Startling Upset As Somerville Loses Amateur Golf Title

23-Year-Old Western Star Brings Title Back To United States With A 2 And 1 Victory Over The Defending Champ.

By Alan Gould,
Associated Press Sports Editor.

KENWOOD COUNTRY CLUB, Cincinnati, O., Sept. 14.—(A.P.)—The forward surge of American golfing youth brought the National amateur golf championship back home today as William Lawson Little, Jr., of San Francisco, son of a United States army colonel, defeated the defending champion, Edward C. Ross (Sandy) Somerville of London, Ont.

As the climax to a day of astounding golf, punctuated by a cloudburst that nearly washed the competitors of the Kenwood course the 23-year-old Western star eliminated the sturdy defending champion 2 and 1 in their 36-hole quarter-final match. Little's victory furnished the morning upset as three American youths, averaging less than 22 years of age, fought their way into the semi-final round along with a sole survivor of the "old guard."

Max R. Marston, 41-year-old champion from Philadelphia, who held the title back in 1923, alone stood the youthful onslaught of the rain-soaked course as he conquered Sidney W. Noyes, Jr., of New York, former Yale star, one up in a spectacular match that went to the 36th hole.

Marston's comeback, after being nearly counted "out" as a championship contender, will carry him into the semi-finals tomorrow against 18-year-old Jack Munger of Dallas, Texas, schoolboy star and son of a wealthy oil man. Munger sprang the day's second major surprise by taking the measure of the seasoned Jack Westland of Chicago, 1931 runner-up, 3 and 1.

Little's semi-final opponent will be George T. Dunlap, Jr., of New

PINE RIDGE GOLF COURSE, Winnipeg, Sept. 14.—Near defeat of the defending champion, long-driving Margery Kirkham of Montreal, stood out as the surprise match of the championship play in the Canadian women's open golf tournament here today as she and three other title-holders advanced to the semi-finals tomorrow.

Champion of Manitoba last year, Mrs. John Rogers, Winnipeg, forced Miss Kirkham to play the full 18 holes in their quarter-final before bowing to defeat one down.

Ada Mackenzie, Toronto holder of the close title to be defended at St. Charles Country Club here next week, advanced by a one-sided victory over Lois McLaren, Winnipeg, 7 and 6.

Mrs. R. J. Bearis, Winnipeg City, and Manitoba titleist, played the most brilliant golf of her career to four the last seven holes in even fours and eliminate Mayron Murphy, Royal Ottawa Golf Club, 5 and 4.

Last but not least of the crown-wearers, Isabel Pappal, Ontario junior titleist from Toronto, established herself as a dangerous opponent to the defenders in the semi-finals tomorrow when she took the measure of Mrs. B. P. Pellens, Winnipegger, who has three times held the Manitoba championship, 5 and 4.

World Series To Open October 3rd.

Dates For Annual Baseball Classic Drawn Up Yesterday — Series To Open In National League Winners Park.

(Associated Press)

CHICAGO, Sept. 14.—Baseball's big show, the 1933 world series, will open October 3 at the park of the National League champions, presumably New York Giants, with sell outs expected for every game at the old price range.

The opening date, six days later than the start of last year's autumnal classic, was agreed on today at a meeting of interested officials before Baseball Commissioner Kenesaw Mountain Landis. Figuring the Giants and Washington Senators were as good as "in," 23 eligible players and two coaches were named for each of the clubs.

Details of the schedule were approved as follows on the assumption that the Giants and Senators would meet:

First and second games at Polo Grounds Tuesday and Wednesday, October 3 and 4.

Third, fourth and fifth games at Washington, Thursday, Friday and Saturday, October 5 to 7.

Sixth and seventh games, if necessary, at Polo Grounds Sunday and Monday, October 8 and 9.

All games will start at 1:30 p.m., E.S.T., unless a Sunday game is necessary at New York, where because of the Sunday church law, no game can be started before 2 p.m.

In case of a postponement, the schedule will proceed a day later. Because of the short journey between the two cities, no days off will be given for travelling.

Tickets will be sold on the basis of boxes, \$6.00; reserved grand stand, \$5.50; pavilion seats at Washington and upper deck grand stand seats at the Polo Grounds, \$3.30, and bleacher seats, \$1.10.

Meeting Mar. Hockey League For Amherst

AMHERST, N. S., Sept. 14.—(C.P.)—President James A. Hanway of the Maritime Hockey League announced today a meeting of the league would be held in Amherst to discuss plans for the 1933-34 season.

Chief among matters to be considered is the possibility of the "Big Three" in Maritime hockey becoming the "Big Five." Last year's clubs, Moncton, N. B., Charlottetown and Halifax, will be represented again during the coming season, and teams carrying the colors of Saint John and Fredericton Clubs may enter the circuit.

ORIOLES ARE ELIMINATED

(Associated Press)

BUFFALO, Sept. 14.—Behind the seven-hit pitching of Charley Perkins, tall left-hander, Buffalo Bisons swept to their third successive victory over Baltimore Orioles, 3-0, here tonight and advanced to the championship playoff finals where they will face either Newark Bears or Rochester Red Wings.

Perkins, recently recalled for the 1934 season by the Brooklyn Dodgers, pitched himself out of several tight holes to enable the Bisons to end the series between the second place clubs of the Northern and Southern sections in the minimum number of games.

