To the Electors of the City of Charlottetown, Ladies and Gentlemen—Yielding to a large and influential requisition presented to me this day I have consented to nominate as a candidate for the position of Commissioner of sewer and water supply for this City.
 Having served nine years at the Council Board I feel that I am fairly conversant with civic matters. I have always taken a deep interest in our water and sewerage system and, if elected will use my best endeavors to extend and improve the same in the most economical manner so as to give the best possible service to all citizens.
 As the time is very short it will be impossible for me to make a personal canvass, therefore I respectfully take this opportunity of soliciting your support and influence in the coming election.
 Yours respectfully,
D. STEWART
