YESTERDAY'S LOCAL MARKET QUOTATIONS

Corrected For Every Wednesday and Saturday Issue

The attendance at the market yesterday was believed to be far ahead of that of any previous market day for sometime. The booths were attractively displayed and well stocked with an excellent supply of vegetables, meats, etc.

Refreshing winds and a warm sun prevented any further damage to the grain crop as might have been done by a hot blistering sun. As a result of the favorable weather the farmers have about completed the harvest. Many farmers were inclined to be optimistic regarding the price of potatoes in the season.

At the fish market the price of cod rose from 5 to 8 cents and it was acknowledged that the fish were much scarcer than before the storm. Lobsters, which with cod were the only sea fish available at Tuesday's market were absent entirely yesterday.

Mushrooms were quite the thing at many of the stands and sold for 20c a bowl. Cranberries were plentiful and sold for 15 cents a quart. Blueberries which are about finished until another season rose from 10 to 12 cents a quart. Eggs, sold for 20 cents and butter, in some cases rose to 22 cents. Other prices remained unchanged.

The toast to the Dominion was responded to by the singing of "The Maple Leaf Forever."

The toast to the Province and to the Premier was proposed by Rev. W. L. Outhouse. Depression has not touched the Island to the extent that it has stricken other quarters, he stated. The speaker referred to the scenic beauties of the Province.

Hon. G. Shelton Sharp, Minister of Agriculture, responded to the toast to the Province. He referred to the beauties and potentialities of the Island, and gave a brief historical review. Prince Edward Island sons and daughters have achieved success in many spheres and in many places. He regretted the absence of Premier Stewart through illness. It is hoped that with care the Premier will be fully recovered in three months. The speaker made reference to the work of the Government in the sphere of education in rebuilding P. W. C. and building an annex to the Summerside High School. The care of the mentally deficient was also referred to. Fraternal organizations are doing a great work in the Province in rendering assistance in social service. MAR. POTATOES ARRIVE IN MONTREAL

First Of The Season And Are Three Weeks Later Than Usual—Market Advances.

MARITIME POTAEOES

MONTREAL, Que., Sept. 16—First new potatoes of the season from the Maritime Provinces have arrived in Montreal. They are three weeks later than usual. At the normal time of their arrival, however, the local potato market was so low that it was unprofitable to ship. In the last two weeks the Montreal market has advanced to double the low levels of the peak delivery period. And, correspondingly higher prices could be paid the Maritime shippers. Offerings today were of New Brunswick cobblers, and these were selling ex-track at 70 cents per 80 lb bags. New Montreal potatoes were mostly 60 cents per 80 lb. bags. Other lines were unchanged.

Forecasts were for export shipments of cheese this week of almost 40,000 boxes, which compares with 66,608 boxes last week. Delta country boards sold last night at 10⅜. Equivalent to 10¾ cents here. Offerings were of September cheese first of the year. June and September cheeses are considered the best of the year, cooler weather rendering the production better than the output during the hot months of July and August. The cheese markets at Montreal was quoted unchanged at 10½c to 10⅞ for Ontario's, and 10¾c to 10½c for Quebecs.

The butter market was quoted about 22c for current make and from 21¾c to 22c for storage stock. Trading is quiet. Small lots to retailers are quoted by jobbers at 24c for solids and 25c for prints. Receipts 1,493 boxes week ago, 1055 year ago 2,250. The egg market continued featureless. Graded eggs in carlots or L. C. L. lots are quoted 28c for extras 19 for firsts and 13c for seconds. Receipts, 1461 cases, week ago, 415, year ago 592.

REMEMBRANCE

(Continued from Page 1)

Closed Conference

A closed conference between the new President of the Chamber, John W. Ross; the Secretary, D. McL. Clarke; R. P. Jellett, Chairman of the Resolution Committee; Colonel A. N. Jones, President of the Halifax Board of Trade; and Major Roper, at the Nova Scotian Hotel, was held last night to deal with the question. After the Conference, Major Roper told press men he was authorized to say that the resolution and his own statement stood as originally made. He said:

"They do not withdraw their resolution, but they feel the wording may be unfortunate, but they are prepared to make representation to the Government of Canada that Remembrance Day should be made a Holy Day. They are as one with the Associated Veterans in that connection."

