GRIFFITHS STADIUM Oct. 4.—The New York Giants defeated Washington and Walter Johnson, Saturday in a twelve inning battle that opened the 1924 world series. The Giants won 4 to 3 in a desperately fought contest, only after the Senators had tied the score in the ninth and staged a spectacular rally in the final inning. The Giants clinched the game in the twelfth, when Johnson weakened and two runs were scored on three hits, two bases on balls and a sacrifice fly. But the Senators came back in their last turn at bat, scoring one run on an error and successive hits by Harris and Rice, who however was thrown out trying to stretch his hit into a double; with Harris on third, Goslin ended the game by being thrown out at first.

FRANK COX FINISHES 2ND IN 45 MILE BIKE RACE

Young Abegweit Cyclist Made Surprisingly Good Showing.—Hugh Minello of New Waterford Who Led Over The Line, Negotiated the Course In 2 Hrs. 22 Minutes.

HALIFAX, N.S., Oct. 5.—Handicapped by necessity of changing tires during his trip from Windsor Hugh Minello, crack New Waterford wheelman, led large number of contestants across finish line at the Willow Tree, time 2 hours and 22 minutes, in the Annual Herald and Mail Bicycle Race, held yesterday, Frank Cox, Charlottetown secured second place with E. Spriggs, Halifax, J. Dunphy, Halifax, and Leo Minello of New Waterford, following respectively.

Many hundreds gathered at Willow Tree to see the finish of the race, and tumultuous applause greeted Minello as he crossed the line with a good lead on all the other competing cyclists. About 20 miles out an accident to his tire occurred and he was forced to make a change.

The victor when he crossed the line, showed little strain from the gruelling 45 miles, which he had travelled. Due to the absence of rain during the past few days the roads were in good condition.

G. H. Shaw, the oldest and K. Mahoney the youngest of competitors were 15th and 16th respectively and were riding close together. Minello's time of 2 hours and 22 minutes is eight minutes within George Walker's time of 2 hours and 14 minutes. Walker the present title holder did not compete this year.

SATURDAY'S RACING BEST OF THREE DAY'S MEET

2.18 and 2.24 Classes Furnish Spectacular Driving Finishes in Every Heat.—Our Peggy, Colonel Aubrey and The Drift Were the Winners

Only a moderate attendance of spectators were present on Saturday afternoon to witness the final day's racing held in connection with the Provincial Exhibition. The weather was beautiful and the track in excellent shape. Special mention must be made of the happy idea of the utilization of Love's Transfer for brushing the track between heats. This method was so much faster than the horse-drawn apparatus of former days that the track could be completely brushed over between heats. We predicted all along that Saturday would be the banner racing of the three days, and those who were privileged to witness it will not soon forget the spectacular drives and thrilling finishes. The 2.18 Class Trot and the 2.24 Class Trot furnished racing equal to any seen here for many years. The drivers of the winners and those second to them using every ounce of energy they possessed to land their horses first to the wire. People in the grandstand were frequently on their tip toes shouting and calling encouragement to their favorite horses. Racing such as took place on Saturday will make the sport popular every time.

2.18 Class Trot, Purse \$500.00. There was a great deal of interest taken in this race owing to the fact that all the starters in it were well known race horses who had made good campaigns. Each of the horses had its own coterie of admirers who were steadfastly of the opinion that their particular choice would win and nothing to it. Harry G., on account of his excellent race on Thursday was the favorite, with Our Peggy, Wilton Boy and Brenton H. coming in practically an equal amount of consideration. Our Peggy, the ten year old daughter of Peter the Great proved to be the winner. This mare was bought for a tremendous price as a four year old by a well known Cape Breton sportsman. After showing exceptional speed she went lame and her racing career was interfered with for a long time. Last year she made a come back and won two races, then broke down at the Charlottetown Exhibition and was purchased by Ex-Mayor P. S. Brown of this city, who fixed up her under-pinning and gave her a good careful preparation this summer, trading her about six weeks ago to Colonel MacKinnon, who drove her to victory Saturday in a sensational race.

First Heat. There were six starters and they got away with very little scuffling. Our Peggy at the pole, Harry G. second. These two horses trotted like a team until the upper turn leading into the home stretch, when Harry G. forged in front and continued his lead to the wire, both drivers working very hard, but Harry G. getting the decision by a length. In fact time—2:17 1/4, a new record for Harry. Wilton boy took it easy in this heat and finished 4th, Glenmorra who had got away badly was 3rd and Saint Sis 5th, Brenton H 6th.

Second Heat.—Harry G. had the pole and went away fast with Peggy trailing just outside his wheel, continuing in that position until the three-quarter pole, when her driver stirred her up and brought her on even terms with Harry. They raced like a team all around the turn and down the home stretch, inches only separated them, both drivers making Herculean efforts and shouting encouragement to their mounts. It was a thrilling finish, everybody on the grandstand being on their toes and cheering wildly for their favorites. Just in the last couple of strides Our Peggy poked her nose to the front and won by inches.

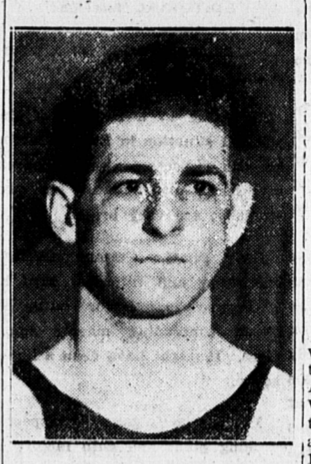

The fight for the remaining place Wilton Boy beat Glenmorra for 3rd and Brenton H. beat out Saint Sis for 5th place.

