## Results of Milk Fund Heavyweight Carnival in N. Y.

(Canadian Press.)

NEW YORK, May 13.—Jess Willard and Louis Firpo, emerged yesterday afternoon victors in the two main bouts of the Milk Fund heavy weight carnival in the Yankee Stadium before about seventy thousand people.

Willard scored a technical knock out over Floyd Johnson, Iowa, after seven rounds of the most spectacular battling of the afternoon, while Firpo knocked out Jack McAuliffe, 2nd, Detroit in the third round.

Jack Renault, Canadian champion, won on a foul from Fred Fulton in the fourth round.

"Tiny" Jim Herman of Omaha, knocked out Al Reich, New York in the sixth round, and Harry Drake, England, won the decision over Joe McCann, Newark, in their four round bout.

Game to the core, but unable to withstand Willard's ponderous attack, Johnson went down heavily as the bell rang for the eleventh.

He was carried to his corner and was unable to come up the next round. Up until that time both men fought at a terrific clip and several times Johnson seemed on the verge of going down. He was twice saved by the bell.

McAuliffe showed little outside a brief spurt in the first round and was in distress in the second. Firpo showed more defensive skill than at any time he had boxed in this country, while his tremendous punching power was undiminished.

## Baseball Season Opened Saturday

On Saturday afternoon at Victoria Park, the first senior game of baseball of the season was played between the League of the Cross and St. Dunstons University teams and resulted in a win for the College boys by a score of 12-8.

The game, although only going seven innings, on account of rain, brought out some real good ball on both sides and from the game of Saturday, the fans should see some good exciting baseball contests this season.

Saturday was not an ideal day for baseball, as it took longer for the pitchers to get to their wings into shape, however, it was a good game for a starter. Even in the big leagues the scores have run higher in the first games, and in all probability before the season has advanced too far, there will be games played here that will bring smaller figures in the scoring at the end of the ninth.

There should be a rule in baseball to get started in time to run the full nine innings, otherwise it should not be called a game, fans who have to wait for half an hour before the game starts and then only see seven innings that rarely is not what the game calls for.

Baseball needs a big boost, and the only way to get the fans interested is to show them some action both in taking and coming from the field and in getting the games started on time.

Now that baseball has started, why not have a league formed, also give the boys some regular practice, so that Charlottetown will be able to put up a good game against visiting teams this season.

The following was the line-up:—

S. D. U.	Catcher	L. O. C.
Gillis	McAleer	
Doyle	Pitcher	
Kennedy	1st Base	V. McQuaid
Cameron	2nd Base	McCary
McAulay	3rd Base	Joseph
Kiggins	Short Stop	Bradley
Murphy	R. Field	P. McQuaid
Gallant	C. Field	Howatt
O'Brien	L. Field	McDonald
		Dillon

Mr. Frank McDonald as umpire and Mr. Lorne Howatt, as base judge, performed their duties satisfactorily to all.

# Why You Can Afford To Own a Chevrolet

## There Are Many Sound Reasons Why You Can Afford to Own a Chevrolet.

1. PRICE—Chevrolet is the world's lowest priced, fully equipped, quality car.
2. UPKEEP—The cost of operating Chevrolet is lower than that of any other car built. Gasoline mileage is very high. Frequent reports reach us of over 30 miles to the gallon. Oil consumption is proportionately low. Tire mileage is a maximum.
3. PERFORMANCE—Chevrolet is sturdily built to do anything and go anywhere possible with any car, and it will go where many others cannot. The valve-in-head motor is powerful, flexible and quick in the "pick-up."
4. APPEARANCE—Chevrolet is designed with beautiful stream-line bodies. The finish is of the highest grade and extremely durable. Chevrolet closed cars have Fisher bodies—the finest procurable and one with quality written in every line.
5. SERVICE—Over 1500 Dealers and Service Stations in Canada are in a position to offer Chevrolet maintenance service on a flat rate basis.
6. VALUE—Chevrolet gives you the best transportation per dollar invested that you can buy. Economy in first price and the lowest operating cost provide a value that stands first in comparison with any other car.

At this low cost Chevrolet is necessary to you in order that you may invest your greatest capital—time—to the greatest advantage in present-day competition with your fellowmen.

Prices are as follows: 2-passenger Roadster \$695; 5-passenger Touring \$710; 2-passenger Utility Coupe \$910; 5-passenger Touring Coupe \$1115; 5-passenger Sedan \$1125.