Questioned after this statement was given out by Major Roper, John W. Ross, new President of the Chamber, said the object was to rid Remembrance Day of the holiday aspect.

Denies Statement

'In what connection was the resolution unfortunately worded?" Mr. Ross was asked.

"I didn't say it was unfortunately worded," Mr. Ross replied. "Who said it was unfortunately worded?" he asked.

Mr. Ross was informed that Major Roper had made the statement asserting he had been authorized by the President and the other officers to do so.

"I am not responsible for what anyone says," replied the new President of the Chamber.

Text of Resolution

The resolution, moved by S. A. McDonald, Charlottetown, and seconded by W. Sanford Evans, Winnipeg, which was approved by the Chamber at the morning session was as follows:

"Resolved that the Federal Government be petitioned to take the necessary steps to ensure a uniform observance of Remembrance Day on November 11 and in succeeding years, and that the form of observance be two minutes silence with other suitable ceremonies rather than a legal public holiday with cessation of all regular activities for the full period of the day, and that various municipalities throughout the Dominion be urged to observe Remembrance Day in this manner."

Legion Stand

Major Roper's statement is as follows:

"As Dominion President of the Canadian Legion I regret that any body of business men have seen fit to pass a resolution which seems to mean an effort to secure a repeal of the Remembrance Day Act. This legislation was obtained from the Parliament of Canada after many years of mature consideration, and any attempt to make law such a resolution as that passed by the Canadian Chamber of Commerce, will have the whole-hearted opposition of the returned men of Canada. In January, 1932, the Associated beterans consisting of The Army and Navy Veterans in Canada, The Canadian Legion of the British Empire Service League, The Amputations Association of the Great War, The Canadian Pensioners Association of the Great War, The Sir Arthur Pearson Club of Blinded Sailors and Soldiers sent the following resolution to the Government of Canada:

"The Associated Veterans view with alarm the agitation which is being carried out to secure a repeal of the Act constituting November 11th a National Holiday. They consider that the wonderful response of the people of Canada to the Veterans' appeal last year for the due observance of this day shows that such a day has a place in the National life of our Country, and that if the Veterans are given a fair opportunity to carry on along the same lines as they have started this day can be made the most valuable public holiday in our Dominion life. They will oppose to the uttermost any attempt to secure a repeal of this legislation and invite the support of the Government in maintaining the legislation as at present enacted."

"That was the attitude of the Associated Veterans at that time and is still the attitude."

town or in the first race at Halifax we believe his previous races stamp him as a high class pacer. He is bred right being by the renowned Hedgewood Boy 2.01 and having as full brother and sister Jenny H. 2.06, Hedgewood K 2.07 1-2, he is sure to be a big factor in future races when Billy Cummings gets the hang on him.

Heatherbell 2.11 owned by Brent McInnis, Charlottetown, coasted along easily in winning the 2.16 class at Halifax, September 8th. His miles in 2.12 seemed easy for him over a not too fast track. Many are of the opinion that he would have been able to handle the Free For All pacers that day.

Mac I Win, three year old pacer by Mr. McElwyn, who has recently taken a world's race record of 2.01 for three year old geldings over a mile track, has won eighteen out of nineteen starts and has earned that through repeated demonstrations of unusual racing ability plus perfect manners and fine speed. Tom Gahagan one of the greatest authorities on horses in America says that in the twenty-six years he has covered the Grand Circuit for the press he has never seen as good a colt.

Doris Worthy, full sister of Worthy Louise 2.15 was second in the 2.20 Pace at Morrisville, Vt., in 2.12 over a heavy track.

Emily Ellen by Todd is the leading producing mare of 2.10 trotting speed in the world, having no less than nine performers in the select list including Brusiloff 2.04 1-2 and Daystar (3) 2.05.

