The Union Commercial College had a pleasant call yesterday from J. W. Fitzgerald, formerly of Tignish, now accountant in the Canadian Pacific Railway offices, Montreal. He reports meeting many U. C. C. graduates all of whom are holding good positions.

Among the applications received at the Union Commercial College last week was one from Wilfred Sherry, Cardigan—His brother Charles graduated from this school a few years ago and is now employed in the office of the Great West Life Insurance Company, Winnipeg—"There is nothing like a good business education" he says.

F. C. Jones, a brother of R. Keltie Jones, whose wife died here on Thursday night under such sad circumstances, was on Prince Edward Island when the news of the death reached him. Mr. Jones wanted to reach St. John in time for the funeral and chartered a small motor boat and crossed the straits. He landed at Cape Tormentine and was driven from there by Dr. Blackie, to Sackville, where he caught the Maritime express and proceeded to St. John.—Moncton exc.

A pleasant event took place on the 15th inst at the home of Geo. W. Macleod, 46 Longworth Ave Charlottetown, when Miss Bessie A. Johnston of Charlottetown formerly of Brookfield was united in marriage with Ivan R. Brown of New Glasgow, N. S. son of Robert Brown Stanley Bridge. The marriage was a quite one, only the immediate relatives being present. The Rev. D. McLean performed the ceremony. The bride received many presents among which were several cheques and a beautiful cut glass and silver salad bowl from the Choir of Zion Presbyterian Church of which the bride was a member for several years. Immediately after a wedding breakfast Mr. and Mrs. Brown left on the Northumberland for their future home in New Glasgow, N. S.

A Sydney despatch says that it is reported here on good authority that efforts are under way to establish a daily steamship service between Sydney and Charlottetown, P.E.I. Senator Frowse, of that town, who was here this week, is interested in the project and it is believed here that the scheme will go through. It is not known whether it is the intention of the promoters to start the service this fall or not, but it is more than likely a start will be made as soon as suitable arrangements can be made. Such a service will be a great boon to the business people of both islands.

Murdoch McKenzie and Fred Doyle, who were in Charlottetown during the championships, returned to the city last evening. They report the athletes there to have been the best ever pulled off in the Maritime Provinces. They have good words for M. P. A. A. Secretary L. B. McMillan and local officials, who did everything possible to make their stay enjoyable. The light effect had much to do with Morris' jumping, the light over the centre of the field being very poor, while the outside running track was well lighted. The Sydney boys did splendid work, and local sports are proud of them.—Sydney exc.
