dyeing shoes is an innovation at Jimmie's Shoe Shine Parlor, on Queen street. Here it is possible to have the shoes dyed in any colour desired, the colours of a dress, or any popular shade or shades. The parlour has for men, shoe shine chairs at which prompt and efficient service is rendered. There are two ladies' chairs in a separate room.

In addition to his shoe shine business, Mr. Power carries a full line of smokers supplies and confectionery. Dunhill's pipes, tobacco and cigars which are becoming increasingly popular in the City, are much in evidence. Hans pipes are also a popular line.

Jimmie's taxis, which are now five in number, have long been noted for dependability, and comfort. The chauffeurs are now in uniform and are always on the job. Punctuality and promptness in response to calls have won for Jimmie's Taxis a reputation for reliability.

The advertisement of Mr. James Power appears today on the Publicity Page.

"Spring brings renewed hope," says an essayist. We thought so; we had another letter from our tailor yesterday.