The fastest three heats ever trotted over a half mile track regardless of sex were made by Senator McKlyo a five year old son of The Senator 2.03 1-2, Wednesday, September 3rd at the Ohio State Fair Columbus, Ohio, when he trotted three miles in a race in 2.05, 2.06 and 2.04 3-4.

A record for three year old trotting geldings was taken at the same meeting by Gregor Wilson who trotted two heats in a race in 2.07 3-4 and 2.08 1-4.

Nervous young man: "Sir, I have been walking out with your daughter for three years—"

Fond Mother—I did. My little boy wants to see how you lower the boats.—The Passing Show, London.

Lady (spitefully)—Yes, I'd better give you a digestive tablet.—The Humorist, London.

Wrighte: "Brown may have his faults, but he has the instincts of a gentleman."

Wrighte: "I'm sure of it. When he asks his wife to bring up a scuttle of coal he always gets up and opens the door for her."

Still another mark to fall recently was that of a mile by a trotter under saddle over a half mile track. This occurred on Labor Day when Happy The Great 2.04 1-4 trotted a mile with a rider up over the Weequatic Park half mile track at Newark, N. J., in 2.13 1-4. He is the property of H. Stacy Smith of that city, owner of Zombro Hanover 2.00 and other great horses and owner previous to his coming here of Golden 2.12.

At Peoria, Ill., mile track on September 1st, Cold Cash by Peter Volo won the Free For All and in doing so took a new record of 2.00 3-4, and we may say that all three heats were paced in exactly the same time. We have never known three heats so close to two minutes being paced in exactly the same notch.

Second to him on that occasion was the veteran pacer Winnipeg 1.58 1-2, who a few years ago came from the Canadian North West and won all the big stakes in the Grand Circuit. Time has taken its toll and instead of outclassing others he is now outclassed himself.

At Essex Junction, Vt., September 2nd, the 2.09 Pace, Purse $1,000. was won by Toll Gate by Peter G. in straight heats, Prince W. second, Miss Kitty third, Walter Stone fourth and Better Win fifth, best time 2.05. Miss Kitty was driven by Vic Fleming who last year campaigned Toll Gate for his Canadian owner.

Morning Express the trotter that Well McNeill looked at and liked last spring and seriously thought of purchasing, has been the best one in Will Flemings stable this year. At Essex Junction, September 3rd he won the 2.14 Trot from a good field, best time 2.07 3-4.

At London, Ohio, August 23-24-25 there were nine races on the card for the three days and of the nine "Doc" McMillan won eight. This constitutes a world's record. To show the quality of the competition McMillan drove Rose McElwyn a three year old in 2.09 3-4, Abbe Heir won the 2.11 pace for him in 2.05 1-2, Emma Braden the 2.24 Pace in 2.08, Just the Guy the 2.16 trot in 2.11, Prince Mac the 2.15 pace in 2.07, Silk Girl the two year old trot in 2.17, Bonnie Axworthy the 2.20 pace in [illegible] 1-2, Worthy Wood the classified trot in 2.05 1-2. The "Doc" it may be mentioned is one of the greatest trainers and drivers in America and has a stable made up of "stars."

The greatest number of races won locally at one meeting that we have knowledge of was at the Provincial Exhibition in 1926 when Colonel D. A. MacKinnon won the 2.21 Class with The Yank, the 2.30 Class Pace stake with Major S., the 2.40 Trot stake with British Ginger, the 2.20 Pace stake with Dan Patchen and the 2.15 Trot and Pace with Major S., making five winners out of eight races on the program. The other three races were won by Thomas Holmes, Willard Kelly and Colin McKenzie, Truro.

Archie K. driven by E. Herrington won the 2.20 Pace over a good field of horses at Ottawa Exhibition last week the fastest heat being 2.10 1-4. Mr. Herrington was one of the owners of Fred Medium 2.11 1-4 and drove him in his races throughout Ontario.

