Jackson Leads Point Makers

Maple Leaf Kid Line Well Represented In Latest N.H.L. Statistics.

MONTREAL, Que., Feb. 29. — (By the Canadian Press) — An orgy of point-making which marked the defeat administered by Toronto Maple Leafs to the Chicago Black Hawks on Saturday night was reflected in the official scoring lists issued tonight from the offices here of President Frank Calder. The lists include the game of Sunday night, Feb. 28.

Harvey "Busher" Jackson, left wing of the Toronto Club, forged to the front among the league point-makers, taking a margin of four over R. J. "Hooley" Smith, of the Montreal Maroons, out of action for several games through injury. Joe Primeau, centre of the Leafs, has caught Smith, to tie for second place in the Canadian section while Charlie Conacher, third member of the Leaf's "kid" line, leads the entire league in goal getting with 28 to his credit and is in fourth place in points in the Canadian section with 35. Jackson has scored 23 goals, 19 assists; Smith, 9 goals, and 29 assists; Primeau, 7 goals, 31 assists and Conacher, 23 goals, 7 assists.

W. Cook, right wing of the New York Rangers, retained his lead in the United States Division which position he established early in the season. He has 36 points, made up of 26 goals, 10 assists, to lead Cecil Dillon, his team-mate, by 4 points, Dillon having 21 goals, 11 assists. "Dit" Clapper and Martin Barry, both of Boston, follow with 13-17-30 and 17-11-28, respectively.

In penalties, Ching Johnson of the Rangers leads with 84 minutes followed by Red Dutton of the Americans and Dave Trottier of Maroons with 82.

Cape Traverse Intermediates Win Island Title

In Victoria on Saturday night the Alberton Regals crossed sticks with the Cape Traverse Bloodhounds for the final play-off for the P. E. Island Intermediate Cup.

The Bloodhounds won by a 2-0 score.

At Alberton the night before in the first playdown, the score was four all.

There were upwards of 500 people to watch the game at Victoria and it was considered one of the fastest games this season.

The Alberton boys were not up to their usual pep as they had played four games that week, but their goalie, O'Brien, did some splendid work and made some brilliant saves. Claude MacWilliams was the star player for the Bloodhounds. The Alberton boys did their best but failed to register.

The Cape Traverse goalie was kept busy and stopped lots of rubber. Claude McWilliams netted the only goals of the evening. The first one from a wing shot in the first period, and the second McWilliams stickhandled down centre ice past the defence and clean into the net. This was one of the prettiest plays of the evening. At the end of the third period the score remained 2-0 for the Bloodhounds.

Hon. Walter M. Lea presented the cup to the Cape Traverse team from the centre of the ice.

Both teams were lined up and Mr. Lea congratulated the Cape Traverse boys on winning the coveted Intermediate Island Cup. He also congratulated the Alberton Regals on their victory over the Summerside Hockey Club last week thus winning the McLean Cup in the Prince County League.

At Alberton on Friday evening the two teams played to a draw, the score being 4-4. The game was reckoned to be the fastest game seen in Alberton rink.

The Regals put up a whale of a fight and kept the score even up to the last.

Ed. Millman, their left winger, scored three goals, one in the first period, in an end to end rush with a close shot at the net, and two in the third from centre ice on a pass. The other tally for the Regals came from the stick of Larkin on a pretty bit of play.

The Cape Traverse boys did some pretty combination play. McWilliams from a long shot scored for them in the first period. Donald McLeod and Lester McLeod notched up one each in the second period and their last tally was made in the third period by Donald MacLeod.

The referee for both games was Melville Diamond of Charlottetown, who performed the job to the satisfaction of both teams.

Races Wednesday

Wednesday afternoon, ice permitting, the Victoria Driving Club will put on another series of ice races. The free-for-all with Volo Rico, Hush and Major Aubrey is being raced over again to settle some arguments as to which is the fastest horse.

Hush has won three races this season, Volo Rico, two, and Major Aubrey, one. Perhaps tomorrow's race will really decide the arguments.

Class A. Trot

Chalmuck, who won so handily on Saturday, will go up against Longset, Briar Mac, and Ruth S.

Class B. Pace

La Rica, Mr. Henley, Waltz.

Class B. Trot and Pace

Poinset, Sybilset, Real Great, Ben Ortolan, Checkers.

Races start promptly at 2 p.m. Same course as formerly—and same officials, who are respectfully requested to be on time.

"So Be It"

"If conditions in the Maritimes are as black as they are painted by D. Leo Dolan," says the Toronto Globe, "a clean-up by the amateur officials in that section of Canada would appear to be very much in order." The editorial further states that if Dolan or any other responsible person has definite proof that veiled professionalism is prevalent and that simon pures are being paid for their services, they would serve the cause of amateur athletics much better were they to submit their proof to the officials of the C. A. H. A. or A. A. U. of C., who are in a position to effectively deal with the matter, rather than to broadcast the information, which while it might be true in some isolated cases, need not necessarily be true for all amateur sport.

