

ISLAND BLEND TEA Competition

How many days, hours and minutes will it take the new Steamship lately purchased by the Charlottetown Steam Navigation Co. to come from the pier she last casts off her lines at in Britain until she is moored at the first port of call in P. E. Island?

To establish the superiority of Island Blend Tea over all others, I am going to give the people of P. E. Island an opportunity to thoroughly test its good qualities in the following way:—

To the FIRST person sending the correct answer to the above, or who comes the nearest to the correct answer, I will ship 50 lb. Island Blend Tea; to the three next nearest to the correct answer, 20 lbs. each; to the next five, 10 lbs. each; to the next seven 5 lbs. each; to the next ten, 3 lbs. each.

CONDITIONS.—Each person making a guess must purchase at least one pound of Island Blend Tea from a merchant. All answers must be forwarded in a special envelope, which will be furnished by the merchant. No other answers than those contained in these special envelopes will be considered. The statement of the captain of the new steamer as regards time taken will be accepted as correct.

All answers must be received by me at least three days before arrival of the steamer. The result will be announced in the newspapers and the tea forwarded to the successful competitors not later than two weeks after the arrival of the steamer.

Skirts and Shirt Waists

We have been saying nothing to you lately about our stock of Ready-made Skirts and Shirt Waists—not because they are not here in abundance and of the best—but because we had not a chance to get a word in edgewise about them, we had so many other good things to tell you of. Besides our reputation for selling stylish and up-to-date garments in these lines, is well established, and ladies naturally turn their steps to this department when in need of anything specially nice. Never before, however, have we shown such extremely pretty styles at such moderate prices, and the demand for them is so brisk, we are continually ordering and so have always something new and pretty.

In skirts we can show you every stylish color and material, including a nice line of light and medium greys, which will be so fashionable during the coming summer with white or light shirt waists.

Of the latter we have a very lovely display, dainty and stylish and without cheap, commencing with dainty white waists at 49c each, on up through the various grades in lawn, embroidered linen, swiss muslin and white silk.

We have also all fashionable colors in silk waists, which you should certainly see before you decide on anything, as they are as trim and dressy as you could wish for, at a much smaller price than you could have the same goods made up for.

A line of beautiful high class black silk underskirts, is also worthy of your attention and is a luxury you will be tempted to possess once you see them.

Only a few left of those elegant silk coats for ladies, which came to hand this week. Come quickly if you want one.
