Rin-Tin-Tin Scores In 'A Race For Life' At The Capitol Again Rin-Tin-Tin, everybody's dog, sets the house in an uproar. One of the amazing things about this wise canine is the fact that he never seems camera-conscious. He is as oblivious to an audience as though it were non-existent. And the story seems to possess him as fully as if he were a human star. "A Race for Life," if we reckon correctly, is the fourteenth Rinty masterpiece, and it is, if possible, more filled with savage zest than any of its predecessors. The wonder dog is first seen with his pal, Danny O'Shea, aboard a box car making the trip South where Danny expects to get in touch with some race horse owner who may give him the chance he wants—that is, to become a jockey. Though there is some excitement when the train-master discovers the two just as they reach the race tracks, it is here that the lovely Miss Calhoun saves them from disaster and induces her sweetheart, Bob Hammond, to assign Danny to Black Raider in the season's big sweepstakes. Now comes menace in the person of Morgan, a rival owner, who attempts to disable the horse, Rinty, always on the lookout, attacks the man who temporarily blinds the dog, at the same time shouting that Rinty has gone mad and is attacking the horses. Danny hides his frantic pal. But before the day of the big race Morgan the kidnapper Danny. On the day of all P. R. A. Meet the last of this month and the next shoot has been from his shack, and rushing to Danny sets him free. Leaving Rinty behind, Danny hastens to the tracks and is soon driving like mad but. It is here that the breath-taking climax of the race for life whirls the house to a cheering, hand-clapping, whistling frenzy. You should not miss seeing Rin-Tin-Tin in "A Race for Life." It is his best, and you know what that means. "Crimson Flash" chapter six, Lupino Lane in "Listen Sister" are the other features on this fine Capitol weekend bill. York Rifle Club Shoot The first shoot for the season of the York Club was held on Wednesday afternoon, July 4th and though many were under unusual handicaps, the scores were very creditable. Visibility was poor owing to the haze and this with a strong wind made conditions very difficult. A number of members arrived with complete new equipment; among these we were particularly pleased to welcome the Old Veterans. The practice was intended to get new rifles adjusted and to become familiar with the sights and this was very satisfactorily accomplished. The outlook for the season is very bright, and already some new members are joining up. The Club Fee for the season has been reduced to \$1.00, with a collection of twenty-five cents on the range from each firer. It is expected that we will have several more practices before the month and the next shoot has been

set for Saturday, July 14th. We are always pleased to welcome new members and anyone expecting of course active militiamen are eligible to membership with an assured good time. Following is a partial list of the scores made yesterday. Ranges, 200, 500, and 600. Possible 105. Oille Brown ..... 86 G. H. Jones ..... 84 J. H. Judson ..... 83 W. D. Vessey ..... 83 Dr. McDonald ..... 81 I. M. Brown ..... 80 E. G. Love ..... 78 Eb. Brown ..... 76 Earl Taylor ..... 74 Irving Thompson ..... 65

THE MARKETS EGGS OTTAWA, Ont., July 5.—There is no change of any importance reported from Canadian egg markets today. TORONTO—This egg market is firm and unchanged. The demand for extras is keen and dealers are buying from country shippers at extra 3c; firsts 31-32c, seconds 24-26c. MONTREAL—The local egg market is firm and the demand is good. Dealers are quoting country shippers extra 33c; firsts 35c; seconds 29c. VANCOUVER—Dealers are asking extra 34c; firsts 32c. WINNIPEG—The situation on this egg market is steady. Dealers are quoting country shippers for ungraded eggs extra 29c; firsts 27c seconds 23c. Other western markets are also unchanged. HALIFAX—The egg market here has shown a decided advance in paying prices on all grades and dealers are paying shippers, delivered, extra 34c; firsts 30c; seconds 24c. MONTREAL, Que., July 5.—A very firm feeling prevailed in the local market for top grade eggs owing to the somewhat limited offerings from most producing sections which is attributed to the falling off in the production and the much warmer weather that has prevailed since late June. There was a steady demand and further sales of fresh extras were made at 16c to 36 1-2c per dozen F O B Ontario shipping points. The jobbing trade was rather quiet owing to the fact that buyers in most cases only purchased sufficient to meet their immediate requirements. The receipts were 2,157 cases. There was no further change in the condition of the market for potatoes, prices being about steady at the decline noted, but the volume of business in old crop Canadian potatoes was of a limited character owing to the advanced season with the result the market was quiet. Sales of odd cars of New Brunswick green mountains were made at 80c to 85c per bag of 90 lbs in bulk, and Quebec varieties at 75c per bag of 90 lbs in bulk, ex-truck. On the other hand the demand for new crop American potatoes was good and as supplies were ample to meet all requirements prices were unchanged at \$3.10 per barrel for no. 1 grade, ex-store. The trade in imported

