MR. P. H. MCHUGH
108 Church Street, Montreal.

December 10th, 1917.

"I was a great sufferer from Rheumatism for over 16 years. I consulted specialists, took medicines, used lotions; but nothing did me good. Then, I began to use 'Fruit-a-tives'; and in 15 days, the pain was easier and the Rheumatism was better. Gradually, 'Fruit-a-tives' overcame my Rheumatism; and now, for five years, I have had no return of the trouble. Also, I had severe Eczema and Constipation, and 'Fruit-a-tives' relieved me of these complaints; and gave me a good appetite; and in every way restored me to health." P. H. MCHUGH.

FRIDAY
ANOTHER WARNING.—Some enthusiastic autoists have evidently forgotten the warning given a few days ago forbidding auto driving in the vicinity of Falconwood after 7 p.m. These parties and others are again warned that any further infraction of these rules will be prosecuted without respect of persons.

A BIG EGG.—Mr. P. V. Robin, Timekeeper, on the Prince Edward Island Railway, who is very much interested in chicken raising and egg production, has on exhibition a hen egg, weighing 6½ ounces which was laid by one of his hens. As Mr. Robin has several varieties among his flock, he is anxious to find out which is the real mother of the egg.

A very sudden death occurred on Saturday morning June 22, when Mrs. John Chappell, relict of the late Mr. Edward Chappell passed away at the age of 72 years. Mrs. Chappell was in a carriage with her son Walter on her way to register at a house about a mile from her home, when she suddenly complained of a severe pain. She collapsed and before medical aid could be summoned her spirit had passed away. The deceased was a woman of fine Christian character of a patient disposition. She was a faithful and devoted member of the Presbyterian Church. She leaves to mourn the loss of a loving mother seven sons and four daughters. Four of her sons are in the Canadian West James and Edward, architects and contractors; Frederick, Driver on C. P. R. all of Edmonton; and Everett, homesteader also in Alberta; John in Taunton, Mass. and Robert in Marshfield; and Walter at home. Two of her daughters are trained nurses, Margaret in Philadelphia and Bessie in California; also Mrs. (Prof.) Butcher of Wingham, Ontario, and Mrs. W. A. White, Covehead. The services at the house and grave were conducted by the Rev. Mr. Collings after which her remains were laid to rest in Marshfield Cemetery beside those of her late husband.

The community of Kelly's Cross and wherever she had friends were shocked on June 18th on learning of the demise of Mary Ann, beloved wife of Joseph McAvinn in the 57th year of her age. Mrs. McAvinn had been in failing health for the past year or two, and her sufferings were alleviated by every thoughtful method conceivable by her devoted husband and family, but all in vain. The deceased lady needs no commendation of full some praise at our hands, for her works and example shall live long after her death, and her posterity of whom three daughters have consecrated their lives and talents to the religious life, shall long cherish her memory and call her blessed. She leaves to mourn her husband, six daughters and three sons, Herbert, Emmett, and Johnnie at home. The daughters are: Sister Mary Winifred in Indiana; Sisters Mary Aniceta and Mary Fortunata, in St. Paul, Minn.; Mrs. Wm. T. Spenser, Cliftondale, Mass.; Florence of Malden, Mass.; and Margaret at home, also two sisters and two brothers. The funeral took place to Kelly's Cross on the 20th where the obsequies were performed by Rev. Dr. Curran, P. P. The pall bearers were: James Gorman, Thos. Malone, Peter McGuigan, John Haughey, Jerome McGuigan and Hugh McKenna.

SCROFULA AND ALL HUMORS GIVE WAY

There are many things learned from experience and observation that the older generation should impress upon the younger. Among them is the fact that scrofula and other humors are most successfully treated with Hood's Sarsaparilla. This great medicine is a peculiar combination of remarkably effective blood-purifying and health-giving roots, bark and herbs, and has been tested for forty years. Get it today.

Dollar Day yesterday was the most successful since the movement was started in Charlottetown a few years ago. This is the verdict of the merchants who took hold of the idea and went the proper way about making it a success. The business section of the city was thronged with buyers all day and Dollar Day proved a right good thing for everyone concerned.

