THE FOLLOWING WAS INADVERTENTLY OMITTED FROM SATURDAY'S ISSUE.

LONDON, Dec. 13.—The Marquis of Lansdowne, the opposition leader, and Lord Curzon of Kedleston, who was viceroy of India from 1898 to 1905, spoke gravely in the House of Lords last night concerning the Indian changes, and some of the Conservative morning papers follow suit. The dissatisfaction, however, is due to the fact that this policy involves a reversal of Lord Curzon's policy, bringing about the partition of Bengal, and the fear that the new departure may be construed in India as a yielding to political agitation. The change of capital to Delhi, is applauded generally, and almost all moderate opinion approves the changes.

The official papers issued on the subject, show that the new policy proposed by the Indian government, was weightily considered before it was adopted, as being essential to the growth of local self government in India on safe and sound lines. Although the changes may be much

A WEAK, ACHING BACK CAUSED HER MUCH MISERY Could Not Work and Had No Ambition For Anything.

Those who have never been troubled with kidney trouble do not know the suffering and misery which those afflicted undergo.

Weak, lame or aching back comes from the kidneys, and when the kidneys are out of order the whole system becomes deranged.

Doan's Kidney Pills are a specific for all kidney troubles.

Mrs. W. R. Hodge, Fielding, Sask., writes: "A few lines highly recommending Doan's Kidney Pills. For this last year I have been troubled very much with nasty sick headaches, and a weak, aching back which caused me much misery, for I could not work and had no ambition for anything. My kidneys were very badly out of order, and kept me from sleeping at nights. I tried many kinds of pills and medicines but it seemed almost in vain. I began to give up in despair of ever being well and strong again, when a kind neighbor advised me to try Doan's Kidney Pills, which I did, and am thankful for the relief I obtained from them, for now I am never in trouble with a sore back or sick headaches. I will always say Doan's Kidney Pills for mine, and can highly recommend them to any sufferers."

Price 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. When ordering direct specify "Doan's."

NERVOUSNESS AND DYSPEPSIA

CURED BY "FRUIT-A-TIVES" THE GREAT FRUIT MEDICINE

In Nervous Dyspepsia, the Dyspepsia does not come from the Nervousness—but the latter trouble does come from the Dyspepsia. The stomach is a network of nerves. Now if all these nerves are irritated by improper food, hasty eating, or poisoned by gases from the constipated bowels, then they will make one nervous. "Fruit-a-tives" cures both the Nervousness and the Dyspepsia because "Fruit-a-tives" cures all stomach troubles, keeps the stomach sweet and clean, and enables you to eat and sleep as you did when a child. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers, or from Fruit-a-tives Limited, Ottawa.

criticized in parliament, all party leaders recognize as they were announced by the king himself, that they are irrevocable. The Liberal papers and some of the Unionists papers, applauded the changes as showing boldness of imagination on the part of the government.

The transfer is thought to be largely attributed to political unrest in Bengal. The recent revolutionary discontent largely originated in Calcutta, and the task of administration on this account was rendered more difficult.

Delhi, as the ancient capital, is regarded by the natives of the eastern empire as a sort of shrine so that the change will minimize the effects of Bengalese disaffection.

MONTREAL, Dec. 13.—With a bullet in her head near her right temple, Mrs. Ellen Gibbons, forty-four years of age, was brought to the Royal Victoria Hospital yesterday afternoon from her home in de Gaspe street. The woman was conscious when brought to the hospital, and she was again unconscious last night following an unsuccessful operation for the removal of the bullet, but her condition was such that little hope is held out for her recovery. Mrs. Gibbons, who resided with her young daughter, her husband having died a year ago last July, had been in poor health for some months, and that is the reason she gave today for sending the bullet into her head to end her life.

WAS TROUBLED WITH Headache AND Constipation.

After Suffering For Two Years Was Cured By BURDOCK BLOOD BITTERS.

Headache of whatever nature is nearly always symptomatic of other diseased conditions, rather than a disease itself, but in most cases a disordered stomach, constipation, or bad circulation is the chief source of the difficulty. Burdock Blood Bitters removes the cause of the trouble through its cleansing, strengthening and tonic action on the stomach, liver, bowels and blood. Mr. Wm. Redmond, Cardigan Bridge, P. E. I., writes: "I have been troubled with headache and constipation for about two years. After trying every doctor I know, a friend advised me to try Burdock Blood Bitters. I found myself, after using one bottle, getting much better, and after using three bottles I was completely cured. "After then I was on a visit, and found my cousin very sick, and the doctor told her there was something wrong with her head. I told her to use Burdock Blood Bitters and she was cured in a short time. I can safely recommend it to all." Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