beans was rather quiet but as the offerings showed no increase the undertone to the market remained steady and prices were unchanged with car lots of choice white hand-picked quoted at \$3.90 per bushel ex-truck to arrive, and smaller quantities at \$4.10 per bushel, ex-store. A feature of the butter trade was the continued strong appetence to the market and prices scored a further rise of 1-4 cent per pound and the prospects that they will reach a still higher level in the near future owing to the steady upward tendency of values for cheese. The demand from local and outside interests for supplies was steady and a fair volume of business was accomplished. The receipts were 2,872 packages. The trade in cheese continued active and in consequence of which and the somewhat limited supplies of some grade available on spot the tone of the market continued to display strength and prices advanced 1-8c to 1-4c per pound. There was a good demand from English importers and spot buyers which resulted in a large volume of business. The receipts were 10,213 boxes. MONTREAL—A feature of the local grain trade today was the improved demand from exporters for wheat and sale of some fair sized lots of no. 2 northern were made at ten cents per bushel over the Winnipeg July option, and no. 3 northern at 2 3-4 cents over. C I F Montreal. Owing to the sharp rise in the July option prices for oats today spot cash prices were marked up two cents per bushel. The trade in Spring wheat advanced on spot but prices were unchanged. On the other hand the market for winter wheat flour continued of a limited character but prices were unchanged. On the other hand the market for winter wheat flour was stronger owing to the increasing scarcity of supplies on spot and the very tight offerings from Ontario millers and prices advanced ten cents per barrel. An easier feeling prevailed in the market for all lines of millfeed and prices scored a decline of \$1.00 per ton. This was attributed to the falling off in the demand and the accumulation of supplies. The trade in standard grades of rolled oats continued quiet and values were steady. LETTER OF SYMPATHY. Mr. and Mrs. John J. Walsh and family. Dear Friends.—At the closing exercises of the New Perth school last evening there was a large attendance of the parents, ratepayers and visitors. Every person present showed by their words and manner that they shared your grief in the sad loss you have been called on to bear. At the close of the meeting a resolution was unanimously passed requesting the Trustees to tender to you an expression of their most sincere sympathy in your time of sadness. Words fail us to express what we feel. We can assure that all the people of this community sincerely sympathize with you, and pray that God in His infinite mercy may give you strength to bear the heart-rending sorrow caused by the sudden and untimely death of three of your family. May God be good to you. Signed on behalf of the people of New Perth, Ernest Moor, Fulton Smith, Trustees, Wm. Murchison, Secretary.

In Memoriam MR. GEORGE CAMERON The death of Mr. George Cameron occurred on Sunday July 1st, 1927 at Wellington under very sad circumstances. Mr. Cameron returned from the United States about ten days previous to his death accompanied by his wife, two children, and his mother-in-law Mrs. David L. Cameron who had spent the winter with them. He had not been feeling well for the previous few weeks, but it was believed the change of climate would quickly restore him to his wonted health. On Sunday he was stricken with spinal meningitis and after a very brief and distressing illness passed away the following Sunday. He was about thirty-five years of age and his passing at such an early age is deeply regretted. He leaves to mourn his untimely death a widow, formerly Leona Cameron, and two small children, his mother and father Mr. and Mrs. Peter B. Cameron, Ellis River, La. 16 and several sisters and brothers to whom we extend sincere sympathy. -N-
