Abegweits to Enter In Provincial League

At a meeting of the Directors of the hockey players of the Abegweits Athletic Assn. Friday evening the report of the delegates Messrs J. A. McMillan and W. L. Prosky, who attended the recent hockey gathering at Amherst was submitted. Considerable discussion relative to independent and amateur hockey took place. The players were all called upon, and unanimously expressed their desire to play the amateur brand only. This decision was carried by the meeting and will meet with the general approval of citizens. An amateur league will be at once formed consisting of Sussex, Sackville, Moncton, Charlottetown and possibly Amherst. The winners of this league will be entitled to play for the Morton and Thomson trophy, emblematic of the Maritime championship. Had Charlottetown entered the independent league all the local players would have been at once professionalized and debarred from competing in all branches of amateur sports.
