WAS SHE POISONED?

Thamesville, Ont.—The wife of a prominent citizen of Thamesville was the heroine of a mysterious case which has just been successfully solved. About a year ago, Mrs. J. W. Dulong began to suffer with headaches. There was no apparent cause for them. After trying the ordinary "headache remedies," and failing to get relief, Mrs. Dulong consulted several physicians, who pooh-hooed the idea of anything out of the ordinary and told her she "would be all right." Vague hints became rumors. Was Mrs. Dulong being poisoned? Yes, she was—and strangest of all, by herself. Not intentionally—nor with drugs—but nevertheless, she was slowly poisoning herself. Headaches are always a sign of blood poisoning. Bowels, skin and kidneys should rid the system of tissue waste. If one of these organs are weak or not acting properly, this waste stays in the system—is absorbed by the blood—and irritates the nerves and makes the headaches.

"I have tried 'Fruit-a-tives' and found them splendid for headaches," writes Mrs. Dulong after her recovery. "I feel so much better since I commenced taking them. I think they are a splendid medicine and" (note this) "I am recommending them to my friends." Everybody, who takes Fruit-a-tives, is grateful for the cures they affect. It is wonderful how quickly "Fruit-a-tives" give relief in all cases stomach, liver, kidney and bowel trouble. If you suffer, get a box today; 50c, 6 boxes for $2.50. At your druggist or sent on receipt of price. Fruit-a-tives Limited, Ottawa Ont.

THE KING'S COUNTY GUARDIAN.

Offices in Montague, Capt. W. A. Johnstone Manager; and in Souris, Percy G. Seaman, Manager.

...David Brehaut, Glace Bay, is visiting in Montague, the guest of J. R. Brehaut.

...Dr. and Mrs. Houston who have been visiting in Souris have returned to their home in Crapaud.

...The annual meeting of St. Andrews Presbyterian Church Montague, owing to the severity of the weather was posponed until Wednesday evening, Jan'y 22.

...W. D. Stewart, Melrose, Mass., and a native of New Perth in this Province has resigned his office as chairman of the school Board in that City after fifteen years service.

...The annual business meeting and roll call of the Murray River Baptist Church was held at Murray River a few days ago. The finances of the Church are in a flourishing condition, each of the collectors having good news to report from the different sections of the field, and marked progress has been made during the past year. A larger amount had been raised by the Church for denominational work than in any one previous year. Eight members had been added to the Church roll during the year. Business was concluded with morning session. At the afternoon session a very interesting paper was read by Pastor Bishop which was written for the occasion by sister Francis D. Cook the subject being; the History and founding of the M. R. B. Church which judging by the favorable comments of the brethren present was well received.

...Bert Davis, Lower Montague, is in Toronto, Ont.

...Jack McLeod has returned to Charlottetown from visiting in Montague.

...An important date in the calendar of the wedded life of David and Mrs. McLure of Tatamagouche N. S. was January 14, it being the 60th anniversary of their marriage. Mr and Mrs. McLure came to Tatamagouche, nearly two years ago from Montague, P. E. I., where they had lived for some years. Their early home was in Murray Harbor. About a week before the above date, a few friends gathered in their home and rejoiced in the unique privilege of celebrating, in a quiet way their diamond jubilee. The only two members of their family now living—Mrs. Weston of Rexton, N. B., and Mrs. Weatherby of Tatamagouche and their husbands, Captain Weston and Captain Wetherby, were among the company. As all sat around their hospitable table to honor their worthy host and hostess and to do justice to their bountiful turkey supper amply provided, a note of joy sounded in every heart, and well wishes abounded toward the honored and venerable couple. Considering the ripeness of their days they are wonderfully well preserved, and the hope of all their wide circle of friends is, that life's evening may be greatly prolonged to them, and may be as rich in happiness, in blessing and in good deeds as their long day has been. The celebration was a week early to enable some friends to be present who could not otherwise have attended.

...The community of East Point received a great shock when Mrs John E. Robertson, of Red Point died in her chair on the 3d inst. She had not been feeling well for some days but no one thought of danger. She had been busy in the store most of the day and evening but had returned to the house. Her husband came a few minutes later. As he entered she had just completed a piece of work in hand saying "did'nt I do well to finish it." These were her last words. Her earthly work was finished. She united with East Point Baptist Church when a girl during Pastor Shaw's ministry. She took a deep interest in the church work and although living three miles from the house of worship she was found in her place every Sunday morning when able and often attended the evening service as well. She took a deep interest in missions. A few years ago she made herself a life member of the W. M. A. Society which meant $25 to missions. Last year she gave $25 to support one of Miss Clark's Bible women in the foreign field. Those who mourn are a bereaved husband, Dea. John E. Robertson and an only child, Hattie May, who was in Winnipeg at the time of death but got home for funeral; four brothers John, James, Alex. and David Bruce, and two sisters Mrs. Alex. McLean and Mrs. John A. Bruce and a large number of relatives and friends. The funeral services conducted by Pastor Beaman on the 9th inst. were largely attended and very impressive. She was 56 years of age.—Com.

MODERN MEDICINES.

No sane mother would wish hers treated under the conditions of medicine or surgery of half a century ago. Why then should she give her little one the old fashioned medicine of half a century ago which more likely than not contain poisonous opiates that cannot cure the child, but merely drugs it into temporary insensibility. Baby's Own Tablets is a modern medicine prepared with all the care and skill of modern medical science. And the mother who gives this medicine to her child has the guarantee of a Government analyst that it does not contain one particle of opiate or poisonous soothing stuff. This medicine cures all the minor ailments of little ones, and makes baby a healthy, laughing, happy child. Sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co. Brockville, Ont.

NERVOUS?

Do you Brood? Have Morbid Fears? Toss In Your Sleep?

Your Physical Condition is Below Par and Must be Built up. Try Ferrozone,

All the vital activities of the body are quickened into new vigor by Ferrozone which contains all the constituents necessary to make nerve strength.

Its first action is upon digestion.

It stimulates the secretion of gastric juice, ensures perfect digestion and prepares the food so as to be easily assimulated.

Thus everything you eat is converted into nourishment that enriches the blood and lends new strength to the nerves.

By Ferrozone the mind is relieved of those brooding tendencies, of morbid unnatural fears, of unwillingness to concentrate attention on things that should be done.

Won't you try Ferrozone?

Won't you give it a chance to win you back to health; it will do it just as it did for Mrs. Creighton Zinck of Palm St., Lunenburg, N. S., who says: I want to give my experience with Ferrozone because I believe it will be of assistance to thousands of women who need it badly. I was very thin, run down in flesh and lacked color. My nerves were in a dreadful state. If anything fell I would jump and start. At night I would suddenly wake up, heart palpitating and all keyed up. Ferrozone went right to work. It restored my poise and balance, gave me self-control, cured my nervousness. Ferrozone increased my appetite and my weight came up so fast that I simply did'nt need to use it any longer. Eight boxes cured me."

Why Won't you use Ferrozone also, it certainly will do you good in many ways—sold by all druggists in 50c. boxes.