And if any investigation is to be made, we might add it should not be restricted to the Maritime Provnces. If there is to be a "clean-up" at all, why should the Maritimes be the "goat?"

Truro Bearcats Here Thursday

Fans, a real hockey match is in sight.

The Truro Bearcats are slated to clash with the Abbies here Thursday night.

It will be the pride of Nova Scotia, although out of the playoffs, against the fast and flashy Red Shirts who have pulled the greatest crowds of any team playing this winter in the Northern League.

Everyone remembers the last game here, the Bearcats showing to good advantage and nosing out the Abbies by one goal.

The game promises to be a pip and we think the fans will appreciate it.

The Forum Management

Have had such a strong demand from the fans for good hockey that at great expense they decided to bring the Truro Bearcats here Thursday night.

Wednesday night Bearcats play Moncton, and they will continue right on to Charlottetown for the big game Thursday night.

The Forum Management have found that Charlottetown fans will patronize only the best in hockey, and will endeavor during the four or five weeks left of the season to bring here only the cream of the Maritimes.

Smeaton Moves Out

The "iron hand" has let go its grip. Cooper Smeaton has refused to reconsider his resignation, so moves out of the hockey setting after a quarter of a century of activity in the sport. There will be regret among his friends over his decision for Cooper was a hail fellow well met, a fine official with a keen sense of humor. This latter attribute had been pretty well tested in the past two years. His experience in trying to handle the Philadelphia club was a trying one last season, as he was given the thankless task of molding a new club largely out of minor league material. He did quite well at that. This season he ran into one situation after another, which made him a storm centre of official discussion. Finally, he decided that in his own interest, it was time to toss in his whistle. Later on he may come back into hockey in another role. In the meantime he will enjoy relaxation from the worries that beset his course this year, free to assume the carefree role of fan. Perhaps in leisure moments he will find time to write his reminisciences. They should make crisp and interesting reading.

TRURO BEARCATS WILL BE HERE THURSDAY

The great Bearcat team which minus Shields, Jemmett and Sargent defeated McGill, the Quebec champions, last year, comes here on Thursday to play the Abbies.

Truro brings their full line-up, including the above named men.

The fans will get a chance to see whether Lennon, reputed to be the best left winger in the Maritimes, can hurdle the Gross-Oliver barrier.

Then there is Jemmett, the Eastern League's most valuable player.

All in all, it will be a hectic struggle because the Red-Shirts are determined to wipe out that defeat suffered in the "Big 6 Series." 1234-1i

GYRO CLUB

Last night was music night at the Gyro Club. Mr. W. A. Gaudet arranged an excellent musical programme by securing Miss Kathleen Hornby, and Messrs. Tom McFarlane, Albert Blanchard and Robert Hyndman for an orchestra.

Miss Hornby was especially pleasing in a fine rendition of a violin solo. A vote of thanks to the entertainers was moved by Mr. H. M. Simpson, seconded by Mr. C. M. Williams and presented by the Chairman.

Mr. John E. Cameron was formally inducted into the club.

The guests were Messrs. Gerald Gilroy and Campbell Scarth.

Out of respect to their late fellow Gyro, Hon. Leonard M. MacNeil, the members observed a one minute silence. It was moved by Hon. H. F. MacPhee and seconded by Mr. D. F. Bethune, M. L. A., that a resolution of sympathy be sent his family. In moving the resolution, Hon. Mr. MacPhee said that although he had only been a member for a short time, he had made a deep and lasting impression and that it was not difficult to call him "friend." He stated that the club and the Province suffered a great loss and that the highest tribute he could pay to the memory of the deceased was to say "There's only one Len MacNeil."

Mr. Robert Hyndman occupied the chair.

Maritime Junior Playdowns

With Antigonish winning the Nova Scotia Junior title, the Silver Foxes will meet them in a sudden death game in Moncton Thursday night.

The Silver Foxes are all in great shape and eager to cross sticks with the powerful Antigonish Juniors who have played sixteen games this season without a defeat. They have on their defense Pat Purcell, who was offered a berth with the New Glasgow Tigers this season.

The winner of Thursday night's game will remain over in Moncton to meet Bathurst, the New Brunswick champs on Saturday night.

MCGILL 2 M.A.A.A. 1

FORUM, MONTREAL, Que., Feb. 29.— McGill, Provincial hockey champions, will carry a one-goal lead into the final for the Senior title Wednesday night as a result of their 2-1 victory over M. A. A. A. Their opponents in the Senior play-off last year, at the Forum here tonight. McGill had a two goal lead going into the third period of tonight's game through two brilliant unassisted tallies by the Crutchfield brothers, first the elder Nels and then Gordon, but M. A. A. A. punched home an early third period goal as Delahey scored on a pass from St. Germain. The teams are playing a two-game series and total goals count on the round. A crowd of 3,500 saw tonight's game.

