INTERCOLONIAL CLUB OF BOSTON INTERESTED IN DEBATE

A golden opportunity will be offered to all members of the Intercolonial Club of Boston, and the Lady Associates on Wednesday, October 27, 1926, at 8 p. m., in the Colonial Hall, 214 Dudley Street, Roxbury, in the form of a debate: Resolved: That Canada be merged with the United States of America.

The affirmative will be argued by Hon. William J. Macfarlan, former Mayor of Gloucester, Massa-

chusetts, and Mr. Donald K. MacKay, A. B., of Quincy, Massachusetts, both gentlemen being of Canadian extraction. Mr. MacKay is a graduate of Dartmouth College and is a first-year student in Harvard Law College, and he was selected by Dartmouth for the debating team that defeated the Oxford-Cambridge debaters in 1925.

Two eminent Canadian speakers will be here to take the negative side, namely, Hon. C. Gavin Duffy, Ex-Speaker of the Prince Edward Island Legislative Assembly, Lawyer, of Charlottetown, and Major James E. Madden, former member of the Dominion Parliament, Lawyer, World War Veteran, of Sydney, Cape Breton. The subject is of vital interest to all and is one that was given extensive publicity by the Boston Press. It will be recalled that former Governor of Massachusetts, the Hon. Eugene Foss, dealt with this subject and it will be exceedingly interesting to hear both sides of this subject discussed.

Spread Happiness on Hallow'en

Hallow'en is a time of jollity and fun for children, and certainly the home that is provided with one of Moir's big boxes of XXX assorted chocolates will be a home radiating happiness and laughter.

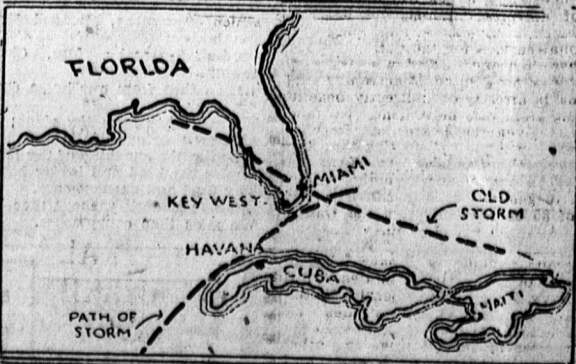

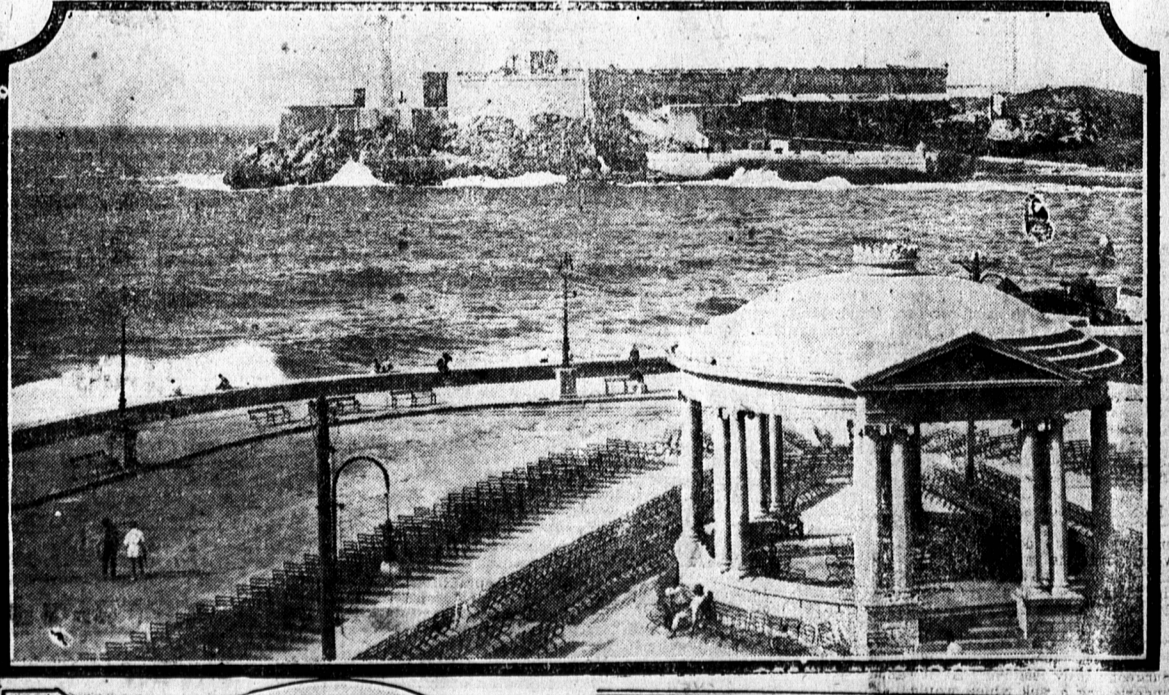

The purity of Moir's makes them the best for children; their tantalizing flavours make them the most popular.

It's a sure thing that a 5 lb. box will not be too many.

Upper is shown the Havant, Cuba, harbor with the Malecon boulevard in the foreground, which was visited last week by a serious hurricane. At least 1,200 were reported hurt. No Canadians are reported in the casualties, which may be exaggerated. Lower left is a street scene in the Cuban capital. Lower right shows the path of the storm, as compared with the recent and more serious storm.
