AN ENJOYABLE TRIP.—Mr. and Mrs. Samuel Clow New Haven, have returned to the island after spending three months visiting their sons, daughter and relatives in various parts of Massachusetts. While there they stopped at the following towns and summer colonies, New Bedford, Middleboro, Brockton, Taunton, Dighton, Fall River, Buzzard's Bay, Somerville, Wareham, Acushnet Park, Sagamore, West Port Point and Harbor Salter Point, Fort Phoenix, Onset, Newport Beach and other interesting towns. They also had the pleasure of attending the Caledonian Club's annual outing in Boston and they enjoyed it, as well as meeting old acquaintances there whom they had not seen for many years. From appearances their trip was very beneficial to their health in their advancing years and they speak genuinely of the hospitality accorded them by their friends, but their native land is still cherished by them as it is their childhood home and the only garden in the universe.

BOYS NAVAL BRIGADE.—Boys' Naval Brigade classes will be continued under the instruction of Lt. Commander W.G. Lewin. The rifles have arrived and it is essential that all boys attend the classes of instruction in order to be ready for the cinema operator who is due here about October 1st. Petty Officer Clements who has had charge of the Boys' Brigade for the past few months has re-entered the Canadian navy and left last week for Ottawa.

CROZIER—MONTGOMERY NUPTIALS

A very pretty wedding took place at the home of Mr. and Mrs. Archibald Montgomery, Port Hill, on Wed Sept. 20 when their daughter Margaret Rosaline was united in marriage to Mr. George Hartwell Crozier formerly of Malpeque now of Worcester Mass where he is Foreman in a large mill. The ceremony was performed by the Rev. J. S. McKay Hampton. The wedding March was beautifully rendered by Mrs. W. J. Montgomery aunt of the Bride. The Bride entered the parlor leaning on the arm of her Father preceded by her little niece Lois McArthur who acted as flower girl scattering petals of roses in the way. The young couple stood under a large white bell, and canopy of leathery green with a background of green dotted with white lilies.

The bride looked charming with the conventional veil and orange blossoms. Her gown was of white satin with iridescent braid trimming, she carried a handsome bouquet of white astors. She was attended by her sister Miss Edith Montgomery who was becomingly attired in a dress of pink crepe-de-chine and carried a bouquet of white astors.

The groom was ably supported by his brother, Mr. Harry Crozier. At the close of the ceremony and while the young couple were receiving congratulations the tongue of the bell showered confetti upon them. A sumptuous repast was provided and the waiters were the three sisters of the bride, a brother and his wife. Among the guests were the Rev. J. M. Murchison, Malpeque, Rev. J. J. and Mrs. Bamford Port Hill. The gifts were numerous and costly. The groom's gift of the bride was a gold brooch set in pearls and sapphires. Among the gifts were many envelopes containing bank notes. After a few weeks visit in Malpeque the young couple will make their home in Worcester Mass, where the good wishes of their many friends will follow them.

Husky Men are Eating Salads

They Are Also Eating Rich Pastry and Highly Seasoned Foods That Call for Stuart's Dyspepsia Tablets

In the big palatial restaurants of the large cities their principal patronage comes from the out-of-town visitors. No lunch counter sandwiches for them. They like the entrees, salads, rich pastry and a cup of black coffee with rich cream. This combination is likely to overwork the stomach, to cause acidity with sour risings, gasiness, a feeling of fullness and other such distresses due to indigestion or dyspepsia. Wherever you go in any city in the U. S. or Canada you will find Stuart's Dyspepsia Tablets on sale at 60 cents a box. Take one or two after eating as they relieve the acid stomach and at the same time help digest the food.

Minerals Luliment for Dandruff.

THE PILL THAT BRINGS RELIEF.—When after one has partaken of a meal he is oppressed by feelings of fullness and pains in the stomach he suffers from dyspepsia, which will persist if it be not dealt with. Parmelee's Vegetable Pills are the very best medicine that can be taken to bring relief. These pills are specially compounded to deal with dyspepsia and their sterling qualities in this respect can be vouched for by legions of users.

THE PENNANT RACES AT A GLANCE

The races in both leagues, remain interesting. In the National Race, Brooklyn, increased her margin being 33 points over the "Yanks." "The Reds" 1919 world's Champions lie in third position, and have apparently a hard row to hoe. If the "Yanks" batting men hit a streak this week, Brooklyn will be hard pushed for first division honors.

In the American Race, Tris Speaker's Indians are, with some little difficulty, holding first place. The Pallid hose men are out with a hatchet to trim a pennant staff and the Indians are out with the scissors to cut the proper quantity of bunting. Of New York it might be said this team is out with the shovel to dig the hole in which to

place the pennant staff. "All three teams are playing ball."

In the International, the Leafs are some few points behind the "Orlones." It is wondered how the Leafs are so few points behind. Wonders never cease however, even Syracuse takes a game, once in awhile! The curious thing about this league is a sort of mental telepathy between the leaders and the tail ends. The "right games" are apparently "juggled at the right time."

The man who failed to secure the nomination may have cause to rejoice the day after the election.

No man ever solves the problem of how to become rich. He wants a few dollars more than he ever gets.