Here are a few of the winners and best time made in recent races over half mile tracks in various parts of Ontario. Tilsonberg, 2.30 Class Hilda Dark, best time 2.15 1-2 2.22 Class, Union Maid, best time 2.11. 2.18 Class Billy Direct, best time 2.12 1-2. 2.13 Class Mac Peter, best time 2.11. 2.26 Class Black Patch best time 2.14 1-4. Free For All, Ramona, best time 2.10. 2.18 Class Margaret Brewer, best time 2.09 1-2 Picton, Ont. 2.24 Class, Herman Grattan, best time 2.16. Classified Pace, Parker Boy best time 2.14.

Races at Three Rivers, Que., Exhibition, resulted in big fields and good racing. The 2.30 Class pace was won by Royal Girl, best time 2.22. The 2.25 Trot by Jargess, best time 2.16. 2.25 Pace by Dainty Ortolan, best time 2.13 1-2. 2.22 Pace by Washington, best time 2.15 1-2 2.11 Pace by Helen Direct best time 2.09. Classified trot by Zombro McKlyo best time 2.12. 2.15 Pace by Signal Speed best time 2.11 1-2. 2.24 Trot by Calumet Affection, best time 2.15 1-2. 2.24 Pace by Dainty Ortolan best time 2.12 1-2. 2.13 Trot by Andy Frisco best time 2.10 3-4. 2.18 pace by Laura G. best time 2.12. 2.20 Trot by Lady Russel best time 2.15.

Prominent among the drivers at the five days race meeting was our old friend Raoul Potvin, who will be remembered here when he raced a stable from Montreal at our Exhibition the fall of 1920. The curious thing about the above race meeting was that the first days races were held on Sunday afternoon.

A great many statements have been made as to where the first race has ever been held and various parts of England have been given as the scene of the event. However, it has been definitely proven by the City Records carefully preserved at the town hall of Chester, England, that a horse race with the first prize of a silver bell was instituted at Chester in 1511. In 1609 the bell was converted into three silver cups and in 1623 the three cups were combined in one silver cup of a value of eighty pounds. This race took place in the second year of the reign of Henry the Eighth.

Montague will hold races Saturday afternoon, September 24. The horses will be back from Fredericton in time to take part and the classes will include a Free For All that will bring together Lucky Lindy 2.12, Billy Cope 2.10 3-4, Hush 2.10, Heatherbell 2.11, Volo Rico, 2.04, Star G. 2.09 1-2. A 2.15 Trot with Frank J. Ortolan 2.13, Golden 2.12, Peter Dawes 2.12, Great Scott 2.08 3-4 and others and a 2.27 Mixed with eight or ten evenly matched trotters and pacers.

The Rotary Club are asking the co-operation of the Victoria Driving Club to stage races on the afternoon of October 10th Thanksgiving Day afternoon. The object is a worthy one, to raise funds for crippled children. Last year it will be remembered the horsemen made up a program and the sale of tickets by the Rotary Club netted a very nice amount for a fine cause.

The following horses are taking part in the races at Fredericton this week. Volo Rico 2.04, Johnny Miles 2.24, Golden 2.12, Heatherbell 2.11, Mr. Henley, 2.19 1-4, Billy Witte, King Frisco 2.13.

Lucky Lindy 2.12 who suffered an injury to his foot at Halifax by a piece of sharp stone wedging in between the frog and shoe, has recovered from its effects, we are glad to learn.

Addie McGraw, winner of the 2.27 Maritime Bred trot at Charlottetown has been going great guns since that event, winning at Woodstock and Presque Isle and on Tuesday won the 2.25 trot at Fredericton, defeating among others High Toby, 2.13 3-4. The remarkable part of the performance was that the second heat was trotted in 2.10 1-2, the fastest heat of the day and a wonderful performance for any trotter but particularly so for one that has best made three previous starts.

Addie McGraw is by The Clinker, a son of The Exponent, which was purchased at the Chicago sale at the same time Mr. H. C. Jewett of Fredericton bought The Exponent 2.08 3-4. Bred to Lenora McKinney 2.20 1-4, Addie McGraw is the product. Some of us thought that she would not be as good as she turned out to be. She seemed to have an inclination to pace here but we understand she was wearing heavy shoes behind which may have accounted for that peculiarity.
