A Substitute for Soap

If two or three potatoes are grated in a pan of water, they will give

better results than soap when washing ribbons or delicate woolen goods.

To Clean Aluminum

Mix ammonia, borax and water and apply with a soft cloth. Or wash in warm soapy water, then dry and polish with whiting.

Soup

To remove fat from hot soup pour the soup through a cloth that has been wrung out of cold water. Nearly all the fat will cling to the cloth.

was shortly to leave the district. Program consisted of readings and recitations and a demonstration on Mocha Icing and use of Ornamental Icing tube, by Mrs. Alex Cameron. Meeting closed with National Anthem. Next meeting to be held in the school, answering roll with Gardening Hints. After the meeting a dainty lunch was served by the hostess. Mrs. Alex Cameron, Secy.

On the evening of May 6, the officers and members of South Lake Women's Institute met at the home of Mrs. Edgar Francis and presented her with an address, and gift from the Institute, as a token of their regret at her departure from the Institute and district. Mrs. Francis, though taken entirely by surprise, thanked the members for their gift and expressed her regret at leaving. The address was read by Mrs. Alex Cameron and the presentation of a beautiful silver and pipex plate made by Mrs. Elmer Fraser. Following is the address.

Dear Ruby:—Having learned of your departure from our midst we could not let you go without showing in some tangible way, our sor-

row and regret. Although you have lived only a short time among us, you have endeared yourself to all, and we shall miss you very much, not only from the district, but in the Institute as well, where your cheery smile, and ever ready willingness to help along any good cause put forth for the betterment of Institute work, was a help and inspiration. We trust that health, happiness and prosperity may follow you to your new home and that, occasionally you may be able to visit us. Please accept this little gift, not for its mercenary val-

ue, but as a token of the love and esteem you hold in our hearts, and with it comes every good wish from the officers and members of the Institute.
Signed on behalf of the Institute,
Mrs. Alex Cameron.
