OLD LADY ALMOST CRAZY WITH ECZEMA

A Remarkable and Convincing Statement of the Success of Cuticura Soap and Ointment in the Treatment of the Pain, Itching and Burning of Eczema

"I, the undersigned, cannot give enough praise to the Cuticura Remedies. I had been doctoring for at least a year for eczema on my foot. I had tried doctor after doctor all to no avail. When a young girl I sprained my ankle three different times, paying little or no attention to it, when five years ago a small spot showed upon my left ankle. I was worried and sent for a doctor. He said it was eczema. He drew a small bone from the ankle about the size of a match and about an inch long. The small hole grew to about the size of an apple, and the eczema spread to the knee. The doctors never could heal the hole in the ankle. The whole foot ran water all the time.

"My husband and my sons were up night and day wheeling me from one room to another in the hope of giving me some relief. I would sit for hours at a time in front of the fireplace hoping for daybreak. The pain was so intense I was almost crazy, in fact, I would lose my reason for hours at a time. One day a friend of mine dropped in to see me. No more had she glanced at my foot than she exclaimed, 'Mrs. Finnegan, why in the world don't you try the Cuticura Remedies?' Being disgusted with the doctors and their medicines, and not being able to sleep at all, I decided to give the Cuticura Soap and Cuticura Ointment a trial. After using them three days that night I slept as sound as a silver dollar for eight long hours. I awoke in the morning with but very little pain, in fact, I thought I was in heaven. After using the Cuticura Remedies for three months I was perfectly restored to health, thanks to the Cuticura Soap and Ointment. I will be sixty-four years of age my next birthday, hale and hearty at present." (Signed) Mrs. Julia Finnegan, 2234 Hebert St., St. Louis, Mo., Mar. 7, 11.

Cuticura Soap and Ointment are sold throughout the world. Send to Potter D. & C. Corp., 47 Columbus Ave., Boston, U. S. A. for free sample of each with 32-p. bk.

THOUGHT IT WAS CANCER

"Fruit-a-tives" completely restored me

SYDNEY MINES, N.S., Jan. 25th. 1910.

"For many years, I suffered tortures from Indigestion and Dyspepsia. Two years ago, I was so bad that I vomited my food constantly. I also suffered with Constipation. I consulted physicians, as I was afraid the disease was cancer, but medicine gave only temporary relief.

I read in the 'Maritime Baptist' about 'Fruit-a-tives' and the cures this medicine was making and I decided to try it. After taking three boxes, I found a great change for the better and now I can say 'Fruit-a-tives' has entirely cured me when every other treatment failed, and I reverently say 'Thank God for 'Fruit-a-tives'."

In the Nail Pond Poll the Deputy Returning Officer did not place in the ballot box the certificate for the Returning Officer but instead placed in the box the certificate which should be delivered to the candidates or their agents. The Returning Officer therefore adjourned his Court until Saturday at 10 a.m., when the Deputy Returning Officer from Nail Pond will be summoned and asked to produce the correct certificate. The vote in Nail Pond Poll will however likely remain the same. It is just a matter of having the correct certificate.

AFTER EFFECTS OF FEVER

How to Build Up Health and Strength Affter Wasting Diseases

When the system is run down following attacks of fever, la grippe, or other wasting diseases, Dr. Williams' Pink Pills are of special value. They make new, rich blood, which reaches every organ and every nerve in the body, and in this way restore the patient to active health and strength. In proof of this we give the case of Mrs. James Randall, Silverstream, Sask., who says:—"I feel that if there is anyone who ought to testify to the merits of Dr. Williams' Pink Pills it is myself. About four years ago I was taken down with typhoid fever which left me in a very weak state and my stomach so impaired that even a drink of milk would cause me pain. To make matters worse the change of life followed, and although I was under the care of one of our best doctors, I was steadily growing worse. Before I was sick I had often read of Dr. Williams' Pink Pills, but thought no more about them. But now when I was sick and helpless and almost hopeless, and with no benefit coming from medical treatment, I kept thinking of the Pills and finally decided to try them. I did so and am thankful to be able to say that they restored me to health and strength, and enabled me to pass through that trying period, from which so many poor women emerge with shattered health. I hope that many other poor sufferers may read this statement and take fresh courage from it, as I am sure that what Dr. Williams' Pink Pills have done for me, they will do for others. I may add that I always keep Dr. Williams' Pink Pills in the home, and feel that they are better than a doctor."

These Pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

SURE SIGNS

Of Kidney Trouble.

If your back is constantly aching and if you experience dull shooting pains, your kidneys are out of order. If your urine is thick and cloudy or your passages frequent, scanty and painful, your kidneys and bladder are out of order. Neglect quickly brings on rheumatism, diabetis, lumbago, sciatica and etc.

Mrs. John Wagner of 110 Hollis St., Halifax, N. S., says: "Dull shooting pains would catch me across the small part of my back and extend into my shoulders and neck, often causing me to suffer with severe headaches and spells of dizziness. Spots would dazzle before my eyes and everything would turn black. I would fall to the floor and be unable to get up again without assistance. A friend told me of Booth's Kidney Pills and I began their use. The first box gave me relief and I am now well and strong."
