Life Under The Big Top, A Behind The Scenes View

(By Bernie Head)
Backstage at the circus! The fanfare out front, the martial ring of the band music, the spangles, the pomp and glamour of fine horsemanship, the grace of the trapeze artists and the thrills in the wild animal cage are all familiar spectacles.

TOP: Monkey mothers: Happy Kellams, chief clown and the Hippo smile a greeting in the center. BOTTOM: Expected on in front of the main entrance to on Sat., June 11 with Hoot Gibson for performances and grand parade.

the high wire walkers and other gymnasts come from you ask? Their feats are the result of no overnight stroke of magic. Most of them come from old circus families and they'll be sweeping by their offspring who await the day when they'll become star performers too.
