White Watery Pimples.

Five years ago my body broke out in white watery pimples, which grew so bad that the suffering was almost unbearable. I took doctors' medicine and various remedies for two years but they were of little benefit, whenever I got warmed up or sweat the pimples would come out again. A neighbor advised Burdock Blood Bitters, and I am glad I followed his advice, for four bottles completely cured me. That was three years ago and there has never been a spot or pimple on me since. James Lashouie, Brechin P.O., Ont.

Domestic Economy.

Said Brown unto his wife one day, "We've nothing left to eat. If things go on in this queer way, we can't make both ends meet." His wife replied in words discreet, "Oh, we won't be badly fed; if you can make but one end meat, I'll make the other bread." Chicago News.

BUT GOOD WIFE!

You won't make good Bread if you don't use good Flour. It's a mistake many people make in buying Flour as well as other things, in thinking they are using economy by buying a cheap grade but it generally proves the dearest in the end. When in want of Flour give us a call; we keep most of the standard brands and can quote as low prices as anyone in the trade.