Third Heat. The horses went away very fast in this heat with Peggy in the lead, who held her position until turning into the stretch, where Harry G., took the pole from her and held it up the back stretch, when Wilton Boy came up very fast from behind and Peggy and Wilton Boy raced neck and neck past Harry G. Rounding into the turn they were almost even, then Peggy started to gain a little and continued gaining until they reached the wire, Peggy finishing with a good length to spare, Wilton Boy 2nd, Harry G. who had shot his bolt 3rd and Glenmorra 4th.

Fourth Heat. Only the four money winners came out for this heat, namely, Our Peggy, Harry G. Wilton Boy and Glenmorra. The four horses got away flying on the third score, Glenmorra going around Our Peggy stepping out a clear length and a half to the good. They raced down to the half in 1:07, the same amount of daylight separating them, while Wilton Boy was laying just back of Peggy's wheel. Harry G. two lengths in the rear. The horses continued this way almost to the three-quarter pole when Glenmorra started to fade away and a battle for supremacy took place between Our Peggy and Wilton Boy. Both trotters were on their tip toes, the drivers using every effort to increase their speed. Coming around the turn to the home stretch Peggy moved away from Harry G. and had a clear lead by nearly two lengths when they got straightened into the home stretch. She made a couple of little bobs there which lost her her advantage, but she caught and went on and won by a length. This was one of the most exciting heats of the day. Driver Holmes who had predicted he would win with Wilton Boy putting up a wonderful drive with that horse, but being unable to beat the daughter of Peter the Great. The time was fast, 2:17 1/4, a wonderful fourth heat.

INDOMITABLE COURAGE CARRIED THE SENATORS TO A 4 TO 3 WIN YESTERDAY

TURNED TABLES.

Playing manager of the Senators who helped his team win the second game of the series yesterday. Harris who is 28 years old, is the youngest manager in the Major Leagues.

WASHINGTON, Oct. 5.—Battling with the indomitable courage that carried them to their first American league pennant the Washington Senators today turned the tables on the New York Giants and won the second game of the 1924 world series, and put themselves back in the thick of one of the most stirring struggles ever staged for baseball's greatest honors. In a flashing finish that was equal in its spectacular as the climax to yesterday's opening tussle and twice as thrilling to another capacity home crowd of 35,000, Roger Peckinpough, veteran Washington shortstop, lifted himself to heroic heights by driving across the winning run in the ninth after the Giants had knocked Zachary, southpaw star from the mound and tied the score with two tallies in their part of the final innings. The final score was 4 to 3 the same margin by which the first game was decided, and tonight two of the finest clubs that ever met for a championship shifted their battle ground to New York, where the third game will be played tomorrow.

Washington under the inspired leadership of its brilliant young pilot "Buck" Harris seemed headed irresistibly towards victory today until that ninth inning and its pulse gripping drama. Behind Zachary who had outpitched his southpaw rival, Jack Bentley, after a shaky start, the Senators, on the strength of a home run by Goslin in the first inning with an error and another circuit blow by Harris in fifth, entered the final inning with a 3 to 1 lead. But here, with triumph in his grasp Zachary whose slow curves had baffled the Giants and held them to one run and only four hits in eight innings weakened and the National League champions quick to take advantage of their opportunity, launched a desperate attack that, as suddenly as it flared up was quenched by Fred Marberry, relief twirler, who rose heroically to the occasion by striking out Jackson on three pitched balls, with Wilson on second with a run that would have put the giants into the lead. Thus Marberry, who gained credit for a victory although he pitched only to one batsman, and Peckinpough, whose smashing single drove over Judge with the winning run in ninth when another extra inning battle seemed imminent, shared in the glory of the Washington World's Series, triumph, with Harris and Goslin, whose mighty bats put the Senators into a commanding lead.

Boston May Have Team in N. H. L.

BOSTON, Oct. 4.—A professional hockey team as the only United States member of the National Hockey League, the strongest professional hockey circuit in Canada, will play at the Arena this winter, it was announced here recently. The club will be known as the Boston Professional Hockey Association Inc., under the presidency of Charles F. Adams.

The Seattle team of the now defunct Pacific Coast League, will be taken over intact by President Adams, it is said. "Art" Rose a former Montreal Wanderer professional star will manage the team and act as vice-president of the local organization. Other teams in the league are located at Ottawa, Toronto, Hamilton and Montreal, the latter city having two teams, one French-Canadian the other British-Canadian.

O'CONNELL THE OUTCAST TO RETURN HOME

NEW YORK, Oct. 4.—Jimmy O'Connell, Giant outfielder, one of the central figures in the scandal that has shocked baseball fandom will return with his wife to his home in California he said today.

"Now I am an outcast and can only drift until this thing is cleaned up. If it ever is," he said. "We are going to start back to California next week." "What I will do after that I don't know," he said, mournfully. "I can't think I am left adrift with the only big thing in my life taken from me, and I got mine simply for carrying out the orders of my boss." "I'm the goat," he said over and over again.

scheduled to be held in about ten days, time when the question of admitting a second Montreal team will be finally considered. What action will be taken regarding the Boston club is problematic as it is known that some of the owners of clubs at present holding franchises in the N. H. L., are opposed to the second Montreal team being entered this winter. However, it is which is to be conducted by the new arena interests here, has been Art Rose have been in conference with officers of the Boston syndicate. A meeting of the league is also recently.