The death occurred at his home in St. Catherine's on June 15th of John Sherren aged 24 years, after an illness of over a year. He was a son of Mr. and Mrs. George Sherren and possessing many good qualities was liked by the entire community and is now safe in Jesus arms. He leaves to mourn their loss beside his mother and father five brothers and five sisters George, their loyde his mother and father at home; James on Military service; Hector in Canoe Cove; Nell and Peter in the west; Mrs. James Taylor, Charlottetown; Mrs. Walter Carson, Bonshaw; Mrs. Donald McLean in DeSable; Mrs. John McLean, Providence, R. I.; and Lizzie at home. The funeral services were conducted by Rev. D. McLean, there being over one hundred wagons in attendance. The pall bearers were Messrs James McFadyen, Hugh McFadyen, Seamus McLean, John McEachern, John Currie and Neil McKenzie. The remains were laid to rest in Canoe Cove Cemetery.

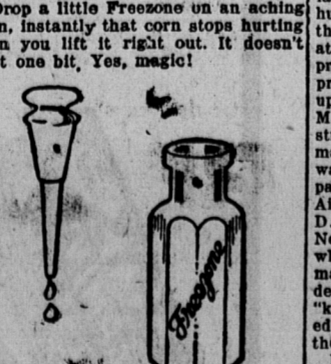

There departed this life on Wednesday, the 15th day of May, 1918, at her home in Bedeque, Sarah Pearl, beloved wife of John Stewart Affleck, and only daughter of Mr. and Mrs. Hugh MacLean, of Searletown. Although her sojourn here below extended over the comparatively short period of only thirty-one years, yet she performed a wonderful service for her Lord and Master, and lived a life of devotion to His cause. At the early age of eleven years she repeated the shorter Catechism without missing a word, and was always a thoughtful and earnest student of the word of God. She passed through a lingering and trying illness which brought out in glowing beauty the several graces of the Christian life and all who visited her as well as those who remained in the home, could not but feel the influence of her delightful personality, and must have been impressed by her remarkable testimony. In her passing away was gloriously exemplified the power and marvellous working of the Holy Spirit in bringing the souls of God's people to a state of holiness and in comforting them in all their sorrows. As a little child falls asleep in its mother's arms she fell asleep in Jesus, closing her eyes to earthly scenes, but still beholding the beaming smile of Him Who cheered her in all her trials, and taught her to sing His praise. She was frequently visited during her illness by her minister, Rev. Jas. MacDougall, who was much attached to her, and who so highly appreciated her Christian disposition. The funeral service was conducted by Rev. Waldron MacQuarrie, of Bedeque, as Rev. Mr. MacDougall was absent from the congregation at the time. The service was deeply impressive and comforting. Interment was made at Cape Traverse cemetery. She leaves to mourn, besides a disconsolate husband and sorrowing parents, one brother, Gilean, and also a large number of friends, relatives and acquaintances.

—KILLED BY LIGHTNING.—A telegram received by his father at Searletown on Tuesday evening from Saskatchewan, states that Mr. Milo Reeves, a young man of 21, was killed by lightning on that day, there are no further particulars of the case at fair. The parents, especially his mother, are prostrated as two letters had been received the same morning from deceased intimating that he was in good health. The remains have been ordered to be sent home for burial.

The death occurred Wednesday morning at the residence of her sister, Mrs. W. N. Tanton of this city, of Cassie Ida Farquharson, daughter of the late Stephen Farquharson and widow of the late A. W. Tanton of Bunbury. Mrs. Tanton came to visit her sister here on Wednesday last, and on Saturday was stricken with paralysis, to which she succumbed. The deceased who was a quiet unassuming woman, devoted her home and family, and highly esteemed in the community, leaves to mourn two sons, Stephen and Herbert at home, one sister, Mrs. W. N. Tanton of Charlottetown, and one brother in the West.

