

WEDNESDAY

ICE SPEEDING.—A number of horsemen had their trotters out on the speedway on the ice track which has been mapped out between the Railway Wharf and Hillsborough Bridge, and judging by the many fast heats trotted some good trotting can be expected to-morrow (Thursday).

MARRIED YESTERDAY.—The marriage took place yesterday at 11 a.m. at the residence of Mr. A. McKenzie, Kensington, uncle of the bride of Miss Rae Lillian McKay, formerly of Charlottetown, and daughter of Mr. Daniel McKay, of the P.E.I., to Mr. Percy Alfred Farquharson, Charlottetown. Rev. G. A. Sutherland, M.A., was the officiant. The groom is a married couple came to Charlottetown by the evening train and had supper at the Victoria. They left by the mail special for Georgetown en route to Boston, where they will spend the winter.

HORSE NOTE.—Mr. J. A. Ramsay, Summerside, arrived in Charlottetown yesterday and left by the mail special last evening for Truro, N.S. to take over a valuable stallion that was sold at "Old Glory" sale at New York in the fall of 1913, when the horse was two years and six months old. This colt is sired by Hungara, 34707, A.T.R., and his dam is sired by Robert McGreger, 647. An animal with this excellent breeding ought to develop into a very fast horse. The stallion is a fine looking horse of good size. Mr. Ramsay is selling him to a syndicate at Summerside. He will be a splendid addition to the many good ones on the island.

WEDDING BELLS.—The residence of Mr. David Matheson, Oyster Bed Bridge, was the scene of an interesting event on Wednesday, the 6th inst.—the marriage of his daughter, Miss Mabel E. to Mr. Artemas M. MacNeill, a prosperous young farmer of Cavenish. The marriage ceremony was performed by the Rev. Daniel McLean in the presence of a number of invited guests. The bride, who was one of the popular young ladies of the community, received a large number of beautiful presents from her friends. The gift of the "principal" friend was a beautiful gold watch and clasp. In the wee small hours of the morning the happy couple drove to their future home, carrying with them the very best wishes of a host of friends. The Guardian joins them in hearty congratulations.

CLYDE RIVER.—The Annual Christmas Concert of the Mission Band of Clyde River Presbyterian Church was held as announced and was much enjoyed by all present. An excellent programme of choruses, solos, recitations, exercises, drills, etc., was carried out by the young people. Every number on the long programme was well rendered, and the solos by Marjory Darrach, and Lillian McPhail, as well as the recitations by Amy Hood, Viola McKinnon and Charlotte McKinnon are deserving of special mention. Toward the close of the entertainment "The Christmas Fair", Miss Edna Auld, assisted by six young ladies, quickly stripped the beautiful Christmas Tree and delighted the children and others by gifts of candy and other good things. The S. S. Superintendent, Mr. H. McMillan, the President of the Mission Band, Miss Katie Murchison, the Pastor and his wife were among those who were kindly remembered. The singing of a chorus, "Now a Sweet Good Night to All, and God Save the King, brought a very enjoyable concert to a close.

The people of Mt. Carmel were shocked at the loss of one of the most respected residents when Mr. Octave R. Poirier passed away on Dec. 24th at 8 a.m., after an attack of pneumonia which lasted for three or four days only. During his illness he was his maker. The deceased was seventy having with resignation confining in two years of age and up to his last sickness had mocked the doctors' rules having never, with few exceptions, called for a doctor. He was an accomplished wood worker, having exercised his manual training up till the last. He was one of the most important factors in the finishing of the wood work in the inside of Mont Carmel Church and his reputation as such is also known abroad where he has exercised his handiwork. Above all these earthly qualities he was a kind husband and father and adhered in an adequate way to the precepts of his religion and reared his family as such. The deceased had ten children at which nine are living as follows: Joseph and Francis at home; Mrs. Jerome Gallant of Mont Carmel; Mrs. Lucien Arsenault of Cape Breton; Miss Audre Arsenault, St. Raphael; one sister Mrs. Amadus of a congregation at Currie, Minneapolis, Hercule and Albin of Cowley, Alta., and Theodore of Ipswich, Mass. The last rites of the church were performed by Rev. P. P. Arsenault, P.P. The pall-bearers were Jerome Gallant, Lucien Arsenault, Audre Arsenault, Joseph DesRoches, Joseph H. Arsenault and Philibert Gallant.—R.

DIED IN HOSPITAL.—Mr. James Hiltz, of French River, died Monday afternoon in the Prince County Hospital, Summerside. The funeral takes place Wednesday afternoon from the home of his sister, Mrs. Boyle Harding, French River, to the English Church Cemetery. Mr. Hiltz is survived by one brother and one sister, to whom The Guardian extends sympathy.—X.

FOX ESCAPES.—While a local foxman of Summerside, who is the owner of several foxes, was making an exchange on Monday, one of the animals made its escape. It quickly made its way to the harbour ice, where it was hotly pursued by a number of men and boys on foot and on skates. The owner, despairing of capturing it alive, armed several of his friends with guns, and a well-directed shot killed it.—X.

