GET RIGHT WITH GOD.

Five years ago a pastor in this city said, "I shall be glad, at the close of this meeting, to talk and pray with any one who feels that his heart is not right with God." I had been quite religious from boyhood, but those words took hold of me, and I met him. That night I did not sleep till two in the morning—I prayed and sang. This verse chiefly strengthened me:

"Just as I am thou wilt receive, Wilt welcome, pardon, cleanse, relieve; Because thy promise I believe, Oh Lamb of God, I come, I come.

God's promise to welcome, pardon, cleanse, and relieve, the experience which I knew the author of those words must have had to have been able to write them, together with my own faith and the help of the Holy Spirit caused those words to be of sweet comfort and uplifting power.—Author C. DePoy, Chicago.

IT PAYS TO buy in this Province.

(From Yesterday's Evening Guardian.)
MISSIONARY ADDRESS.—Rev. Luther L. Young will hold a Missionary service in the Presbyterian Church Murray Harbour North, on Friday evening, December fifth at seven o'clock.

POLICE COURT.—At the Charlottetown Police Court this morning one drunk, Joseph A. Shephard, was fined \$10 or 20 days. Wm. Costello charged with treating was fined \$5 and James King on a charge of vagrancy was remanded until Wednesday.

FOXES ARRIVED.—Four handsome path foxes arrived last week from P.E.I. for the farm at Lakelands. There are now eight fine ones there and the probabilities strongly indicate that the promoters are on the high road to easy street, says the Parrsboro Leader.

A BUSY PEOPLE.—The people of North Rustico especially the fishermen, will soon be busy mending their fishing gear for next spring's fishing of lobsters, codfish, mackerel and so forth. There is certainly no busier centre than this section of the county.

SMELTING SEASON.—Now that the oyster fishing season is about over in East River, the next thing to take up the fishermen's attention is the smelt fishing and they are getting everything in readiness to start as soon as the season opens, which it does on the first of December, with the hopes of making big hauls.—S.

WHAT OTHER BOON?

What other boon than Thee—and Love—shall I,
When I must pass to silence, surely, crave?
What other comforters above the grave?
Not solely those sweet prayers of priests nearby,
Nor that remembrance of Christ's redemptive death—
The hallowed crucifix—upraised before my sight,
Nor low-toned litanies and candles' peaceful light;
Nay, not to ask for only these will I employ my ceasing breath,
As I forgetful of my faultitude's most wanted cheer,
They are for my stained soul's absolving when I hear
The dread inevitable Call,
And for my soul's safe waiture when the swart, unwelcome pall
Forever cloaks mine eyes from Earth's pervasive thrall.
But at my final passing let there be vouchsafed these gifts of joy an solace temporal—
One look at that illimitable sea
Which, years ago, first nursed and cradled me;
And at the sun when he has reached the western gate
And, like a royal lover, radiant, elate,
Beams gloriously, with king-like bow
And on the waiting hills' broad dusky brow
Imprints his golden good-night kiss;
And shortly ere the death-mist veils mine eyes, let this
Be my last boon from Earth—my last sweet taste of Earth's delight—
To wait the coming of the quiet stars, and watch the Night
In silence shepherd them as sheep
And at the Dawn's first stirring fold them in—and me—for sleep.
By J. D. LOGAN.—In The Canadian Magazine for December.

NEW ZEALAND GONE.—Relying on her oil fuel supply and the coal bunkered at the dockyard to take her across the Atlantic, H. M. dreadnought cruiser New Zealand sailed from Halifax on Sunday evening for Portsmouth to complete her circle of the globe. It is now twenty days since the collier Invergyre sailed from Cardiff with Welsh coal for the New Zealand, and she has not been reported so far. Storm conditions on the Atlantic are stated by officers of incoming ships to be such as might easily delay a heavily laden tramp a week.

HEADACHY, COSTIVE, E. I. OUS.—"CASCARETS"

LIVER AND BOWELS ARE CLOGGED—CLEAN THEM TONIGHT! FEEL BULLY!

Get a 10-cent box. Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When the poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. 10-cent work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

HELP-ON-A-BIT.

Keep tab and you will discover that at least one-half your disappointments are blessings in disguise.

TAKE CARE OF THE EYES.

