13 Scrofulous Lumps

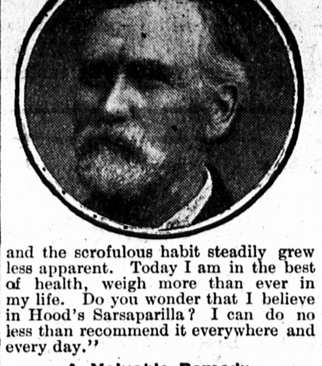
Inherited Disease—Eyes Affected—Weak, Could Hardly Walk—Life of Suffering.

Still Another Great Cure by Hood's Sarsaparilla

The following letter is from Mr. Geo. A. Zirkle, School Teacher in Mt. Horeb, Tenn., well-known all through that county, where he was born and has always lived.

"Mt. Horeb, Tenn., Jan. 10, 1906.
"C. I. Hood Co., Lowell, Mass.

"I have suffered all my life, until lately, from inherited scrofula. When a mere babe I had a scrofulous sore back of my ear. At 21 I had 13 scrofulous lumps on my neck. At 37 the disease assumed a new and tantalizing form. My eyes were affected so that I could not read after sunset, and when I closed them it was difficult to reopen them. There was always intolerable itching all over my body. Then a tumor on my neck changed to the front of my neck, suppurated and was followed by others, until six had formed and broken. I became so weak I could scarcely walk, and could hardly attend to my teaching. All the medicine I tried failed to help until I began the use of Hood's Sarsaparilla. In less than three months the sores healed, a troublesome catarrhal taint disappeared and the scrofulous habit steadily grew less apparent. Today I am in the best of health, weigh more than ever in my life. Do you wonder that I believe in Hood's Sarsaparilla? I can do no less than recommend it everywhere and every day."



A Valuable Remedy.

"I recommend Hood's Sarsaparilla as a valuable remedy for purifying the blood. As a spring medicine it is invaluable. I am using it for rheumatism and it is doing me good." MRS. BELISLE, 37 Hermine St, Montreal, Que.

SHERWOOD CEMETERY

Edward Island before the arrival of Governor Dundas.

John Lawson LL.D., formerly Solicitor General of Prince Edward Island, and afterwards for nearly a quarter of a century Recorder of the City of Charlottetown will be remembered by many of the older citizens. He was buried in Sherwood in June 1874.

The Hon. John Longworth another of the public men of the last generation was interred in Sherwood April, 1885. He was for several years a member of the House of Assembly, a prominent member of the Bar Society, and at the time of his death Prothonotary of the Supreme Court. Three of his brothers William Longworth who died Sept. 1875, Francis Longworth, who died in June, 1883, and Henry Longworth who died in April, 1891, are also buried in Sherwood. They were born in Charlottetown Francis and Henry Longworth both filled the office of High Sheriff of Queen's County at different periods.

A fine marble monument marks the resting place of the late Sheriff Watson who died January 1882. There may also be seen the monument of Neil Rankin, who died August 1876 and of W. E. Dawson, who died December 1902. Both on several occasions filled the office of Mayor of the City of Charlottetown.

John Ings one of the first directors of the cemetery, and a former president of the Board was laid to rest in Sherwood in July, 1907. At the time of his death Mr. Ings was the oldest citizen of Charlottetown. For Queen's Printer under Responsible several years he filled the position of Government, and as editor of The Islander he was known throughout the length and breadth of Prince Edward Island.

There are also monuments in memory of Dr. Mackieson, died August, 1885; Dr. Hobkirk, died October, 1888; Dr. Beer who died December, 1901, and Dr. Richard Johnson, died March, 1903. These are all well known physicians, who spent their lives in relieving the sufferings of their fellowmen. "They live in lives made better by their presence."

The Rev. John Davies who for a number of years filled the pastorate of the Baptist church in this City, and who died in August, 1875, sleeps in Sherwood Cemetery.