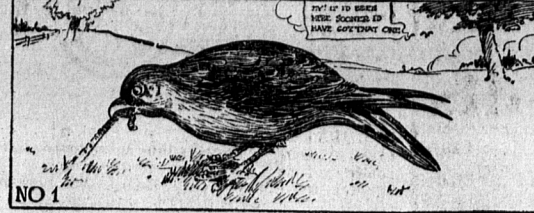

A FO XCHASE.—On Monday, when a number of skaters were enjoying themselves on the harbor, a nice patched fox made his appearance. The skaters started in pursuit, and tried to round it up, but Reynard was too cunning for them and would have evaded them all, only Mr. Earl Grady procured a rifle and drew a bead that put Reynard to sleep. A local fox man has since missed a fox that got out of the pen.—H.

WEDDED LAST EVENING.—A quiet but pretty wedding took place last evening at the home of Mr. Joseph Matthews, 260 Kent street, when his youngest daughter, Miss Mattie Matthews, was united in marriage to Mr. Newton Winchester, son of Mr. and Mrs. Joseph Winchester, Fitzroy street. The ceremony was performed at 8 o'clock by Rev. George C. Taylor, pastor of Zion Church, after which a sumptuous wedding supper was served. The Guardian extends best wishes to Mr. and Mrs. Winchester.

A NARROW ESCAPE.—It is proverbially true that we are never more in danger than when we think our selves secure. This was demonstrated by an incident which occurred in Alberton recently and which almost resulted in the death by electrocution of a certain respectable citizen of that place. This gentleman was reclining leisurely in his favorite arm chair at the Central Telephone office and expatiating eloquently on the possibility of a German invasion of Canada, when his animated countenance suddenly underwent a complete transformation followed almost immediately by a leap from the chair. As soon as he regained control of the faculty of speech, he answered a whole volley of questions by saying that he felt a sensation in his arms as if they had been torn from their sockets. The explanation, instead of enlightening the surprised onlookers, served only to perplex them the more. Some thought it advisable to telephone immediately for Dr. Kier, but as he appeared to be in his normal condition despite a slight pallor, which was hardly perceptible owing to a hirsute covering, it was not considered necessary. Many and diversified were the suppositions formed, but when in turn discarded as an unsatisfactory solution. Several present were of the opinion that the peculiar sensation was caused by a slight paralytic stroke, but its short duration and the absence of after effects showed this to be an erroneous supposition. The only other conceivable solution was that this gentleman received an electric shock. This theory is strengthened by the fact that it was on this evening that the electric current was turned on for the first time. Mr. Matthews, proprietor of the telephone office had copper plates put on the arms of the chair recently to prevent their wearing and it is quite possible that a current of electricity may have been generated to these with the above mentioned result. If this were the case the victim of this accident certainly had a miraculous escape.—A

SUPREME COURT.—In the Supreme Court yesterday morning the case of the Grand Council of the Catholic Mutual Benefit Association versus Edward Larkin for refund of certain money claimed to have been paid on a mortuary insurance policy was argued. Mr. J. J. Johnston, K.C., for the defendant and Mr. Nell McQuarrie, K.C., for the plaintiff. His Honour Mr. Justice Haszard delivered judgment non-suiting the case. The next case was that of W. F. H. Montgomery versus Robertson Douglas, action for the recovery of \$4,000 for goods, to wit one pair of foxes, sold and delivered. Mr. A. A. McLean, K.C., associated with Mr. K. J. Martin, represented the plaintiff and Mr. D. A. McKinnon, K.C., the defendant. The case occupied the attention of the Court until adjournment at 5 o'clock. Mr. Montgomery, plaintiff, still being under examination by Mr. Martin.

AGRICULTURAL MEETING.—Yesterday afternoon Professor Ross addressed an Agricultural meeting at Cornwall on "Increased Production of Food Supplies." He pointed out that the United Kingdom produced only a very small proportion of its food supplies but depended on getting them from other countries and nations, chief among which were Russia, Germany, Austria, Denmark, Belgium and France. Now that this great war is on, these countries will need all the supplies they can produce for themselves and the result will be that the other nations of the earth will have to produce these in much greater abundance or the United Kingdom will go short. If it be true that success in this great war depends very largely on keeping the army well fed and clothed, then every farmer in Prince Edward Island should feel that he is personally responsible and should also feel that he can be of as much service on his own farm as he can be at the front and defend the lines. As he is concerned he will do his utmost to produce more food supplies. The discussion was carried on by Messrs. Hugh Macmillan, T. P. Cass, Pope Crosby and others, after which a vote of thanks was presented to Mr. Ross.

SERIOUS ACCIDENT.—A serious accident occurred at Kildare Cape on Friday last. The sons of the Rev. Mr. Hardy, accompanied by William, the youngest son of Mr. William, the tosh, were engaged sawing wood with a wood cutter, when McIntosh had his fingers severely cut with the saw. He was immediately taken to Dr. Johnston at Tignish for medical aid, where it was found necessary owing to their physical condition to remove the first three fingers of the right hand. The sufferer is reported doing well.

