Soon the final play-downs by winners of different sections will take place.—K

DAY OF PRAYER OBSERVED.—The world day of prayer was observed by the Women's Missionary Societies of Summerside in St. Mary's Hall on Friday. Mrs. L. A. Moore, President of St. Mary's Society, conducted the service, which was largely attended in spite of the bad storm, which raged all day. Mrs. W. B. Mills was the pianist. The service opened with the hymn, "Breathe On Me, Breath of God." The service prepared for this special occasion by Mrs. C. C. Chen, Chairman of the National Committee of the Y. W. C. A. of China, was used. Special prayers were said by Mrs. Isabella Gildren for the Baptist Church, Mrs. Maynard Schurman for the Christian Church, Mrs. Benj. CHILDREN'S CARNIVAL.—There was a fair turnout in spite of the storm on Friday evening for the children's carnival at the Crystal Rink, Summerside. Mr. J. Henry Gaudet, the genial proprietor of the rink made everything as pleasant as possible for the children. There were many pretty and original costumes. The girls' prize was won by Miss Mary Silliphant, daughter of Mr. and Mrs. Roy Silliphant, as a Japanese girl and Master Wiley Church, little son of Mrs. (Dr.) Church carried off the boys' prize with a very original costume of a "ragman." The children had a most enjoyable time skating from seven till nine o'clock.—S.

CARD PARTIES AT KENSINGTON.—The pre-lenten social events of the past week included two very successful card parties under the auspices of the C. W. L. of Indian River. McMahon's Hall, Kensington where the events were held proved ideal for such entertainments. On Monday night Feb. 20th Mrs. Fred Shea and Miss Annie MacDougall were joint hostesses and despite the inclemency of the weather and other attractions a large number sat down to play auction forty-five. Prizes were won by Mrs. C. J. Cooke and Mr. Gordon Manderson. An excellent dancing floor and good music added to the enjoyment of the dance, which followed the serving of refreshments. Monday night Feb. 27th, Mrs. James L. Saunders and Miss Mary Ready were hostesses and an exceptionally large number attended. In the auction forty-five competition prizes were won by Ladies 1st, Mrs. Heath Bowness, and 2nd Miss Mary Blanchard. Gentlemen, 1st Mr. Fred Murphy, and 2nd, Mr. George Gorman. The lucky chair prize was won by Mr. Leonard Fitzsimmons. Delicious refreshments were served and dancing was enjoyed for a few hours. Between the dances solos by two popular singers, Mr. Garnet Proffitt and Mr. Russel McKay and the graceful dancing of the Highland Fling by Miss Doris Saunders were pleasing variations to the program. Six card parties have been held by the ladies of St. Mary's Indian River and Kensington Branch, of the C. W. L. since January 9th. The grand total of \$104.20 was realized.—K

year old class could be held in Charlottetown at the Exhibition open to the Maritimes providing the colts were not brought in from the States after the first of January in that year.

I have been told that colt classes would not fill and I quite believe it, but I can tell them the reason why they did not fill.

No farmer on this island is going to train his two or three year old colts on the off chance of getting a class for them in the fall and the time is too short between the time a race is proposed and the day of the race to get a colt ready, more especially if they have to go up against old campaigners which have been in training all the year round.

The two year olds could trot half miles and the year olds miles and they would be the better of it.

My idea would be for the Government to set aside say five hundred dollars a year to be divided into purses for two and three year olds born in the Province to be distributed to whatever tracks would advertise colt stakes, which with all the entrance money added would make a decent purse that would help out with training expenses, but the real value to the Province in these futurities is the fact that many of these colts would change hands at good figures and P. E. I. would again come to the fore front as a horse exporting Province for while we have lost the draft horse markets to Western Canada our farmers have been looking ahead and have bought some outstanding standard bred mares and there is no reason why we cannot breed as good horses as any place in the world and all we want is a fair field and no favors.

It would be interesting to see what the others have to say for and against my suggestions, and it was for this purpose that I have started the ball rolling.

Horsemen as a rule are a shy bunch, when it comes to writing letters to the Press but remember boys it is the only way we can start the people to think of the injustice our horses have been compelled to put up with for some years now.

A number of colts in this vicinity will certainly be in training this summer if they are assured of a race, some two year olds and some three year olds and there are a couple already in training or being driven in Summerside.

In case the track managers do not get right to work in the mat-

Moore & McLeod Limited

I would be glad to hear from any breeder or owner of a two or three year old who is willing to enter their colts in a futurity, paying a nominating fee of say five dollars the fifteenth of March, five dollars again on first of May,

live on the first of July and a starting fee of ten dollars a week before the race. All the entry fees to be added to the purse. If you think these fees high write me what you consider would be right. To distribute the money more

evenly between the colts I would suggest that if any colt won two firsts he would be ruled out and the money in the third heat be divided 35, 25, 20, 15, 10, and 5. I am Sir, etc. JOHN L. READ

Rheumatism Kept Her In Bed

Mrs. W. H. Pushee, Lorenzo, Sask., writes:—"For about two years I suffered with rheumatism, which kept me in bed for weeks. A friend advised me to take Burdock Blood Bitters, so I took two bottles, and they gave me new life. I am thankful to say that I feel fine now, and have not been bothered with rheumatism since taking B.B.B."
