(COPY) Wolfville, N.S., June 19, 1907. Dear Sir: I write to tell you that I was very much pleased with the Piano you supplied for my concert at Charlottetown the other evening. It was an excellent instrument and does your firm great credit.

Yours very truly, M. Albani

Persons not within easy reach of the Charlottetown office are requested to hand their advertisements and subscriptions to The Guardian's nearest branch when same will have best attention. Heaviness, Lassitude, Drowsy and Dull.

Do You Feel That Way?

How provoking these symptoms are! You sleep well, but when you awake there is none of the exhilaration that sleep and rest should confer. Instead of being alert, having quickness of apprehension, there is languor, dullness, a disinclination to do things. Three causes for this feeling: Lazy liver, lazy kidneys, and a sluggish stomach, which does its work very poorly and compels the other organs to do things they are unequal to for any length of time. Note the consequences—Blood is filled with wastes—poisons weigh down the nervous system—rebuilding processes are absolutely stopped. You'll note an instant change when you take Ferrozone. Appetite improves, digestion becomes good as ever—skin grows ruddy and clear, all signs of languor, listlessness and depression fade away and finally disappear. Ferrozone clarifies the brain, supplies tone and vigor, imparts clearness and strength. You feel like a new person, full of life, full of ambition, ready to do things—and able to do them also. Think it over: Ferrozone is a tonic that uplifts, upbuilds, that nourishes and restores the sick by supplying the elements their weakened system need. It can't help but do you good. For men, women and children, in fact, any one seeking strength and health, Ferrozone is valuable; try it, sold by all druggists in 50c. boxes.

All parents should be present. J. B. Russ and Mrs. Russ and their youngest daughter Miss Marion Russ, Summerside, leave this morning for St. John, N. B. where they purpose residing. Mr. Russ and family have been citizens of Summerside for twenty-one years and general regret at their departure will mingle with best wishes for success in their new home. During their long residence in Summerside they conducted the Russ Hotel, one of the leading hotels in the Maritime Provinces. In the fire of October last they were among the sufferers, losing their home and much of their furniture. They purpose taking up the hotel business in St. John where they have secured a comfortable residence and where, no doubt, their former success will follow them. Mrs. Robert Lord, of Tryon, died yesterday morning, in circumstances that attracted for her more than ordinary sympathy. About two and a half weeks ago she fell and broke her leg, and from that pleurisy developed, and as a result of the complication her heart began to fail. Of late she had seemed to be improving, but yesterday morning a change set in and she suddenly complained of her heart and died a very few minutes afterwards. A doctor was summoned but it was too late to be of any assistance. Mrs. Lord was about sixty-five years of age and leaves four daughters, Mrs. Branton Lea, Tryon; Mrs. Hiram Lea, Tryon; and Annie and Lottie living at home. Also three sons, Fred, Rick, John and Wright, all of Tryon two brothers, John Dobson, Summerside and Rev. Dr. Dobson, Charlottetown. Miss Libby in Summerside and Mrs. G. G. G. in Malpeque. She was an active worker in the Methodist Church of Tryon, and an earnest teacher in the Bible class and Sunday-school. Her death will be deeply regretted far and wide, and those who were near her will mourn the memory of a good woman who has gone to her reward. Dr. Anderson, Supt. of Education examining the Fanning School, Malpeque, last Friday. As usual the examination was witnessed by a large number of parents and visitors and the proceedings throughout were interesting and most encouraging. Both the principal Miss Clark and her assistant Miss Shaw were to be congratulated on the excellent showing made by the pupils in each class. At the close of the examination the Cumberland prizes were presented by Thomas McNair, chairman of the Cumberland Trust Fund. Miss Minnie Mountain was the fortunate winner of the scholar ship. In the evening a public entertainment was given by the pupils in Malpeque Hall. This interesting function was presided over by Nell Bates, one of the pupils, who although only thirteen years of age, performed the duties of chairman with the dignity of a veteran. An interesting program consisting of class singing and exercises, essays by the pupils, readings and addresses was rendered. At the close of a number of special prizes, awarded to the examination, were presented by Rev. Alexander Laird, Prof. of English in the Military College, Kingston, Ont., and at present residing in Malpeque. The entertainment was in every way a delightful one and was thoroughly enjoyed by both pupils, parents and visitors.

ALMOST DEAD OF BRONCHITIS. Few people have suffered more than Joe P. Taylor of Dysart, P. O., Ont. Today he is well and writes: 'I must tell you how much Ostarrozone has been to me. I was so bad with bronchitis sometimes I thought it would soon be over with me. A spell of chills and coughs came that I felt me prostrated and weak. Since using Ostarrozone I have had no trouble at all. It strengthened my throat, stopped the cough, gave me free breathing and entirely cured. Just the usual expense. Ostarrozone is invaluable in every other case of bronchitis, asthma, catarrh, whooping cough, etc. at all seasons. Two 50c. 25c. at all druggists.'