PAPER APPRECIATED.—The Charlottetown Teachers' Institute held its regular session in the School Board office on Tuesday evening, Jan. 12th. Rev. G. C. Taylor read an excellent paper on "Celebrated Dunces." This paper gave short biographies of such famous men as Sir Walter Scott, Oliver Goldsmith, Isaac Newton and James Watt, who in their school days bore the appellation of dunces, but later in life showed that they were men of genius. At the conclusion of the address the thanks of the Institute were tendered Mr. Taylor.

ANNUAL MEETING.—The annual meeting of the Cornwall Creamery Company was held in the Hall at Cornwall on Wednesday afternoon, the president, Mr. Hugh Macmillan, reviewing the work of the year, after which the Secretary, Mr. D. H. Macchleson, placed before those present a printed statement giving details of receipts and expenditure. The factory was open from June 1st to Nov. 2nd. Forty-eight patrons supplied in all 607,445 pounds of milk containing an average of 3.72 per cent. of butter fat or 34,752 pounds in all. The average price realized by patrons per 100 lbs. of milk was 102.34c, and the net value of butter fat 17.89 cents per lb. The patron sending the largest amount of milk was Robert Barrett, of Kingston, who supplied 32,880 lbs. for which he received \$338.68. Mrs. J. MacPhail supplied 30,745 lbs., and D. H. Macchleson 20,170 lbs. A Board of Directors was then appointed and the business of the meeting brought to a close.

Andrew F. Mooney, a conductor attached to the Grove Hall barn of the Boston Elevated Railway Company, was overcome by gas from the gas range in his home Thursday, Jan. 15th, and died while on his way to the City Hospital. After turning on the gas to get his morning meal he fainted and when found by Motorman Frank Powell, Mr. Mooney was lying prostrate on the floor in the kitchen. His wife had been in a Boston hospital for three days, where a son was born to her on Tuesday, January 6th, which makes the circumstances still sadder. The other two children were with Mr. and Mrs. Joseph Rooney, of Dorchester at the time. About 10.45 in the morning motorman Powell called to Mr. Mooney's house to confer with him regarding tickets to be issued for a social affair. Getting no answer to his ring he tried the doors but found them locked. Then he went the rounds of the windows but found them also locked. He peered in through the kitchen window and was started to see the deceased lying on the floor. Powell at once rushed to Codman Square and told his story to Patrolman Gallagher. The two returned to the house and broke in through a window. They found the kitchen filled with gas. After opening the windows Powell called Dr. Rowland W. Bryton who worked over the unfortunate man until the arrival of the ambulance. On the way to the hospital Mr. Mooney succumbed. The deceased was 31

years of age and was a son of John Mooney of Iowa. Besides his wife and three small children he leaves to mourn a sorrowing father and step-mother, four brothers and four sisters. R. I. P. (Patriot please copy.)

GRANVILLE.—The half yearly examination of the Granville School took place on Dec. 23rd, 1914. Owing to a church meeting being held in the district prevented a good many from being present. The secretary of schools and a number of the fair sex were present. The school was examined by Mr. Edward McKay, a former teacher, who spoke very favorably of the work done in the school by the teacher. A short programme followed by the scholars who acquitted themselves very well. A Christmas tree was provided by someone on which the teachers placed before those present a printed statement giving details of receipts and expenditure. The factory was open from June 1st to Nov. 2nd. Forty-eight patrons supplied in all 607,445 pounds of milk containing an average of 3.72 per cent. of butter fat or 34,752 pounds in all. for each scholar, who in return presented their teacher with a nice pair of gloves. The teacher, Miss Janet McDonald, is doing fine work in the school and may she long continue to instruct the youthful mind. The exercise closed with singing the National Anthem, all feeling they had spent a very pleasant afternoon.—Com.

CARNIVAL.—The fancy dress carnival held in Summerside on Tuesday night was a great success, there being about 500 in attendance, most of whom were in costume. About 150 persons came in by train from Kensington alone. The costumes were well chosen and original. Mrs. Wilfred Woodside, costumed as "Canada," won the prize of a thermos bottle offered, and the prize of a fountain pen was captured by Archibald Coombs, dressed as a Red Cross officer. The

ladies' prize was won by Miss Ayle Schurman, who was beautifully dressed in a patriotic costume entitled, "England and France"; while Earl Corney was awarded the first prize for gentlemen in a representation of a cowboy. The greatest attraction of the evening was the very clever figure skating of Mr. James C. Tuplin, the renowned Fox King of Black Banks, who wore a very attractive costume. His performances were simply wonderful and delighted all present. The people of Summerside would like to see him give another exhibition of his art on some future occasion. A costume deserving of special mention was that worn by Mrs. A. E. Woodside, representing France and Stream Tobacco. The management intend to repeat the carnival later in the season. A children's carnival will take place on Friday, the 22nd,
