## THE PROVINCIAL GUARDIAN

Offices in New Prowse Block - Charlottetown.

J. K. Ross left last night on a trip to Halifax.

Came to the Carnival to-night and bring your dearest friend with you.

The friends of Rev. C. W. Hamilton, now of St. John, N. B. who has recently returned to his charge after a vacation trip to Boston and other points in the United States will be glad to learn that his health has shown much improvement.

THE Minto left Georgetown yesterday with 33 pkgs. beef, 250 bags oats, 2 bbls meat, 22 carcasses pork, 30 cases eggs, a quantity of lard, 3 boxes poultry, 12 boxes smelts and 2 boxes eels. The Stanley arrived at Georgetown yesterday at 10.15 a. m. with 361 packages freight, and 1032 bags mail. The special arrived at Charlottetown at 12.45.

In future each Saturday Guardian will contain an entirely new feature of general interest to all readers. It will consist of special information for all lovers of horses &c. The matter for this column will be obtained from an entirely new and reliable source, and will be an exceptionally strong feature of the already popular Saturday edition.

THERE are now thirty-two Farmers Institutes established and at work in this province. Two have been established since the beginning of this year, one at Lot 14, and one at Lot 9, and another will be organized tomorrow evening at Tracadie, where a meeting will be held for that purpose. It is gratifying to be able to report that all these institutes are doing good work.

THE section house near the Grandview Station on the Murray Harbor Railway was forcibly entered a few nights ago, and a small trolley removed therefrom and left on the track. Had it not been detected by Mr. Martin the station agent, this lawless act might have resulted in a serious accident. It would be well for the authorities to take such steps as would prevent the repetition of such daring and thoughtless misconduct.

NOTWITHSTANDING the storm the funeral of the late George Gordon Acorn took place Sunday afternoon from his father's residence Orlébar Street and was largely attended. The pall bearers were: Douglas Sutherland, Waldron VanDerstine, Silas Whitlock, Russel Stearns, Gordon Robertson, Charles Duff. Following is a list of the flowers: The boys of Orlébar street; Mrs. Bruce and Mrs. Stewart a casket; G. M. and Mrs. Moore, a pillow; James and Mrs. Tait, a cross; James and Mrs. Currie, potted plant; R. E. and Mrs. Hughes, pillow; a wreath from Miss McPherson's and Miss Cornfoot's scholars; J. E. and Mrs. Matthews, a cross; Ross Bethune, Sabbath school teacher, bouquet; S. J. and Mrs. Witlock, a pillow; J. P. and Mrs. Gordon, a crescent; Miss Fannie Vatcher, a pillow; Miss Passmore and scholars a crescent; Peter and Mrs. Craig, a pillow; Miss Mable Thorne, a pillow; Mr. and Mrs. Raymond, a crescent; father and mother, a wreath.

ON Thursday afternoon, March 1st, the home of J. J. Turpel, 96 North Albert Street, Halifax, was the scene of a quiet but pretty wedding, when his niece, Maria N. Turpel, was married to Peter J. McKenzie, formerly of Murray Harbor, P. E. Island. The ceremony was performed by Rev. R. Everett Stevenson, pastor of the Christian Church, in the presence of the immediate relatives of the bride. The bride's costumes of rich blue cloth, trimmed with white silk and chiffon braid, was most becoming, and Miss Turpel being young and quite pretty made a beautiful bride. She received numerous and useful presents, attesting the popularity of the happy couple.

THE Irish program brought together another large meeting of Victoria Division of the Sons of Temperance last evening. Worthy Patriarch McNair again made an ideal chairman. Bro. Huntley spoke briefly but eloquently on Ireland past present and future. Bro. Rowe read this combat of Daniel McConnell with Biddy Moriarty and read it well. Bro. Chappell gave some very interesting sketches of the life of Father Matthew the great apostle of Temperance and his visit to America in the year 1840 which was one grand triumphant procession from city to city. Readings were also given by Bros. Lawson, Brodie, Godkin, Rogers and Enman, a violin solo by Bro. Ross and beautiful Irish songs by the ladies. Next Monday will be English night when another good time is promised.