Panthers Meet Wolverines

DIGBY, N. S., Feb. 29—(By The Canadian Press)—Digby Red Ravens, champion of the Western Shore League, made a determined stand on home ice tonight to defeat New Glasgow Panthers 5 to 2 in the second of home and home games in the Nove Scotia hockey semi-finals. The Panthers, however, won their way to the finals where they face Halifax Wolverines, by virtue of their 6 to 0 victory in the Pictou County town in the opening game of the series, taking the round 8 to 5.

Nancy Carroll At Capitol

There's a real chance to see the inside of something you've been aching to get the low-down on all your life. See what a "Personal Maid" sees, hear what she hears, and there's not much about the swanky swells of Gotham you'll have to wonder about.

For "Personal Maid," the revealing picture from Grace Perkins, exciting novel, now showing at the Capitol, with titian-haired Nancy Carroll playing the title role; Pat O'Brien doing a self-made business man; Gene Raymond, an interesting screen new-comer, as a rollicking rich college-boy; George Fawcett happily grouchy as the multi-millionaire Gary Gary, and rib-tickling Mary Boland making much of the society dowager.

"Personal Maid" is the Cinderella story made real, with Nancy sparkling in and out on her high heels. It's romance, and good fun, but, underneath it all is real drama, lightly and amusingly told, of the emotion-torn, love-muddled lives of America's millionaires.

Nancy makes herself so useful as personal maid to the wealthy Mrs. Gary that she is commissioned to coax the wayward son of the house back to the "straight and narrow." She falls in love with the boy, and, at the same time, attracts the attention of a self-made business friend of the family. Convinced that "clothes make the lady," Nancy steals a holiday and poses as a wealthy heiress. Her ruse is discovered, and she goes back to the servants' hal, only to be litfed out of it by a real romance.

"Personal Maid" is exciting, thrilling drama all the way through.

AN APPEAL FOR REORGANIZATION OF FLORAL ASS'N.

Continued from page 3

Canada idea. Will you do something to improve your home grounds? Will you urge others to do something? If you do even only a little to make your home more attractive you will have improved your street. If your street is improved your town is improved and your town is made more beautiful, Canada will be made more beautiful. Remember our slogan "Beautify your home grounds and help make Canada more beautiful."

Will you then become members of the Prince Edward Island Floral Association and assist in organizing a clean up week, lawn and back yard competitions. Possibly a Flower Show when our wonderful Prince Edward Island flowers are at their best. May I suggest a Flower and Baby Show as a means of raising money for our crippled children and other community work.

Is this not after all a common duty we owe to our country. It will help draw closer, bind and cement together the different elements scattered over the face of the whole of British North America and weld them into one great nation. This is something worth striving for and may I venture to hope that as long as we shall have the honour to take some part in the shaping of the destinies of this great Dominion a more beautiful Canada will be the ideal toward which our efforts shall gravitate.

Rotarian Ernest Coffin was in the chair yesterday and E. W. MacKinnon was a guest. The musical program comprised vocal solos by Leigh Dingwell, who was encored.

Rotarians Jack Webster, Al Fisher, and Archie Irwin were appointed an On-to-Seattle Committee.

Secretary Bissett read letters from the Red Cross and the Dispensary, acknowledging donations respectively of $300 and $100 from the club Part of this $400 was from the races last fall and the balance was made up by the club.

Rotarian Walter S. Grant, Past District Governor, who celebrated his birthday yesterday received the felicitations of the club and a suitable gift.

Rich Man's Folly Excellent Drama

PRESENTED IN COOPERATION WITH Y'S MEN'S CLUB

Paramount has shown smart showmanship, and that means attention to the whimsies of the public entertainment palate, in casting George Bancroft for his latest talkie, "Rich Man's Folly." Bancroft's passion for explosive action, sizzling dialogue and roughneck disregard for love until he is up to his neck in one of its devious pitfalls, is ideally suited to the new offering current at the Prince Edward Theatre.

With its lightning pace, its 1932 human values and its tremendous real-life settings, this story perhaps will not be recognized as a shipbuilder's Odyssey by our old friend of English classics, Charles Dickens, whose "Dombey and Son" suggested th eplot theme.

Briefly, the narrative may be summed up as a bold and intimate analysis of cause and effect in the life of an industrial despot whose passion for power brings unhappiness to feminine sensibilities. Shipbuilding and the grooming of a son to succeed him, are the prime pursuits in life for the iron-fisted and iron-hearted "Trumbul," until a death in the family, a scheming adventuress, a courageous competitor and a patient daughter conspire to topple the callous old Colossus to a sublime state of circumspect happiness.

Rich man's Folly is one of the outstanding Paramount productions and well worth seeing.

Presented in co-operation with the Y's Men's Club, "Rich Man's Folly" drew a large and appreciative house last evening and very favorable comments were heard on the high quality of the entertainment.