—ANOTHER HERO WELCOMED.
On the evening of the 25th instant, a large assembly of friends gathered together in the town hall, to extend a hearty welcome to one of our brave boys, Pte. Charles McAlduff. The meeting was presided over by ex-Governor Rogers, who in a few well chosen remarks complimented Pte. McAlduff on the stand he had taken in this great national crisis, after which a very entertaining program was rendered by local talent, and was greatly appreciated by the audience. Among the speakers were Rev. E. Campbell, Rev. Mr. Miller and Councilor Jas. E. Birch, all of whom extended a hearty welcome to Pte. McAlduff in behalf of the people of Alberton. Pte. McAlduff enlisted in Edmonton, and was wounded at the battle of Lens in August last. In thanking the people for their generous welcome, Pte. McAlduff spoke highly of army life. He also gave an interesting account of the part his battalion had taken in the war, and complimented the Red Cross Society and Y.M.C.A. for the great work they have done and are doing for the boys at the front. The singing of the National Anthem and three hearty cheers for Pte. McAlduff brought the meeting to a close.

—WELCOME TO RETURNED SOLDIER.—A very pleasant evening was spent at the home of Mr. and Mrs. George MacKay, Centreville Bedeque, on Monday, June 17, when about sixty people called to pay a fitting tribute to their son Eric, who has recently returned from France. Although Mr. MacKay and his family have been in Bedeque but a short time, and are not very widely acquainted the large crowd of neighbours that gathered at their home exists to show the friendly spirit which exists in Bedeque. Pte. MacKay enlisted from his home in French River and sailed to England with the 106th Battalion. This brave boy on account of ill health did not get to France as he so much desired, but has been in a Hospital in England most of the time since he landed. When he did not recover sufficiently to enable him to do his bit in France, he returned home and his many friends wish him a speedy recovery. The evening was spent very pleasantly in music and speeches. Mr. T. J. Inman occupied the chair and gave a very nice address of welcome to the returned hero, complimentary remarks were also made by Messrs. Frank Montgomery, Harace Wright, W. Jenkins and Mr. Geo. MacKay who spoke in behalf of his son, and thanking the people of Bedeque for their thoughtfulness in welcoming home his son. The Bedeque Club and Mrs. W. Jenkins favoured the audience with some very suitable solos. The singing of The National Anthem and God Save Our Men brought a very pleasant evening to a close. (Patriot please copy.)

The forty-third annual communication of the Grand Lodge of Free and Accepted Masons of Prince Edward Island opened yesterday morning, in the Masonic Temple, with the largest attendance in its history. Lodge was opened at ten thirty a. m. by Most Worshipful Grand Master Benjamin Rogers, in ample form. Immediately after opening, the Rev. T. F. Fullerton, D. D. Grand Chaplain was presented with a Past Grand Masters Jewel, by the Grand Master, on behalf of the lodge. In making the presentation the Grand Master dwelt on the veneration and esteem in which Dr. Fullerton is held by the members of Grand Lodge, and the Craft generally. In acknowledging the presentation, Dr. Fullerton expressed the keen appreciation he felt, in receiving the valuable jewel but more particular for the sentiment it conveyed.

Brother Sidney Grey, Grand Marshal then formed the brethren in procession which proceeded to St. James Presbyterian Church, where the Grand Chaplain, Dr. Fullerton, preached an eloquent and appropriate Masonic sermon. Rev. Bro. R. G. Fulton assisting at the service.

This is the first occasion on which Grand Lodge attended divine service as a body, and the large attendance, upwards of one hundred, bespeaks the popularity of the innovation. Labor was resumed at 2 p. m. sharp, the Grand Master presiding and all Grand officers being present. The afternoon was taken up with routine work. The Grand Master's address was particularly instructive and was listened to with marked attention. Fitting reference was made to the death of several past Grand Officers, namely Bro. A. D. McIntosh, of Souris, and Bro. Neil McKelvie, of Summerside, all of whom had many years of valuable masonic labor to their credit. The death of several of the members "killed in action" was also commented on, and appreciation expressed of their sacrifice.

Lodge was called to refreshment at 5.30 p. m. and labor resumed at 8 p. m.—when the first business taken up was the unveiling of a life size oil painting of the late Bro. Neil McKelvie, Past Grand Master, and for many years Grand Secretary. This ceremony was witnessed by the largest crowd ever assembled in Masonic Hall, and the touching and inspiring reference made by Dr. Full-