Newark and Rochester, first place teams in the Southern and Northern divisions respectively, now are deadlocked at one victory apiece in their best three out of five series. The third game of their elimination battle, scheduled for tonight at Rochester, was postponed until tomorrow on account of wet grounds and bad weather.

WINS QUEBEC MAINE VOTES CITY TITLE FOR REPEAL

(Canadian Press)

WASHINGTON, Sept. 14.—Maine, where U. S. prohibition was cradled away back before the Civil War, has voted to strike out the 18th amendment from the constitution.

Repealists expressed confidence of similar results in Maryland, Colorado and Minnesota, where elections on the repeal proposal were being held. Prohibitionists, disputing the ground, kept on fighting.

Maine, which passed a State prohibition law in 1851, voted about 2 to 1 for the proposed 21st amendment, which would delete the 18th. It was the 26th State to enter the repeal column. Thirty-six are necessary under the constitution before an amendment becomes the law of the land.

Twenty states have now taken all the steps to ratify repeal. Arizona, the latest of them, filed its formal notification of ratification with the Secretary of State at Washington a few days ago.

At least 30 states will have voted on the repeal proposal by Nov. 7. The next States to vote are Idaho and New Mexico. Both have called elections for next Wednesday.

The 26 States which have voted to ratify repeal are: Michigan, Wisconsin, Rhode Island, Wyoming, New Jersey, New York, Delaware, Nevada, Illinois, Indiana, Massachusetts, Connecticut, New Hampshire, Iowa, West Virginia, California, Alabama, Arkansas, Tennessee, Oregon, Arizona, Missouri, Texas, Washington, Vermont and Maine.

An entire constitutional convention of 80 delegates pledged to ratify the 21st amendment, repealing Federal prohibition, was apparently elected in Maine. The convention will meet Dec. 6.

With 79 scattering precincts, most of them small, out of the State's 632 unreported, the state-wide vote stood:

For repeal 118,827; against 52,077.

The cities did the expected in returning liberal majorities for repeal. A surprising feature of the vote, however, was the wet strength developed in the smaller communities, a considerable majority of which voted to reject federal prohibition.

No sooner was the outcome certain than the probability of re-submission of State prohibition was raised.

Gov. Louis J. Brann, who lent his support to the repeal movement, said that should the 18th amendment be repealed and the issue of State prohibition arose, he would "handle the matter expeditiously."

This was widely interpreted as meaning he would call a special session of the State Legislature to act on re-submission. In the last referendum on State prohibition amendment, in 1911, the amendment was retained by a margin of 758 votes.

Lober Meat New Industry

MONCTON, N. B., Sept. 14.—A new industry is springing up in connection with the lobster fisheries in the Maritimes in the shape of lobster meat. This differs from canned lobster in that it does not undergo a second processing and is shipped in unsealed tins which necessitate quick transportation under ice. In commenting upon this new product of the lobster fisheries, Mr. P. M. Smith, Supt., Canadian National Express, Moncton, stated that recently his company carried trial consignments to Winnipeg, Calgary and as far west as Vancouver and reports received stated that the lobster meat arrived in perfect condition and met with a ready sale. Further orders have been received by the lobster packers and the business has every indication of growing to big proportions. Special express rates for lobster meat have been put into effect by the Canadian National Express from Maritime Provinces points.

RAIN FORCES POSTPONEMENT

COLUMBUS, O., Sept. 14.—(A.P.)—The third game of the playoff between Columbus and Minneapolis for the American Baseball Association pennant, scheduled tonight, was postponed by Thomas J. Hickey, President of the Association, because of rain. It will be played Friday night.

Columbus won the first game of the playoff, Tuesday afternoon by a score of 6-2. Minneapolis drew up even last night on a rain-soaked field, by winning 5-3. Four victories are needed to clinch the pennant.

Essex Hall To Be Demolished

A LINK WITH DISRAELI

(London Exchange)

Essex Hall, an old manor house with interesting associations on the eastern fringe of Walthamstow, is shortly to be demolished. The house was built in the first years of Queen Elizabeth's reign, but there was an earlier mansion on the site, and the history of the manor goes back to the period of the Domesday Survey. At the beginning of the nineteenth century the Rev. Eliezer Cogan, a well-known Independent minister, Greek scholar, and schoolmaster, obtained a long lease of the Hall and opened a school, where for some years Benjamin Disraeli, afterwards Lord Beaconsfield, was a pupil. Disraeli wrote of Cogan's school that nothing was thought of there but the two dead languages, but he added that Cogan was an admirable instructor in them as well as a first-rate scholar.

Essex Hall, or what remains of it today, has deteriorated to the point when preservation could not really be commended. The property was bought last year by the Walthamstow Borough Council as a housing estate. Some of the furnishings will find a place in the museum at Church End. It is proposed that the garden around the hall shall be maintained as a public open space, and the firs and mulberry trees should be the better for expert attention.

RIFLE MATCH

The third and deciding Rifle Match between the P. E. I. Highlanders and No. 2 Company Signals teams will be shot on Kensington Range tomorrow afternoon starting at 2 o'clock sharp.

The Highlanders will go into the match with a lead of 7 points in the aggregate of the first two matches and will make every effort to maintain this advantage. The Signals on the other hand, expect to duplicate their feat of last Saturday and thereby win the series.

Both teams are composed of excellent shots, and given reasonably good shooting conditions, high scoring is indicated.

There will also be an individual competition.
