NOW I AM WELL

THANKS TO "FRUIT-A-LIVES"

Ed, Manitoba.
I wish to state, for the sake of others who may be sufferers like I was, that I suffered from severe indigestion and constipation for years and that there was also womb trouble with unpleasant pains in my back which made me miserable, constantly. I tried physicians and took many remedies but I got no relief. I was induced to try "Fruit-a-lives" and I can truly say this was the first medicine that ever did me any good. "Fruit-a-lives" quickly relieved the constipation and indigestion and completely cured me of all symptoms of womb trouble. I cannot express too strongly my great gratitude to this medicine as I am as well now in every way as ever I was, thanks to "Fruit-a-lives". I can strongly recommend "Fruit-a-lives", it is easy to take and the effect is always mild like fruit.

(Sgd) Mrs. M. BARKLAND.
Many women suffer with what the doctors call "Womb Trouble"—"Diseased Ovaries"—"Female Complaints" etc.—when Constipation is causing all the pain. Cure the liver and make the bowels move regularly with "Fruit-a-lives" and the "Womb Trouble" will be cured at the same time. "Fruit-a-lives"—or "Fruit Liver Tablets" are sold by dealers at 50c a box—5 for \$2.50—or will be sent on receipt of price. Fruit-a-lives Limited, Ottawa.

I am Grateful

to the Independent Order of Foresters especially to the members of Court Minnewawa, Bedeque, for their kindness in meduring the long illness of my husband the late Leslie Gould, while he was in the hospital for the insane the dues were paid by the members. At the funera everything that a society could do for a member was done and soon after the amount for insurance was promptly paid, and I here tender my sincere thanks to the Foresters for their kindness.
ADA E. GOULD
