CITY & COUNTRY NEWS

ADVERTISERS are again asked to remember that all "changes" must be in no later than 1 p. m., and business locals 4 p. m. to insure insertion following morning.

MESSRS. SAUNDERS and NEWSOM's display of meats at their stall, market building, is certainly in keeping with the season. One heifer 600 and one steer 621 lbs shown are perhaps the best of the lot and the carcasses evidence careful feeding.

JUDGING from what we have heard and seen of the program that is to appear in this paper in a day or two we anticipate a good evening's entertainment for those who will be lucky enough to attend the grand concert in the Opera House on January 4th. Secure your tickets early.

Mrs. Angus, McKinnon, of De Sable, brought to the market yesterday a turkey weighing 30 lbs. Early in the day Messrs. Saunders & Newsom purchased it and during the afternoon a large number visited their stall to see the magnificent representative of their Christmas supply of poultry.

A DARNLEY correspondent writes:—Since the beginning of the winter months the eel fishery has been in full blast. Fifteen of the fishermen of that locality speared fish at the value of \$160. In fact one of the prosperous fishermen is of the opinion that if the success of the fishery is further assured he will be a candidate for the provincial Legislature.

YESTERDAY Messrs. Drake Bros. had an exhibition at their stall the following carcasses of meat for the Christmas trade: Cornwall 2 carcasses weighing 1360 and 1020 fed by H. Mason; 2 carcasses weighing 1470 lbs fed by Drake Bros; carcass 1060 fed by W. Irving; 2 carcasses 2500 fed by James Drake. Messrs. Drake Bros also had on their stall a turkey which weighed 24 lbs.

COME to the great concert and basket social to be held in Winsloe Hall on Wednesday the 2nd day of January, 1901, at 7 o'clock p. m. Admission only the small sum of 10 cents. Children only 5 cents. Ladies with baskets free. Ladies are invited to bring baskets. Come one and come all and have a good time and bring your best girl with you. The proceeds to in aid of a poor afflicted family.—John D. Diamond, Chairman of Committee.

ON Thursday Mr. Oxenham, principal of the Prince Edward Island Commercial College, was tendered a complimentary dinner at Miss McMillan's boarding house, Prince Street. After doing ample justice to the extensive menu provided by the Misses McMillan an informal toast list was carried out, complimentary speeches being made by the guests and the boarders. Principal Oxenham in replying delivered an excellent address and his speech has materially strengthened the cordial relation which has always existed between Mr. Oxenham and his fellow boarders. It is needless to say that during the delivery of his address the Professor was frequently interrupted by storms of applause.

FIRST BAPTIST, Montreal.—"Church Day" was celebrated on the 9th inst. in a manner in keeping with the record of Pastor Gordon. His people had come to the close of the year with total contribution for local needs and benevolence of over \$7,000. They needed \$1000.00 with which to balance accounts. For this they made earnest prayer, and without a single personal appeal or canvass the special collections of this anniversary day reached a total of \$1300.00. And this large amount comes after generous giving for extensive church repairs, such as a magnificent pipe organ, beautiful stained-glass windows, electric lighting, painting and tinting of vestry. Special meetings held recently have resulted in additions to membership and in a general spiritual awakening of the church. Pastor Weeks, of Walmer Road, was the preacher on Church Day, and his messages were an inspiration to large congregation. Pastor Weeks remained for the reunion of Monday evening and joined the other Baptist pastors of the city in congratulating "Our" Gordon and his church on the courageous and successful struggle of the past year. Maritime men, here at school, are much in evidence in the services of this old churches. Some of them are own Acadia men and of course loyal to the Baptist cause wherever they may be, others are of other "persuasion" but a part of the wide circle of friends which knew Pastor Gordon in his work among our own churches.—Messenger and Visitor.

DON'T be afraid to tell the reporter who is visiting you or when you are leaving town for a visit. These items help to make the local paper of interest to all. Persons often think the paper shows partiality, but just try and see if it does not treat you right if you give it a chance

DUNDAS CLIPPINGS.—The oldest residents of Dundas say the recent cold has been the coldest for years, but election coming along in the midst of it had a tendency to raise the temperature somewhat. McKay Bros. are doing a rushing business at Bridgetown. They are turning out somewhere in the vicinity of sixty sleighs for the winter. Mr. Richard Burdette Pictou, is at Bridgetown on business. Many of his old friends are no doubt glad to see him in their midst again. Mr. Daniel McLean has returned from "Uncle Sam's Domain" where he had been spending the past two years.—We are pleased to note that Mr. Louis Ross has got his sawmill in running order again. He is about to start a grist mill in connection with it.—Capt. Donald McDonald, who recently purchased the Hayden property has built a new house which he will soon occupy. He is running a grist mill also.—Mr. Neil J. McDonald of Upton has removed his residence to the rear of his property so that his residence now fronts on what is known as Centre Line Road—AGRICOLA.

POINTS OF EXCELLENCE.

A Few Reasons Which are Rapidly Making a New Catarrh Cure Famous.

Stuart's Catarrh Tablets, the new Catarrh cure has the following advantages over other catarrh remedies.

First: These Tablets contain no cocaine, morphine or any other injurious drug and are as safe and beneficial for children as for adults; this is an important point when it is recalled that many catarrh remedies do contain these very objectional ingredients.

Next: Being in tablet form this remedy does not deteriorate with age, or an exposure to the air as liquid preparations invariably do.

Next: The tablet form not only preserves the medical properties but it is so far more convenient to carry and to use at any time that it is only a question of time when the tablet will entirely supersede liquid medicines as it has already done in the medical department of the United States army.

Next: No secret is made of the composition of Stuart's Catarrh Tablets; they contain the active principle of Eucalyptus bark, red gum blood root and Hydrastin, all harmless antiseptics which, however, are death to catarrhal germs wherever found, because they eliminate them from the blood.

Next: You can not cure catarrh by local applications to the nose and throat, because these are simply local symptoms and such treatment can not possibly reach the real seat of catarrhal disease which is the blood; for this reason, inhalers, douches, sprays and powder never really cure catarrh, but simply give temporary relief which a dose of plain salt and water will do just as well.

Catarrh must be driven out of the system, out of the blood, by an internal remedy is the only kind which can be assimilated into the blood.

Stuart's Catarrh Tablets do this better than the old form of treatment because they contain every safe specific known to modern science in the antiseptic treatment of the disease.

Next: The use of inhalers, and spraying apparatuses, besides being ineffective and disappointing is expensive, while a complete treatment of Stuart's Catarrh Tablets can be had at any drug store in the United States and Canada for 50 cents.

Try one can of Oak brand Condensed Milk and you will decide whether it is better and cheaper than a cow. Ask your Grocer for it.
