HONOR ROLL UNVEILED.—On Sunday the 2nd inst an interesting and very impressive service was held in the Presbyterian Church, Bradalban, when after the opening exercises, the pastor, Rev. John Sterling unveiled the honor roll containing forty-one names. This being the number of young men from the Bradalban section of the congregation who entered the different branches of the military and naval service since the beginning of the war also one Red Cross nurse, serving with the American Expeditionary Force now stationed in Germany. Of the above men four were killed in action, one died of wounds, and one died of disease induced by exposure. There were eight wounded and one gassed. After the reading of the names on the roll by Mr. Sterling, a very impressive memorial service was held in memory of the last two young men from this section who gave up their lives in the service of their country. The church was crowded to the doors, and at the close of the service, the Dead March in Saul, was played by the organist, while the congregation stood with bowed heads. This closed one of the most solemn and impressive services ever held in this church.

CHURCH OFFICIAL REMEMBERED

On Wednesday evening Feb. 5th at the close of the regular prayer-meeting in the Presbyterian Church, Little Sands, the Y. P. S. C. E., waited on their President, Malcolm A. McNeill and presented him with an address in recognition of his valued service in the Society.

The address was accompanied by a fountain pen, a desk set also an envelope containing a sum of money.

The address was read and gift presented by Rev. W. H. Sweet, Honorary President of the Society.

Mr. MacNeill, though taken by surprise responded in a brief but pleasing manner thanking the members for their kindness, and assuring them of his faithful endeavour towards the best interests of the Society.

Following is the address.

Little Sands, Feb. 5, 1918. To, Malcolm A. MacNeill. From officers and Members of Little Sands Christian Endeavour Society. Dear President.

We wish to convey to you our appreciation of your ardent, and long continued efforts, on behalf of our welfare as a Society.

We realize that the maintenance of our Society is only made possible by your earnest effort, and that the usefulness of our Society is largely owing to your efficient and active service in the interest of our Society.

Words being rated as not an expensive commodity, we wish to present to you this small gift as a feeble token of our esteem of your earnest endeavour in behalf of all that counts for the prosperity and efficiency of our Society.

Our hope and prayers are, that you may long be spared to work for our Lord and Master in the Christian Endeavour Society of Little Sands.

SOLDIERS WELCOME

On Monday evening February 3rd a reception was held at the home of Allan J. MacDonald Pisquid West where a hundred guests assembled to welcome home his son Pte. John D. MacDonald who has returned from overseas and presented him on behalf of the Pisquid people with a safety razor set and a ten dollar gold piece and the following address. Pte. J. D. MacDonald. Pisquid

Dear Friend:—We feel that we cannot let this opportunity pass without making some reference to the noble part which you have taken in defence of your country. It affords us great pleasure tonight to welcome in our midst one of our returned heroes.

Shortly after the outbreak of the war you gallantly left home and all it held dear to answer the call of your King and country. We feel assured that during the months you have spent on the battle field you have suffered many privations and had the call come for you to lay down your life we know that you would unselfishly have done so.

Many of our brave boys have laid down their lives on the altar of Freedom and now sleep in Flanders fields and to those who return we feel it is our duty to show in some measure our gratitude. In asking your acceptance of the accompanying gift we would like to congratulate you and those boys of our acquaintance on your share of the victory secured.

Rest assured dear friend that wherever you go the good wishes of the people of Pisquid will always be with you.

And also on the same evening at the place another of our returned heroes Pte. Welland Birt was presented with a fountain pen and the following address. Pte. Welland Birt. Pisquid.

Dear Friend:—It affords us the greatest pleasure tonight to bid you welcome back to your old home after many weary months spent on the battle fields of France and Belgium where the brave boys of Canada so often covered themselves with glory. Believe us we admired the pluck you displayed in volunteering so promptly when another brother had made the supreme sacrifice almost at the outbreak of the war. And we feel assured that you did your part nobly on the shell strewn fields of Flanders.

We ask you to accept this small token of regard from your ever grateful friends and well wishers.

In reply to the addresses and presentations both Pte. MacDonald and Pte. Birt although taken by surprise in a few remarks thanked them for their thoughtfulness and said it would be a life long remembrance. Rev. John A. McDonald uncle of

Make up a batch of Biscuits or Rolls with it. Then Bake a Pie and Cake.

Notice the fine, even texture—the absence of holes—the delicate, nutlike flavor, of the Bread.

Then consider the lightness and flakiness of the Pastry. You'll never go back to the coarse, almost tasteless western wheat flours, after once enjoying the flavor of the good things made with Beaver Flour.
