THE ROTARY SPIRIT

To smooth the way for others, to
make of life the most
To make the phrase "our brothers" mean more than idle
boast;
To praise sincere endeavor, when
praise will spur it on,
Withholding kind words never until the friend is gone;
This is the Rotary spirit, this is
the Rotary dream,
God grant that we may near it, before we cross the stream.

Easy to Darken Your Gray Hair

You Can Bring Back Color and Lustre With Sage Tea and Sulphur

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally so evenly. Preparing this mixture, though, at home is mussy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger.

GORDON WILSON, M. P.

Noted fruit grower of Wentworth County and an expert on tariff as applied to agriculture, declares the tariff changes a concession to the Progressives of the West at the expense of the Eastern farmer and industries. He is quoted as saying. "One would almost think this tariff was framed at Washington." He charges the government with sacrificing the national interests for the sake of securing Progressive support.

EGG GRADE LAWS REAL

London, Ont., Grocers Pay $100. Each for Disobedience

LONDON, Ont., April 9—The old egg question which has been bothering farmers, hucksters, grocery men and wholesale houses of Canada for some months until, it seemingly passed out of sight, came up with startling suddenness at London, Ont., the other day when five of that City's grocers were hauled into court charged with selling eggs that were not graded according to the Statues.

Each of the grocers were fined $100. as a warning to others that the law must be obeyed. The law calls that eggs must be sold according to size such as pullets, firsts, extras and specials.

Until this drive was launched by Inspector A. L. Morrison, everybody had been looking upon the regulations which became effective July 7, 1923, as being something that could not be carried out. But it may be understood right now that they are singing a different tune.

IN MEMORIAM

MR. JAMES WHELAN

Many will regret to learn of the death of Mr. James Whelan, which occurred at Midland, Ontario, on the 8th, instant, at the age of 75 years. He had been ill for fourteen months when death relieved him of his suffering and he passed to his reward.

For many years Mr. Whelan was employed with Mr. John Bell in the shoe making business in Charlottetown. By thrift and industry he succeeded in accumulating some valuable property in this city. He was much respected here and was always regarded as an honest upright man—an excellent citizen in all regards.

Mr. Whelan married Miss Sadie Ross, youngest daughter of the late Mr. John Ross of this city. Shortly after marriage they decided to go to Ontario and locate there. They had been residing in Midland for some years and no doubt the same success that attended Mr. Whelan here continued with him in that part of Canada. He was a kind and loving hubsand and he leaves a widow who will lovingly cherish his memory and sadly mourn her loss. She will have the sincere sympathy of her many friends in Prince Edward Island in her sore bereavement.

MISS LILLA BARRETT

At Wheatley River there entered into rest Lilla Barrett youngest daughter of Archibald and Mrs. Barrett. Denied the blessing of good health during her earthly sojourn, Lilla grew into a place in her home unique in its fellowships. For the past year the body experienced a gradual weakening and during the last two months the coach of languishing held her in its grasp. During her sickness, Lilla received of the kind parents and family constant and unstinted devotion. On the 25th of March, the Spirit took its flight.

The funeral took place on the 25th of March, conducted by Rev. O. H. Peters was largely attended, expressing to the family a Community's sorrow and sympathy. The favorite hymns of the deceased were sung during the service.

The pall bearers were the two brothers, William and Reagh, James Wares, Lloyd and Norman Stead, cousins, and Harold Buntain.

Fond parents, two sisters and two brothers are left to mourn the loss of daughter and sister. All are at home except William, who was called home from Cape Breton.
