

CATARRH THE MOST DANGEROUS OF ALL CHRONIC DISEASES.

"Pe-ru-na is a Blessing to Those Troubled With Catarrh," Says United States Senator Corbin.

Ex. U.S. Senator D.Y. Corbin

Gentlemen—"The use of Pe-ru-na has been a blessing to those troubled with catarrh. So many of my acquaintances have been cured and benefited by its use that its curative qualities should be generally known. I do not hesitate to recommend it as the best remedy yet discovered for that disease."—D. Y. Corbin, 916 Chicago Opera House, Chicago, Ill.

cannot help but add weight and importance to the thousands of testimonials from the humbler walks of life.

Catarrh is the cause of at least one-half of the ills to which the human family is subject. Is there no way to escape from it? There is.

Pe-ru-na never fails to cure a cold. Pe-ru-na never fails to cure catarrh in the first stage. Pe-ru-na cures catarrh in the second stage, nine cases out of ten. Pe-ru-na cures catarrh in its last and worst stages in the majority of cases, and never fails to benefit every case, however bad.

"My Life Hung by a Mere Thread, Pe-ru-na Cured Me."

Mrs. Sarah Smart, 276 Hayward St., Brooklyn, N. Y., writes: "I can't tell in words how low I was. My life hung by a mere thread. I was waiting for months to die."

"My trouble was consumption or bronchitis. I suffered no pain when I was low, but coughing and breathing kept sapping what little strength I had. I could not eat, sleep or even lean back on a chair. I was a mere skeleton. I said to my husband, 'I can't last much longer.' My neighbors say they do not know how I ever recovered. It was almost a miracle."

"I took your medicine but three months, when I could do my housework and washing, and have been doing it ever since. Now I am able to do anything. You would never think I had been troubled with such a serious illness. I shall always keep your medicine in my house."—Mrs. Sarah Smart.

Despair of Recovery.

Mrs. R. L. Aulich, Vice President American Genealogical Association, 604 II street, N. W., Washington, D. C., writes:

"I know whereof I speak when I say that Pe-ru-na is a wonderful remedy for colds and catarrhal trouble. Last fall I was very much debilitated from the effect of a cold contracted early in the summer and which I neglected. I knew that my system was in need of medicine and rest, but to find the right thing was the problem. Happily I gave Pe-ru-na a trial first and have no reason to complain of the results. Within a month I had entirely recovered my strength and good health and really felt better and stronger than before."—Mrs. R. L. Aulich.

If you do not derive prompt and satisfactory results from the use of Pe-ru-na, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Many Wonderful Cures Are Made by Pe-ru-na.

CATARRH impairs no organ or function of the body. It is capable of destroying sight, taste, smell, hearing, digestion, secretion, assimilation and

excretion. It pervades every part of the human body. Pe-ru-na also cures bronchitis, coughs, and consumption in the first stages with unflinching certainty. Hon. D. Y. Subscriptions closed at 2.30 p. m., having been many times over-subscribed. An interesting feature was the fact that considerable applications were received from the Continent, indicating a change of views regarding Japanese financial stability. It is said that large subscriptions came from Germany.
