Notice to Advertisers

The co-operation of advertising patrons is requested in the direction of getting "copy" into the business office before twelve noon on the day previous to publication. (Saturday 10 a.m.) Very often the receipt of a large advertisement or even regular changes after that hour serves to dislocate the regular work of getting the paper made up in time to catch the mails—and not infrequently such ads are at the last moment left out. This situation is not of service to either the advertiser or our readers and we, therefore, request that copy be received in the business office.

NOT LATER THAN 12 NOON

(Saturday 10. a. m.)

Grove's O-Pen-Trate Salve
Opens the Pores and Penetrates

A Remedy for Chest Colds, Head Colds, Sore Throat, Stiff Neck, Earache, Spasmodic Croup and kindred ailments. Apply freely to the skin just over the affected parts and rub it in.

GROVE'S O-PEN-TRATE SALVE

is also an Excellent Germicide for the Nose and Throat.

It should be applied to the nostrils so that you will be continually inhaling the vapors while in the presence of patients who are sick with contagious diseases, or when you are entering crowded cars or other public places during an epidemic of Grip or Influenza. Any Grip or Influenza germs breathed through the nose are destroyed by this germicide salve before the germs can reach the throat.

FOR THE SICK

Place One Level Teaspoonful of GROVE'S O-PEN-TRATE SALVE in a hot saucer in the sick room. The Antiseptic Vapor rising from the heated salve makes breathing easy for the patient. It induces sleep and is a great comfort to anyone suffering with Spasmodic Croup, Asthma, Bronchitis, Sore Throat, Coughs, Colds, Whooping Cough, Diphtheria or Pneumonia. The Healing Effect of the Vapor relieves the patient and is very comforting. Price 35c per box. If your Druggist hasn't any, send 35c in postage stamps to Paris Medicine Company, 193 Spadina Ave., Toronto, and a full-size box will be mailed to you promptly.

Do You Know

That we operate the only Lens Grinding Plant on P. E. Island?

That we employ a skilled Surface Grinder, and are daily grinding from the rough glass—the most complicated kinds of lenses?

Those are facts, which mean a good deal to the Glass wearing public, doing away with the annoying delays caused by sending away for special lenses.

Send your glasses in by mail, you'll get them back promptly and in perfect condition.

Call in and look over our plant.
