Hunter River

Wheatley River Women's Institute met at the home of Mrs. Ernest Stead for their March meeting. There were eleven members and five visitors present. The meeting opened by singing the Ode. The roll call was answered by naming some author and some of his books. The minutes of the previous meeting were read and approved. The sick committee reported having visited Mrs. Sick in the district. A letter was

read by the secretary asking for the help of the Institute in providing mattress covers for the new sanatorium. It was moved and approved that a dollar be sent to the fund for this cause. The programme consisted of Irish jokes and readings. A member present stated that she had lost trace of a cousin a number of years ago. The cousin in turn did not know where she lived. The February meeting of the Institute was held at this members home and was published in the Guardian, where the cousin subsequently read an account of it in far away British Columbia, and straightway wrote home. This member was most grateful for all the Institute had done for her including the finding through the Guardian of a much loved cousin. The meeting closed by singing God Save The King after which Mrs. Stead assisted by Mrs. Herb Smith served a delightful lunch. The place of meeting for the next month has not been decided upon, the roll call will be answered by naming some tree and giving a description of same.

Hunter River farmers have profited in the recent heavy snow falls, by shovelling snow clearing the railroad track. A large number of men were employed who would otherwise have no special work to do.

Mr. William Bowen, Wheatley River was a recent visitor to Summerside on business.

Mr. and Mrs. Nelson Stead, Hunter River, were the guests recently of Mr. and Mrs. Charles Houston, Rustico.

Mrs. Ivo McDonald, Wheatley River, has been visiting friends in Charlottetown for the past week.

Mr. Robert Waye, Wheatley River has been visiting friends in Hunter River for a few days.

The recent hockey game in Wheatley River Rink between the Wheat-

ley River and New Glasgow teams resulted in a tie. The score being one for each team. A fair crowd was in attendance.—L