Now that the evenings are so long and we try our eyes so much by lamp light we should be careful of them. Have shades over the lights so that the glare does not strike the eyes.

If the eyes are weak, tired or sore, dissolve a small teaspoon of boric acid powder in a cup of warm water and bathe the eyes several times a day with it. Sore eyes are very contagious. Each person should have her own wash cloth and towel.

ANNIVERSARY CELEBRATION.

An event of more than ordinary interest took place in St. Edwards recently when Mr. and Mrs. Marcellin Poirier celebrated their fiftieth anniversary of their marriage. Among those who were present to felicitate them on the happy occasion were their four children a score or more grandchildren and a large number of friends and former neighbors of Nail Pond. Among the latter were Mr. and Mrs. J. J. Arsenault, Mr. and Mrs. Charles P. Bernard, Mr. and Mrs. Robert Arsenault, etc. A very pleasant feature was an address and presentation by the residents of Nail Pond where Mr. Poirier lived before taking up his residence in St. Edwards. The address which was written in French, was read by Mr. J. J. Arsenault. The following is a translation:—

To Mr. and Mrs. Marcellin Poirier, St. Louis.

Dear Friends:—Your friends and former neighbors of Nail Pond take this occasion of felicitating you, on the happy event which transpires today the fiftieth anniversary of your marriage. Fifty years of married life deserve the felicitations of all.

Dear Mr. and Mrs. Poirier while you were our neighbors in the village of Nail Pond you and your worthy name have raised yourself in the esteem of all. Since you have removed to this parish your friends and neighbors of Nail Pond have never forgotten you, and it for this reason that we come tonight to rejoice with the large number here present on this very memorable occasion the fiftieth anniversary of your marriage.

A half century of married life merits on our part most sincere felicitations and deepest respect for you and your worthy spouse. This married life of fifty years shows that the true Christian, the honest man is loved of God and that the road, so rough and thorny in many respects passes peacefully and quietly according to the wish of the Divine Master.

Accept dear Mr. and Mrs. Poirier our warmest felicitations for the happy anniversary which you celebrated with us tonight and believe us always your sincere friends with these words of congratulation we present you with this little token of our esteem.

May God preserve you in the midst of those who love you. "ad multos annos."

MILK IN WHITEWASH.

When preparing the whitening for ceilings or pantries, add one pint of boiled milk, after you have put in much water as you require. The milk gives the ceiling a beautiful gloss when dry, and keeps the whitening from rubbing off.

BENEFICIAL RESULTS

Can Only Come From the Timely Use of the World's Most Popular Laxative "FIG PILLS"

If you are constipated, bilious, have a sour, gassy, upset stomach, an inactive liver, sick headaches; or if you are tired, worn-out and downhearted, and the organs of digestion and elimination fail to perform the all-important functions, see to it that you cleanse your system of undigested food, foul gases and excess bile in the intestines and bowels by the use of the popular fruit tonic laxative.

FIG PILLS

This remedy, being composed of valuable tonic, diuretic, and laxative ingredients, constitutes them the best treatment for weak kidneys, sluggish liver, indigestion, constipation, and that bilious, tired-out feeling. Try Fig Pills the next time you are not feeling up to your usual good health and you will be convinced of their wonderful curative properties. Refuse all substitutes. At all dealers in 25 and 50 cent boxes, or by mail from The Fig Pill Co., St. Thomas, Ont. Sold at Geo. E. Hughes Drug Store.

Low Spirits From Weak Nerves

Low spirits, depression, discouragement are a form of nervous disease. You worry over little things, and at the slightest ailment apprehend the gravest dangers and diseases. You form the habit of looking at the dark side of things.

Indigestion is a frequent accompaniment, and you probably do not sleep or rest well. The cause of the trouble is to be found in the exhausted condition of the nerves. To get well you must build up the feeble, wasted nerve cells by use of such treatment as Dr. Chase's Nerve Food. This great food cures nerves, enriches blood, and thereby nourishes the nervous system back to health and vigor. There is nothing like new nerve force to bring back hope and confidence to the weak and discouraged. This treatment works in natural ways to restore health, and, therefore, cannot fail to prove of benefit to you. Put it to the test and you will be surprised with the building-up influence that will result.
