THE LIFE WORTH LIVING.

Is life worth the living? What young person ever lived but heard the question with a strange surprise when first it fell upon his ears: Is life worth living? Does it pay to try to live? You and I recall the hour we went to our father and asked what should be its interpretation. We can still see the wise, sad look upon his face when he said: 'I do not know that I can explain to you, my boy.' There we stood with our skates on our arms, and the happy boys shouting to us from the foot of the stairs to hurry, and we reiterated the question, 'Father, what could the teacher have meant by that question? Why, one who could ask such a question as that could not have been natural; he must be insane.' 'Not insane, my son, but mayhap fearing that he was going to be.' 'How so, father?' 'Through troubles, disappointments, bereavements, feeling that he had suffered more than he was capable of.' And then again the shout from the foot of the stair to hurry, and we, leaving our skates upon the desk, telling them to go on to the lake and we would meet them there, looking into father's face say: 'Father, I have no doubt manhood is graver in its cares than childhood and youth, but, father, I have pictured to myself that when I reach your years of today (and I have) that I should be as happy as you are. You have some dark days.' 'O, yes, my son.' 'But you always go about singing our hymns.' 'Yes.' And he says, 'I enjoy my life, my lad. To live is Christ.'—The Rev. Emory J. Haynes, D. D.

Got A Pain In Your Back?

IF YOU HAVE HEED THE WARNING.

You get a pain in your back, and you wonder what is the matter. When the back aches or becomes weak it is a warning that the kidneys are affected in some way.

Heed the warning; cure the weak, lame, aching back and dispose of any chances of further trouble.

If you don't do this, serious complications are very apt to arise, and the first thing you know you will be troubled with Dropsy, Diabetes or Bright's Disease; the three most deadly forms of kidney trouble.

On the first sign of a pain in the back, Doan's Kidney Pills should be taken

They go right to the seat of the trouble, cure the backache and prevent any further complications arising.

Mr. Stewart Johnston, Richardson Mines, N.S., writes:—"For years I was troubled with my back, and I had to give up work. I tried Dr. after Dr., and was getting no better. I had almost given up hope when I began to try Doan's Kidney Pills. I took three boxes of them, and found I was completely cured. I feel I owe my life to Doan's Kidney Pills."

Price 50 cents per box, or 3 boxes for $1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

OBITUARY.

After a lingering illness there passed peacefully away at South Melville, on March 5th, 1912, George MacFarlane, son of the late John MacFarlane at the early gge of 39 years. His kind, jovial, and obliging disposition endeared him to every member of the community and to all who had the pleasure of his acquaintance. During his trying illness he was always patient and appreciative of the faithful services rendered by those near and dear to him and of the many friends interested in his welfare. His true Christian character manifested not only in his walk and conversation in this world but also in his unfailing trust in his Redeemer and his triumphant passing into the world beyond. The funeral took place on Thursday from his late residence to the Argyle Cemetery. There being no settled pastor in the Presbyterian congregation to which he belonged the service was conducted by the Rev. Jas. MacDougall who had frequently visited him during his last illness. The funeral procession was one of the largest ever seen in the community and consisted in part of the members of Lorne L.O.L. of which he was an upright and consistant member. There were also a number of brethern from sister lodges. The services at the grave was conducted by the assembled brethren according to the impressive ritual of the Orange Order. He leaves to mourn, a widow (nee Miss Isabella Rotha, a widowed mother, two brothers, John D. of DeSable and William at home, and two sisters, Mrs. Walter Rodgerson of Hampton and Miss Laura in the United States. They mourn not as those who have no hope for they are assured of his eternal happiness and hope to meet where parting is unknown.

ASKED HER DRUGGIST TO GIVE HER SOMETHING.

She Had a Bad Cold, So He Recommemded Dr. Wood's Norway Pine Syrup.

Mrs. James Warren, Edmonton, Alta., writes:—"Just a few words in favor of your Dr. Wood's Norway Pine Syrup. A short time ago I contracted a bad cold, and tried several remedies, but had no good results. I asked my druggist to give me some good cough medicine he could recommend, so he told me to try Dr. Wood's Norway Pine Syrup, and I can safely say I have never tried anything like it. The first dose gave me relief, and I was completely cured of my cough before I had finished one bottle. It is the best cough remedy I have ever tried, and I can recommend it to everyone."

STOCK NOTES

It is generally considered that horse breeding in P. E. Island is somewhat declining. Twenty years ago there were more heavy horses of the very best quality than there is today. The Dominion Government have, however, agreed with the Maritime Stock Breeders' Association to do what it can for the encouragement of horse breeding in the Maritime Provinces by giving a grant towards the Maritime Horse Show to be held in the Winter Fair Building, Amherst, on April 3rd, 4th & 5th. Prize lists can be had at either the Dept. of Agriculture, Charlottetown, or F. L. Fuller, Truro, N. S.

HOW TO GROW HAIR

It has been proven that Henna leaves contain the ingredients that will positively grow hair. That they contain this long-looked-for article is proven every day.

This preparation is called SALVIA and is being sold with a guarantee to cure Dandruff and to grow hair in abundance. Being daintily perfumed, SALVIA makes a most pleasant hair dressing. Geo. E. Hughes, your druggist, is the first to import this preparation into Charlottetown and a large, generous bottle, can be procured for 50c.

NA-DRU-CO Tasteless Cod Liver Oil Compound

There is no question as to the very high value of Cod Liver Oil, properly prepared and made digestible, as a "builder-up" for convalescents or those who are run-down.

Na-Dru-Co Tasteless Compound contains the valuable properties of the Cod Liver Oil without its disagreeable flavor. In fact, this preparation is decidedly pleasant to the taste. With Extract of Malt, Extract of Wild Cherry, and Hypophosphites of Lime, Soda, Potassium, Manganese and Iron added, it makes a combination that puts an edge on the appetite—aids digestion—invigorates the nerves—relieves and helps to cure affections of the throat and lungs—and generally builds up strength and restores health.

For puny, delicate children there is probably no better "builder-up" than Na-Dru-Co Tasteless Cod Liver Oil Compound. 102
