

Municipal Debentures

are accepted by the Provincial Government in lieu of cash as a deposit by ultra provincial Insurance Companies operating in British Columbia. Various other cases might be mentioned where municipal securities are regarded as a most substantial form of investment.

In them you secure the first essential in a safe investment—the stability of principal. Following closely the recent speculative boom throughout Canada, investors are now placing their funds in revenue producing investments.

Municipals offer both security and yield and interest coupons are met promptly. They can be secured in various denominations of from \$100 up and at various rates.

Come in and talk it over with us. Such a conversation places you under no obligation.

NOT KNOWN IN VANCOUVER.

SHELBURNE, June 26.—A man
giving the name of W. H. Adams ar-
rived here last Saturday and claim-
ed to be on a walking tour from
Vancouver to Yarmouth. According
to his story he represented the Van-
couver Athletic Association. On
leaving town he neglected an im-
portant little bit of business—the
settling of his board bill and the
payment of one dollar borrowed
from the boarding house master,
The Gazette and Coast Guard im-
mediately wired the chief of police
at Vancouver concerning the man
and received the following reply:
"Adams unknown, not authorized to
represent the Vancouver Athletic As-
sociation."