THE Walte Stock Company will arrive here today on the express from Georgetown direct from their five weeks engagement at Halifax and will open their season at the Opera House tonight. The play selected for the initial performance is entitled The Man of Mystery, which will give all the members of the company opportunities for good work. The staging and costumes will be found a feature. The play is one of the latest metropolitan successes and combines a story of heart interest, an excellent plot, plenty of good clean comedy and sensational climaxes. In addition to the play itself, an extra attraction will be the vaudeville novelties seen between the acts of the play. The Concert Orchestra, illustrated songs, singing and dancing specialties, and the headline vaudeville act, The Lawrencees, in their comedy cycling turn will form a diversified list of specialties making each of the performances given continuous. Popular prices will prevail and a change of play each night will be in order.

### G. H. TAYLOR,

Jeweler and Optician.

MRS. A. C. CAREY crossed to the Mainland yesterday, on a trip to Amherst.

During a lizkard on the Western prairie a year or two ago, Mr. Murphy lost his way, with the result that both his feet were so badly frozen as to require amputation a little below the knees. He is now enabled to move around with considerable ease.

A LECTURE delivered by Dr. Goodwill Medical Supt. of Falconwood Asylum, in St. James Hall last night was listened to by a large audience. The doctor treated his subject insanity in a manner which made it easy for his audience to follow. That it was interesting and instructive goes without saying. The great advancement in methods of treatment was strikingly shown by means of illustrations. At the close of the lecture Dr. Taylor, moved a vote of thanks, seconded by T. C. James, and supported by A. J. B. Mellish. The next lecture of the series will be on Monday 19th inst by Rev. R. G. Strathie, Subject "A Winter in Scotland."

CAPTAIN FARQUHAR of Halifax and well known in Charlottetown, intended leaving Saturday last on a sealing voyage. The captain has an interesting proposition in view for the hot months of next summer. He intends to charter a large steamer in New York leaving there early in July, and take an excursion party to Northern Labrador going as far north as Cape Chidley and probably to Hudson's Bay. He would come from New York to Halifax, sailing from there he would touch at Sydney, Sable Island, Bonne Bay, (Nfld.) up through the straits of Belle Isle, touching at a number of Labrador points. Captain Farquhar thinks this would make an ideal summer trip of about 30 days and if he can get enough New Yorkers to agree with him, it will be a go.

LAST night Wildey Lodge, I. O. O. F. enjoyed very much the hospitality of St. Lawrence Lodge, the event being a fraternal visit paid them by Wildey. There was a large number of members present. D. D. Grand master, Bethune presided. The following program was well rendered:

McNevin, Waller, and Riggs, who all expressed themselves as thoroughly satisfied with the evening's entertainment which was brought to a close by the singing of The Oldfellow's Ode and The National Anthem.

### POOR PACKAGE DYES MAKE Women Miserable and Cross.

### Diamond Dyes

Have Made Millions of Wives, Mothers and Daughters Happy and Contented.

Women who buy and use any of the adulterated, weak and worthless package dyes put up in imitation of the reliable and never-failing DIAMOND DYES, must expect to meet with sad trials and disappointments in the home.

Crude package dyes with only fancy names to recommend them, and sold by some dealers for the sake of large profits, are the direct cause of much of the feminine bad temper and irritableness manifested in many homes.

If our women and girls would avoid trouble, loss of goods and hard cash, they must insist upon getting the DIAMOND DYES whenever home dyeing work is to be done. One ten cent package of the time-tried DIAMOND DYES will always color more goods than will two packages of other dyes, and give brighter, fuller, more brilliant and more lasting shades. Once used, DIAMOND DYES become the chosen dyes for all well-regulated homes.

Send your name and address to Wells & Richardson Co., Limited, Montreal, P. Q., and you will receive free of cost new Dye Book, Card of Dyed Cloth Samples and Booklet in verse, entitled "The Longjohn's Trip to the Klondike."

### BRITISH OPINION ON CANADIAN INSURANCE

The endorsement of a home company and its methods by so staid and conservative people as those of Great Britain, must be regarded with pride by Canadians, who are sometimes apt to think of British Institutions as possessing the highest merits. It is a fact that the results being paid by at least one Canadian Company are considered on a par with those paid by the very best Companies either on this Continent or abroad. While comparisons are not desirable, it cannot be out of place to publish the opinions of two British Policy-holders of the North American Life. These letters, given voluntarily, express the views of men eminently capable of judging the results of their matured policies by the results of the best British Companies. (At the present time they should be of special interest.)