There are also monuments to the memory of the Rev. Frederick Smallwood and the Rev. J. V. Jost, Ministers of the Methodist Church. Both entered the ministery in 1837, and after upwards of fifty years of pulpit and pastoral service they rest from their labors.

There is one grave in the cemetery over which no monument has yet been placed. It holds the dust of one who recently walked our streets and whose tall form was so familiar to us all—also a minister of the Methodist Church—the Rev. Dr. Dobson.

"Thou art a monument without a tomb and art alive still while thy words doth live."

The first Secretary of Sherwood cemetery was John LePage who was followed by F. W. Hales. They have both passed from the activities of life to "join the inamerable company."

Mr. Hales was a citizen of whom any community might be justly proud. During a residence of half a century in Charlottetown he always took an active interest in every measure for the betterment of his fellow men. Every one knew on what side of a moral question F. W. Hales stood.

"The Island Minstrel"—John LePage will be long remembered for his "Work's Sake." He was buried in June, 1886, now he
"Lies sleeping."
Awaiting the trump of the Angel of God."

Close beside the dust of "The Island Ministrel" is the grave of his gifted son, Thomas Alexander LePage, an intimate friend and companion of the writer of this sketch. The lines chiselled on the granite shaft that marks his last resting place, written by himself in memory of his brother, are well chosen to pepetuate the memory of one of the finest characters that it was our privilege to know:

"Thy memory is with us still
The form may waste as ore to rust
The earth may claim her borrowed dust
Thy memory is with us still."

A GOOD COMPLEXION.

Is a joy to every woman's heart, and man is vain enough not to despise it. Beautiful complexion means pure blood, or in other words a healthy body. Tens of thousands of women take Ferrozone because it's a splendid blood builder, keeps the system in perfect order and helps the complexion wonderfully. "I consider Ferrozone the best remedy to give you a clear ruddy complexion I know of" writes Miss Ada E. Brandon of Pembroke. My skin used to be sallow, but after taking a few boxes of Ferrozone a rosy tint was noticeable in my cheeks. I can recommend Ferrozone. Price 50c at all dealers.

WAS A TOTAL WRECK FROM HEART FAILURE.

Heart disease is characterized by its stealthy approach and its variety of forms, yet in all its forms nature gives unmistakable signals which warn us of its presence.

One of the first danger signals announcing something wrong with the heart is the irregular beat or violent throb. Often there is only a fluttering sensation, or an "all gone" sinking feeling; or, again there may be the most violent beating, with flushings of the skin and visible pulsations of the arteries. You may experience a smothering sensation, gasp for breath and feel as though about to die. In such cases the action of Milburn's Heart and Nerve Pills in quieting the heart, restoring its normal beat and imparting tone to the nerve centres, is, beyond all question, marvellous. They give such prompt relief, such speedy restoration to health that no one need suffer.

Mr. Darius Carr, Geary, N.B., writes: "It is with the greatest of pleasure I write you a few lines to let you know the great blessing your Milburn's Heart and Nerve Pills have been to me. I was a total wreck from heart failure, my wife advised me to take your pills, and, after using two boxes I was restored to perfect health. I am now sixty-two years old and feel almost as well as I did at twenty."

Price 50 cents per box or 3 for $1.25 at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Aquiri is a beautifully-gaited, level-headed natural born trotter. The rich inheritance of speed and all other race-winning qualities that he has received from both Sire and Dam should enable him to become the most successful Sire of early and extreme race-winning speed in the Maritime Provinces. Most of the disappointments in breeding trotters are the results of foals throwing back as it is termed, and inheriting the characteristics of some no-account ancestor, three or four and sometimes even more generations away. Not a single no-account animal can be found among the ancestors of Aquiri, hence when a foal by him inherits the characteristics of some of his remote ancestors it cannot be otherwise than a good one at faturity.

You can get a living foal from Aquiri th coming Sire of futurity winners) for only $15 $10.00 cash when mare is bred.
