STURGEON SCHOOL FAIR
The Sturgeon school Fair was held on Friday, Sept. 19, and was about the largest ever held in this centre. There being in estimation about four hundred in attendance. The schools taking part were: Sturgeon, Albion, Gaspereaux, Pembroke, Cambridge and Panmure.

After the judging (which was done by Mr. Reeves, Mr. Shaw and Mrs. Stewart) the people were called together by the president. Mr. Shaw then spoke about the excellent display and orderly arrangements of exhibits and complimented the children on the splendid show of exhibits. He also said in his speech that he did not know where dishonesty could be created in a school Fair, unless the fault was with the parents rather than with the children, because they knew where their children got their exhibits.

Mr. Shaw's remarks were followed by Mr. Reeves and Mrs. Stewart who spoke about the selection of exhibits and complimented the children on their work.

We were also honored by having with us, and to speak to us, the Premier, Howard McDonald, Mayor McDonald and the Rev. Theo. Gallant. After remarks from these men, everyone went out to the playground where old and young enjoyed the sports.

The Ideal Woman

Strong, healthy and beautiful in form and feature with a happy disposition. Upon her condition depends the physical well-being of her children and the happiness of those about her. It is only by making the best of herself that a woman can give her best to the world. When weak and ailing there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound made from roots and herbs which for fifty years has been restoring the women of America to health and happiness.
